The Art Vendor Advisory Committee will only screen two crafts per meeting. If you want to screen for additional crafts, you will need to complete a new application after you have been approved for two. How many crafts are you applying for? Example: Beaded jewelry and watercolor paintings on canvas are two crafts; ceramic pendants and ceramic bowls are one craft (Ceramic items)

**I am applying for only one craft**

Please list your one craft item to be screened:

**glass marbles**

Are you a current art vendor adding an additional craft?

**No**

A family unit is two (2) or more persons jointly engaged in the creation of an art or craft item. Is this an application for a Family Unit?

**No**

Artist Biography (Please provide a short biography about yourself and your craft):

**I'm a software engineering and I found out about marble making 2 years ago. My skill sets reached a level where I can start selling my work.**

1. Describe the items you plan to sell and how each type of item is made. Please be as detailed as possible. Example: I plan to sell digital photographic prints of artwork that I designed in Illustrator and printed on cardstock using a home printer.

**I will be selling my glass marbles. Im not sure how to elaborate from here. They will likely be about about 1 inch or higher in diameter and they will be the coolest marbles you'll ever see.**

2. Where did you learn your craft? Did you take a class or learn on your own?

**I started learning from youtube channels and then I took many classes at <https://www.publicglass.org> at San Francisco.**

Please provide up to two (2) images of your craft in process. The images should include you demonstrating your process. See an example here

**process\_1.jpeg**

Please provide up to two (2) images of your craft in process. The images should include you demonstrating your process. See an example here

**process\_2.png**

Please provide up to two (2) images of your finalized craft. The images should show examples of what you plan to sell. See an example here

**art3.jpeg**

Please provide an image of your workspace that includes the equipment and materials used in your craft. See an example here.

**art2.jpeg**

Additionally, artists may upload a video (up to five minutes) of their process. See an example video here.

**art1.jpeg**

4. Is your craft considered an American Indian or Alaskan Native style, traditional or contemporary, arts and crafts? Do you identify as a member of the community that practices this cultural tradition? Are you compliant with The Indian Arts and Crafts Act of 1990?

**NO**

5. What makes your work different from other artists and craftspeople making similar items?

**My marbles have a symmetrical build and look like spores: 6 flowers symmetrically surrounding a core marble. They are a unique design and I you will not find anything remotely similar anywhere.**

(Optional) Please provide an artist CV or Résumé:

*No answer given*

(Optional) Please provide any Letters of Recommendation from other markets or studios you may have:

*No answer given*

6. What artist or business name are you operating under?

**Mister Marbeliere**

7. Do you have a website, Etsy, Instagram or any other publicly accessible online store or social media account?

**Yes**

If Yes, please provide links to your public sites:

**<https://www.pinterest.com/hernanjaviersaab>, <https://www.tiktok.com/@hernanglass>, <https://www.instagram.com/hernanglass>**

(Optional) Please upload your logo or signage.

*No answer given*

(Optional) Please upload your image of display

*No answer given*

8. Does your artwork comply with all federal, state, and local laws and ordinance, including, if necessary, lawful authority to use logos or other images protected by Copyright or Trademark laws?

**Yes**

9. Are you using any sports or company logos such as SF Giants or other recognizable

**No**

branding that is not your own?

10. How are you ensuring customers can tell a difference between your work and commercial or mass-produced items?

**There are marbles and they don't contain any labeling or specific images that points to any brand or company whatsoever. I'm unable to find anything that remotely resembles my work. The packaging will only contain information specific to my business as well.**

11. What steps have you taken to ensure that you are not violating any copyright or other laws?

**Marble is made of the basic materials intended to be used by glassblowers and flameworkiers. I am not reusing branded materials intended for any other purpose. My intended branding isn't used by any competitors or potentially conflicting business and I will proactively make sure it stays that way.**

12. REQUIRED Please upload recent receipts for any tools and materials. Receipts must be for the same tools and materials used to create the items in the work samples you provide. Receipts must show that the materials were shipped to you/your address. See an example here. Optionally, you can upload images of your workspace. The image of your workspace must include the equipment and materials used in your craft. Receipts and/or images of your materials used in the production of your craft are required for approval. You will not receive a license until you have provided this information.

in the production of your craft are required for  
approval. You will not receive a license until you  
have provided this information.

13. If you are unable to provide a copy of your receipt, please provide the reason you are unable to do so

*No answer given*

14. Describe the safety procedures you use in your craft. What, if any, safety equipment do you use? How do you store and handle any toxic or hazardous material?

**I have a fully ventilated garage and an air ventilation system that moves 1800 cfm. There is also a fuel sensing alarm and 2 fire extinguishers available**

🎵 Civet Cat - Windsurfer
