The Art Vendor Advisory Committee will only screen two crafts per meeting. If you want to screen for additional crafts, you will need to complete a new application after you have been approved for two. How many crafts are you applying for? Example: Beaded jewelry and watercolor paintings on canvas are two crafts; ceramic pendants and ceramic bowls are one craft (Ceramic items)

Please list your one craft item to be screened:

I am applying for only one craft

Acrylic on Masonite

Are you a current art vendor adding an additional craft?

No

A family unit is two (2) or more persons jointly engaged in the creation of an art or craft item. Is this an application for a Family Unit?

No

Artist Biography (Please provide a short biography about yourself and your craft):

I am an acrylic fantasy and surrealism artist from the Bay Area. Some of my first memories were falling deeply in love with the process of creating art. I spent my childhood developing my skills in different mediums and figuring out what I wanted to present in my art. I am a self taught artist with minimal formal education in art. My primary focus in my work is the relationship between color and values. My aim is to transport the viewer into a magical and sometimes spooky world of imagination.

1. Describe the items you plan to sell and how each type of item is made. Please be as detailed as possible. Example: I plan to sell digital photographic prints of artwork that I designed in Illustrator and printed on cardstock using a home printer.

I plan to sell my original acrylic paintings on Masonite

2. Where did you learn your craft? Did you take a class or learn on your own?

I took some classes when I was very young but I primarily learned on my own

Please provide up to two (2) images of your craft in process. The images should include you demonstrating your process. See an example here
