 - c. SB 707 Brown Act revisions
Staff share that all public bodies including the SDDTAC meetings are required to be held in person due to the revisions to the Senate Bill 707 Brown Act.
- 6. Brown Act Subsidiary Bodies Teleconference Requirements**
Staff share process and process and timeline of the Brown Act requirements for subsidiary bodies to meet virtually. According to the Brown Act, the following is defined for members who aren’t able to join the meetings in person: “The Act defines “just cause” narrowly: (1) childcare

or family-care needs; (2) specific health or medical needs (contagious disease, immunocompromised family member, physical or family medical emergency, or a physical/mental condition not subject to disability accommodation); (3) military service obligations; and (4) travel while on official business of the policy body or another state or local agency. The City Attorney's memorandum further notes that "routine personal or business travel does not qualify." Attending school—whether locally or out of state, including Yale—is personal, planned, and voluntary." Members discuss SB 707 Brown Act revisions and the request to the SDDTAC for the data and evidence subcommittee to meet virtually.

Jamey motions to move discussions forward and request to the SDDTAC for the data & evidence subcommittee to meet virtually and add to August SDDTAC meeting agenda. Tiffany seconds. 3 votes, motion passes.

7. 2026 SDDT Data Brief, DPH Center for Data Science

DPH Center for Data Science staff present 2026 SDDT data brief data. Data on sugary drink sales, adult/youth sugary drink consumption, youth water consumption, food insecurity by neighborhoods, oral health, morbidity, and life expectancy was presented.

Members suggest for the 2026 data brief:

- Highlight the top 5 food insecure neighborhoods
- On the food insecurity map, label Chinatown and Treasure Island.
- Explore potentially noting when big events happen in SF on the ounces of SSB sold per quarter chart to explain spikes in sales.
- Note in the Life Expectancy chart that NHOPI is not included
- Potentially add youth dental data if available.

8. Data Point Sharing – No data points to share
