**(4) APPEAL NO. 25-054**

<p>SIMON LITTLE, Appellant(s)</p> <p>vs.</p> <p>ZONING ADMINISTRATOR, Respondent</p>	<p>20 Burnside Avenue.</p> <p>Appealing the ISSUANCE on November 21, 2025, to Simon Little, of a Variance Decision (The proposal is to remove the existing, approximately four foot tall fence and construct a new six foot tall solid fence at the front of the property containing a two-story, single-family building. Planning Code Section 132 requires the subject property to provide a front setback equal to the adjacent property with the shortest front setback. The required front setback at 20 Burnside Avenue is approximately 7 feet 6 inches from the property line on Burnside Avenue. The proposed fence would be within the required front setback and exceed the 3-foot-tall solid fence permitted by Section 136(c)(17). Alternatively, Section 136(c)(16) also permits a 6-foot-tall decorative railing or grille work, other than wire mesh, that is at least 75 percent open to perpendicular view. The proposed fence is fully within the required front setback, is 6 feet tall and is less than 75 percent open to perpendicular view. Therefore, a variance is required at the subject property. The Zoning Administrator denied the front yard variance).</p> <p>CASE NO. 2025-003868VAR. FOR FURTHER CONSIDERATION.</p> <p><b>Note: On January 28, 2026, upon motion by Vice President Saroyan, the Board voted 4-0 to continue this matter to March 4, 2026 to allow time for the appellant to prepare written findings, in consultation with the Zoning Administrator, to support the issuance of a variance. The variance shall take into consideration the promotion of privacy and safety for the children and the impact of the fence on the public. The parties shall consider the height, setback location relative to the property line and the permeability of the fence.</b></p>

**PROCEDURE AT HEARINGS**

Except when the Presiding Officer finds good cause to order the presentations otherwise, the order of presentation of an appeal shall be as follows: (a) the appellant shall speak first and shall be allowed seven minutes to present relevant testimony and evidence. Then the permit holder, representatives of the department, board, commission or person from whose order the appeal is taken, and/or other parties, shall be allowed seven minutes for presentation of relevant testimony and evidence. Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. For rehearing requests and jurisdiction requests, each party shall be allowed three minutes to present testimony and evidence, with no rebuttal.

Other persons desiring to speak before the Board on an appeal may speak once for up to three minutes, unless the presiding officer further limits time uniformly.

Those members of the public who intend to testify about a particular appeal and wish to have the Board give their testimony evidentiary weight for purposes of deciding the appeal are asked to take an oath. Please note that any member of the public may speak without being sworn-in pursuant to their rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code).

**SPECIAL NOTES**

If a meeting's duration extends beyond 9:30 p.m. or for good cause, the Presiding Officer may, in their discretion, recess the meeting and continue any remaining matter(s) to a future date.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who received a disability accommodation to offer remote public comment, are able to observe and offer public comment.

If the Board continues a matter to a specific date that is announced to the parties in the hearing room, no additional mailed notice will be sent. Please call the Board office at (628) 652-1150 for scheduling or other information during regular business hours or visit our website at [www.sfgov.org/boa](http://www.sfgov.org/boa).

The complete Rules of the Board are available for review on our website.

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at [boardofappeals@sfgov.org](mailto:boardofappeals@sfgov.org), no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to [boardofappeals@sfgov.org](mailto:boardofappeals@sfgov.org). Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m. so that everyone has an opportunity to participate in the relevant public hearing when it is called.
