PLANNING APPROVAL LETTER

Date: 10/6/2026
Planning Record No. 2026-008383MIS
Project Address: 3845 Mission St - The St Mary's Pub
Zoning: NC-2 (NEIGHBORHOOD COMMERCIAL, SMALL SCALE) Zoning District
40-X Height and Bulk District
Block/Lot: 5746 / 018A

Project Sponsor: Maria Davis

Staff Contact: edgar oropeza

Project Description

The project proposes approval to add a new Nighttime Entertainment use to the existing bar use at 3845 Mission Street, DBA The St. Mary's Pub. This approval establishes a Nighttime Entertainment use as defined in Section 102 of the Planning Code. This category includes dance halls, discotheques, nightclubs, private clubs, and other evening-oriented entertainment activities that require Dance Hall Keeper or Place of Entertainment permits under Police Code Section 1060. It may also encompass restaurants and bars that provide such activities, as well as nonprofit theaters with an ABC Type 64 license and music entertainment facilities with an ABC Type 90 license. Nighttime Entertainment uses do not include Arts Activities, theaters that do not serve alcohol during performances, or temporary uses permitted under Sections 205–205.5.

The subject property is located within the NC-2 district, where this use is allowed as of right and is not subject to public notice under Section 311 of the Planning Code. Please note that Nighttime Entertainment uses are subject to the Entertainment Commission's Good Neighbor Policy.

This is a Planning approval under the Planning Code only. It is the applicant's responsibility to consult with the Department of Building Inspection to determine whether this proposal constitutes an occupancy change or triggers any additional egress or life-safety requirements. If so, the applicant will be required to file a Building Permit to address the applicable occupancy standards.

Project Approval

The Department has determined that the project complies with the objective standards of the Planning Code and has concluded its design review of the project. On October 6, 2026, the Project was determined to be

exempt from the California Environmental Quality Act, ("CEQA") as a Class 1 under CEQA Guidelines Section 15301, as described in the determination associated with 2026-008383MIS.

Approval Action for Purposes of CEQA Appeal Timelines Issuance of this Planning Approval Letter constitutes the approval action and is considered the Entitlement of Use, for the project for purposes of CEQA, pursuant to San Francisco Administrative Code section 31.04 (h).

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

Typically, an appeal must be filed within 30 calendar days of the approval action identified above for purposes of CEQA appeal timelines for a project that has received an exemption (including a general plan evaluation) or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call 415.554.5184. If the Department has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on the [San Francisco Property Information Map website](#) under the project's record number. Under CEQA, only issues that have previously been raised at a project hearing (including an appeal hearing) or in written correspondence to a City board, commission or department may be brought up by a litigant in a later court challenge.

Priority Policies and General Plan Findings

Planning Code Section 101.1(b) establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project complies with said policies and relevant findings within the General Plan.

Maria, Officer George has removed the wandering requirement but is keeping the bag checks as part of the security door policies on nights with entertainment. I'll include this piece in my staff recommendation.

Hello Kaitlyn,
I was reviewing St. Mary's Bar and did locate an aggravated assault earlier this year and a

robbery with a knife at the end of 2024, so I think we can bypass the wand as long as there are no new incidents after starting karaoke nights.

Thanks

Hello!

I apologise for the late reply. Thanks for looping me in Kaitlyn. Officer George, I will comply with any of the recommendations that you make. However, I will note that I have owned St. Marys Pub for over 15 years, and have had the less expansive Limited Live Permit for the last 7, and in all of that time not once has someone brought in a weapon (to the bar's knowledge). I am wondering if the wand is a bit heavy handed, and I am concerned it will create unnecessary stress and tension for the customers. What are your thoughts?
