San Francisco Department of Elections: Language Accessibility Advisory Committee (LAAC) Interest Form

The Language Accessibility Advisory Committee (LAAC) recommends ways to improve access to voting and election materials for limited English proficient (LEP) communities and enhance outreach to non-English speaking populations. The committee also provides input on language services and helps develop targeted marketing materials to boost education and engagement.

To join, complete the interest form and return it to the Department of Elections. Your responses will be used for contact purposes only. A Community Engagement Team member will reach out with more information.
