Hi

How are you ?

Please see some photos .

White car . Seen numerous times parked on Alice b Toklas . Persons in and around car smoking drugs .

Behind Monarch .

Large encampment on Geary and Polk.

Other addicts at numerous locations on block and neighboring blocks .

Why are persons still being allowed to take illegal drugs in cars here ?

Car reported numerous times in past to police dept .

Same block continues to be a gathering spot for drug dens for years .

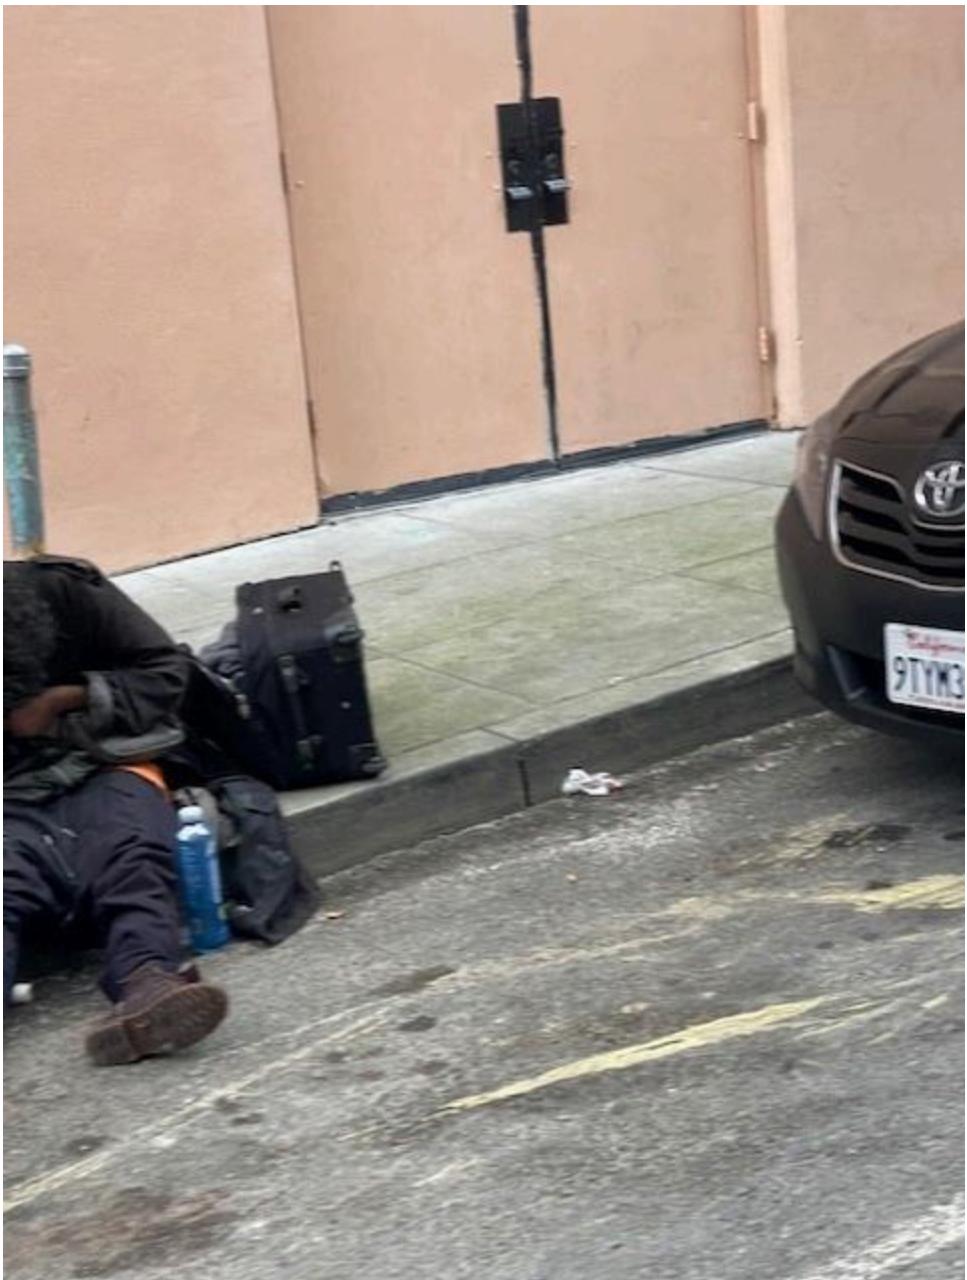

Unsafe and unfair .

Please assist .

If city can use surveillance cameras for traffic enforcement and speed violations , then why cannot the city also install surveillance cameras here for monitoring known drug activity location where serious crimes are happening for years?

Thank you, K Miller
