General Information

- A permit to install electrical work in or about a single-family dwelling may be issued by the Building Official to a homeowner, provided the work will be performed by the homeowner.
- If electrical work installed under a homeowner's permit does not comply with code, deficiencies shall be corrected by a State licensed electrical contractor under a separate permit.
- All electrical wiring shall remain exposed until approved for cover by the electrical inspector.
- Appointments may be scheduled M – F between 7:30 AM and 3:00 PM. (628) 652-3400. Inspections are made between 8:30 AM and 3:00 PM Monday through Friday.

**Note: We accept payments from owner or affiliated agent(s) shown on DBI record.
3rd parties must provide an authorization letter and legal Photo ID.**

**PLEASE REVIEW PERMIT FOR ACCURACY. OMISSIONS AND CORRECTIONS REQUIRE A NEW PERMIT.
REFER TO THE FEE SCHEDULE FOR FEE DESCRIPTION AND NUMBER OF INSPECTIONS INCLUDED.
For Solar Systems over 4KW, please use Electrical Solar Permit Worksheet and submit to DBI.PVPLANS@sfgov.org**

**I declare that I will not hire a contractor to perform the electrical work authorized under this permit,
San Francisco Electrical Code, Section 89.120 E**
