Appealing the ISSUANCE on April 7, 2026, to Allie Chen, of a Notice of Violation & Penalty Decision (The three-story building at the subject property is currently authorized for a two-family dwelling use with garage and a sleeping room on the ground floor, one dwelling unit on the second floor, and second dwelling unit on the third floor. The Zoning Administrator issued a Notice of Violation for the following Planning Code Violations: (1) work without a permit (Section 175), and (2) Unauthorized Dwelling Unit (UDU) (Section 317); the violations pertain to the conversion of the sleeping room behind the garage on the ground floor into a UDU with an independent and direct access and its own kitchen amenities and full bathroom without benefit of a building permit and authorization from the Planning Department). RECORD NO. 2021-011425ENF. FOR HEARING TODAY. Note: On May 27, 2026, this matter was rescheduled, at the initiation of the Board office and with the agreement of the parties, from June 10, 2026 to June 17, 2026 because it was the only case on the June 10, 2026 calendar. (6) APPEAL NO. 26-029

MICHAEL TURON, Appellant(s) vs. ZONING ADMINISTRATOR, Respondent	2722-2724 Folsom Street. Appealing the ISSUANCE on May 28, 2026, to Michael Turon, of a Letter of Determination (The Zoning Administrator determined that: (1) the City may lawfully include a State-law Accessory Dwelling Unit (ADU)--(required by Gov. Code Sections 66310-66342 to be processed ministerially) inside a discretionary Conditional Use Authorization (CUA), and (2) the City may condition issuance of any ADU permit on recording a Notice of Special Restrictions (NSR) that the ADU is subject to rent-increase caps in Rent Ordinance Section 37.3. Regarding the applicant's question about whether cancelled Building Permit No. 2025/0106/7778 must be reinstated to, <i>inter alia</i>, document the approved removal by merger, the Zoning Administrator stated that the question was better directed to DBI, however, the Zoning Administrator noted that Section 4.4 of the Settlement (between the applicant and City) required the applicant to revise Building Permit Application No. 2018/0706/3908 to document removal of the Unauthorized Dwelling Unit. Regarding the applicant's request to modify conditions on the NSR, the Zoning Administrator stated that the Planning Code does not authorize the Zoning Administrator to alter the language of the conditions to be included in the NSR required by Planning Commission Motion No. 21747.). RECORD NO. 2025-006337ZAD. FOR HEARING TODAY.

PROCEDURE AT HEARINGS

Except when the Presiding Officer finds good cause to order the presentations otherwise, the order of presentation of an appeal shall be as follows: (a) the appellant shall speak first and shall be allowed seven minutes to present relevant testimony and evidence. Then the permit holder, representatives of the department, board, commission or person from whose order the appeal is taken, and/or other parties, shall be allowed seven minutes for presentation of relevant testimony and evidence. Three minutes for rebuttal shall be provided to all parties in this same order; (b) the Board may request a departmental response at its own discretion. For rehearing requests and jurisdiction requests, each party shall be allowed three minutes to present testimony and evidence, with no rebuttal.

Other persons desiring to speak before the Board on an appeal may speak once for up to three minutes, unless the presiding officer further limits time uniformly.

Those members of the public who intend to testify about a particular appeal and wish to have the Board give their testimony evidentiary weight for purposes of deciding the appeal are asked to take an oath. Please note that any member of the public may speak without being sworn-in pursuant to their rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code).

SPECIAL NOTES

If a meeting's duration extends beyond 9:30 p.m. or for good cause, the Presiding Officer may, in their discretion, recess the meeting and continue any remaining matter(s) to a future date.

It is possible that the Board may experience technical challenges that interfere with the ability of members of the public to participate in the meeting remotely. If that happens, the Board will attempt to correct the problem but may continue with the hearing as long as the parties to an appeal are able to participate in the meeting, and members of the public attending in-person, as well as anyone who received a disability accommodation to offer remote public comment, are able to observe and offer public comment.

If the Board continues a matter to a specific date that is announced to the parties in the hearing room, no additional mailed notice will be sent. Please call the Board office at (628) 652-1150 for scheduling or other information during regular business hours or visit our website at www.sfgov.org/boa.

The complete Rules of the Board are available for review on our website.

Material submitted by the public for Board review prior to a scheduled hearing before the Board, should be addressed to the Board President, and be received at boardofappeals@sfgov.org, no later than 4:30 p.m. one Thursday prior to the scheduled public hearing. Persons unable to attend the scheduled public hearing may submit written comments regarding a calendared item to boardofappeals@sfgov.org. Comments received before noon on the day of the hearing will be made a part of the official record and will be brought to the attention of the Board at the public hearing. Please note that names and addresses included in these submittals will become part of the public record. Submittals may be made anonymously.

Pursuant to Government Code § 65009, if you challenge, in court, the approval of a variance or development permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Appeals at, or prior to, the public hearing.

Calendared items are sometimes withdrawn or rescheduled the day of hearing or are taken out of order to accommodate special needs. The Board urges all parties to be present at the hearing from 5:00 p.m. so that everyone has an opportunity to participate in the relevant public hearing when it is called.

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.
