**I am applying for only one craft**

ceramic pendants and ceramic bowls are one craft (Ceramic items)

Please list your one craft item to be screened: **Crochet**

Are you a current art vendor adding an additional craft? **No**

A family unit is two (2) or more persons jointly engaged in the creation of an art or craft item. Is this an application for a Family Unit? **No**

Artist Biography (Please provide a short biography about yourself and your craft):

**Miranda has been crocheting since 2017. She found her love for crocheting when she taught herself how to crochet after seeing plushies on Pinterest. She loves crocheting plushies that can also be keychains and bag charms, to use herself or give away to friends. She is excited to share her creations with more people! When she's not crocheting, you can find her reading, dancing, or baking.**

1. Describe the items you plan to sell and how each type of item is made. Please be as detailed as possible. Example: I plan to sell digital photographic prints of artwork that I designed in Illustrator and printed on cardstock using a home printer.

**I plan to sell crocheted plushies, varying from smaller items that can also be keychains or bag charms, to larger cuddly plushies. I crochet these plushies myself using various types of yarn and stuff with polyfil, sometimes sewing on felt or other accessories.**

2. Where did you learn your craft? Did you take a class or learn on your own?

**I taught myself to crochet by watching YouTube videos and practicing a lot. Over the years, I have refined my technique by crocheting a wide variety of items from plushies to blankets to clothing.**

Please provide up to two (2) images of your craft in process. The images should include you demonstrating your process. See an example here
