Dear Art Vendor Staff,

Thank you so much for the follow-up regarding my Art Vendor Program application! I'm happy to provide the information you requested:

- Posters: I'm glad to confirm that I personally design and create all the artwork for my posters. All the artwork represents my personal impressions of subjects that interest me, and I come up with each idea myself before creating the drawing or painting. For the printing process, I use the local services at the FedEx Office on 185 Berry Street.
- Craft Categories: I would love to move forward with ink drawings and oil paintings as my two chosen categories.
- Oil Paintings: I typically paint on canvas and Bristol board.

I am currently gathering my supply receipts, a photo of myself at work, and more samples of my finished pieces. I'll be sure to have everything over to you by the June 22nd deadline.

I truly appreciate your help throughout this process!

Warmly,

Leo Mora
