Artist Biography (Please provide a short biography about yourself and your craft):

Born from love and faith – Miniature Enchanted Bouquets A tiny, 3-inch handcrafted keepsake that captures a moment of whimsy – perfect for dollhouses, fairy themes, gifts, and décor. Each Miniature Enchanted Bouquet weighs about 2 ounces and carries a touch of story and charm – six delicate handmade paper roses, finished with a soft shimmer and sealed for lasting beauty. Each handmade paper rose is wrapped in green floral wire and crepe paper stem, six roses are gathered and tied together. Your bouquet is then adorned with whimsical wraps – a textured paper foundation layered with decorative meshes and finished with a dainty button, a charm and twines – creating a one-of-a-kind keepsake that feels as if it stepped out of a storybook or the heart of a dollhouse

1. Describe the items you plan to sell and how each type of item is made. Please be as detailed as possible. Example: I plan to sell digital photographic prints of artwork that I designed in Illustrator and printed on cardstock using a home printer.
