

## Bloodborne Pathogen (BBP) Training Courses\*

BloodBorne Pathogen (BBP) training which meets Cal/OSHA's Bloodborne Pathogens Standard 8 CCR 5193 is required for persons who may be exposed to BBP while performing their routine work functions. This includes, but not limited to: tattoo artists, permanent cosmetics professionals, and body piercers. Additionally, Cal/OSHA and The Safe Body Art Act (AB 300) requires that the training and training material must be specific to performing body art. **BBP training contact time must meet a minimum of 2 hours. Training must be renewed annually.** Records must be kept for a minimum of 3 years. **Should a class be taken that does not meet these requirements, SFDPH will require that another training class be taken following the same requirements.**
