Subject: Procedural Violations, Mishandling of Confidential Information, Defamation, and Administrative Negligence

Prepared by: Co-Chair Liza Murawski/October 2025- Introduction & Purpose:

Members of the Commission,

I am presenting today a comprehensive account of events beginning with a letter dated July 11, 2024, addressed to Dr. Kunins and her staff. This letter contained false accusations, misrepresentations, and defamatory statements. It was mishandled, improperly escalated, and ultimately placed on public record without appropriate review, resulting in emotional, reputational, and financial harm. This timeline is lengthy however it is needed to demonstrate the unnecessary and humiliating duration of this issue.

Commissioner Alex Humphreys has violated the following Behavioral Health Commission ByLaws: **Article 0- #2, Article 11, #3 a,b,c,d,e,f, as well as Article 13, Code of Conduct.**
