seven minutes to present relevant testimony and evidence. Then the permit holder, representatives of the department, board, commission or person from whose order the appeal is taken, and/or other parties, shall be allowed seven minutes for presentation of relevant testimony and evidence. Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. For rehearing requests and jurisdiction requests, each party shall be allowed three minutes to present testimony and evidence, with no rebuttal.

Other persons desiring to speak before the Board on an appeal may speak once for up to three minutes, unless the presiding officer further limits time uniformly.

Those members of the public who intend to testify about a particular appeal and wish to have the Board give their testimony evidentiary weight for purposes of deciding the appeal are asked to take an oath. Please note that any member of the public may speak without being sworn-in pursuant to their rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code).

SPECIAL NOTES

If a meeting's duration extends beyond 9:30 p.m. or for good cause, the Presiding Officer may, in their discretion, recess the meeting and continue any remaining matter(s) to a future date.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who received a disability accommodation to offer remote public comment, are able to observe and offer public comment.

If the Board continues a matter to a specific date that is announced to the parties in the hearing room, no additional mailed notice will be sent. Please call the Board office at (628) 652-1150 for scheduling or other information during regular business hours or visit our website at www.sfgov.org/boa.

The complete Rules of the Board are available for review on our website.

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at boardofappeals@sfgov.org, no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to boardofappeals@sfgov.org. Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m.

so that everyone has an opportunity to participate in the relevant public hearing when it is called.

Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.
