I paint different scenes of San Francisco in watercolor and ink, usually on paper up to 12"x16" in size. These painting will be sold either wrapped in cellophane with cardstock backing, or framed. I also create giclee prints of these paintings (printed from a 3rd party vendor), which I then assemble and package myself in similar packing and with a white cardstock mat.

2. Where did you learn your craft? Did you take a class or learn on your own?
