(5) Special Item

The Bureau of Urban Forestry ("BUF") will give an update on two appeals that were previously heard by the Board of Appeals:

(a) Appeal No. 20-081 at 198 McAllister Street (UC Law) decided on January 13, 2021 (the Board denied the appeal and upheld the order on the basis that it was properly issued), and

(b) Appeal No. 22-079 at 401 Parnassus Avenue (UCSF) decided on February 8, 2023 (the Board granted the appeal and issued the order on the condition it be revised to require the adoption of the Tree Replacement Plan, dated February 2, 2023, that was submitted for the hearing. The motion was made based on UCSF's commitment to plant trees for the City. The Board further requested that BUF report back to the Board annually about the progress of the planting until the completion of the project).

Note: Updates on these two cases were provided to the Board at the May 7, 2025 hearing. At that hearing, President Trasviña stated that he thought it was important to further agendize these matters. For the future meeting, he asked BUF for a written report and stated that if BUF indicated that other city agencies were responsible for implementation, that those agencies be present at the hearing. He stated that UCSF should be invited to provide a report 15 days prior to the hearing. Commissioner Swig stated that he wanted to supplement President Trasviña's request with the requirement that BUF address the issues raised by Joshua Klipp.

PROCEDURE AT HEARINGS

Except when the Presiding Officer finds good cause to order the presentations otherwise, the order of presentation of an appeal shall be as follows: (a) the appellant shall speak first and shall be allowed seven minutes to present relevant testimony and evidence. Then the permit holder, representatives of the department, board, commission or person from whose order the appeal is taken, and/or other parties, shall be allowed seven minutes for presentation of relevant testimony and evidence. Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. For rehearing requests and jurisdiction requests, each party shall be allowed three minutes to present testimony and evidence, with no rebuttal.

Other persons desiring to speak before the Board on an appeal may speak once for up to three minutes, unless the presiding officer further limits time uniformly.

Those members of the public who intend to testify about a particular appeal and wish to have the Board give their testimony evidentiary weight for purposes of deciding the appeal are asked to take an oath. Please note that any member of the public may speak without being sworn-in pursuant to their rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code).

SPECIAL NOTES

If a meeting's duration extends beyond 9:30 p.m. or for good cause, the Presiding Officer may, in their discretion, recess the meeting and continue any remaining matter(s) to a future date.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at boardofappeals@sfgov.org, no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to boardofappeals@sfgov.org. Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m. so that everyone has an opportunity to participate in the relevant public hearing when it is called.
