3. General Public Comment (8:25)

Public Comment(s)

Geoffrey Grier, San Francisco Recovery Theatre

Grier concerns regarding approximately \$500,000 in Dream Keeper Initiative funding originally designated for the Black theatre community. Grier described the funds as having been delayed and transferred between multiple agencies without clear resolution. Grier expressed concern about the lack of transparency and explanation, and questioned the proposal to restart the grant process with new conditions rather than honoring existing commitments.

Ace Washington, Fillmore Corridor Ambassador

Washington requested that the Commission review his denied grant application for the Fillmore Corridor Ambassador program. Washington stated that his application was rejected due to an inability to verify his address despite having provided documentation. Washington asked that the application be reconsidered, emphasizing his long-standing ties to the Fillmore community and the need for funding to support arts-related activities and community programming in the area.

Maria Jensen, Executive Director, SOMArts Cultural Center

Jensen thanked the Commission for its continued support and provided an update on a recent meeting with city officials regarding cultural center

funding. Jensen highlighted the impact of a 10% budget reduction, including a \$90,000 loss for SOMArts, and requested restoration of the funding. Jensen also advocated for a review of the hotel tax forecast, and raised concerns about the current reimbursable grant model, describing it as administratively burdensome. Jensen expressed optimism about ongoing dialogue and collaboration with the city and the Arts Commission.
