Dear President Clay and Honorable Commissioners:

Our coalition from the Tenderloin, Lower Polk, and Lower Nob Hill- representing nine community based groups as well as Local 2- is pleased to submit this letter of support for the "Commissioner Requested Analysis Map" presented at your July 16, 2025 meeting. We also want to thank the Commissioners for their comments in support of the map and on behalf of our community during this meeting.

This map is responsive to the needs and concerns our broad coalition has been articulating to your Commission and the Department for more than a year. We look forward to continuing to advocate for this revised map as the process moves toward a final vote, and we thank you for your continued recognition of how revised boundaries can profoundly impact the Tenderloin and adjacent communities.

Sincerely,

cc:

Mayor Daniel Lurie
Paul Yep, Chief of Police
Supervisor Danny Sauter, District 3
Supervisor Bilal Mahmood, District 5
Supervisor Matt Dorsey, District 6
