RE: Request for Proposals 100 - Weekly Update #3

Dear RFP 100 Applicants,

The Human Rights Commission (HRC) is committed to providing an update every Friday until a new Notice of Intent to Award is issued for Request for Proposals 100 (RFP 100). This is the third update. Future updates will be shared via email and online. All updates will be available at [HRC's Funding Opportunities page](#).

Evaluation Process Update

This week, we finished a comprehensive review of our internal protocols and procedures that will be used to evaluate proposals. This review will inform how proposals will be evaluated in line with the original RFP specifications and framework.

Our goals for this effort are to:

- Provide clear and consistent guidance for reviewers
- Ensure consistency in how all proposals are evaluated
- Strengthen the objectivity and transparency of the scoring process

Timeline Update

We are tentatively planning to begin the evaluation process to begin the week of August 18, pending recruitment of proposal readers.

Background

On Tuesday July 22, 2025, HRC announced that the [RFP 100 Notice of Intent to Award is rescinded](#), and that HRC will revisit the entire evaluation process of RFP 100.

This decision was not made lightly. It was informed by community feedback and a commitment to strengthening the integrity of our evaluation process.

HRC is not accepting new proposals, and applicants who submitted their proposals by the original

deadline are not required to take any action at this time. All proposals submitted by the original deadline will be reviewed and scored again, according to the revised protocols for review, evaluation, and rating.

Thank you for your continued partnership, dedication, and service to community.

The next update will be shared on Friday, August 15.

Sincerely,

Mawuli Tugbenyoh
Acting Executive Director
