Good morning Mika, Civil Service Commissioners, and CSC staff,

In anticipation of the CSC meeting on Monday May 18 regarding PSC 6234, we are submitting 80 written statements from our members in CPC and DBI who are impacted by the selection of OpenGov. Due to their justified concerns of direct and indirect retaliation at the hands of Department leadership for speaking out against OpenGov, our members requested to provide their written testimony to the Civil Service Commission anonymously. All statements collected by Local 21 have been verified, and their individual responses have been de-identified.

Local 21 requests written confirmation that the Civil Service Commissioners will receive the written statements from our members in advance of the May 18th CSC meeting.

If you have any questions, please let me know. We appreciate your time and attention on our member's concerns, and we look forward to addressing the Civil Service Commission during Monday's meeting.

Sincerely,

Emily Wallace (she/her)

Hi Mika, Civil Service Commissioners, and CSC Staff –

Local 21 appreciated the opportunity to address the Commission last week about our objection to PSC 6234. Attached, you'll find a digital copy of the information that Local 21 provided during your May 4th meeting. This packet details our concerns about how the Mayor's Office awarded a multi-million dollar contract to OpenGov and outsourced our bargaining unit's work without submitting a PSC to the Civil Service Commission for review.

Please let this email serve as Local 21's request to address the Civil Service Commission on PSC 6234 during your meeting on May 18th, so that we can share additional information in support of our objection. If you have any questions about Local 21's objection to PSC 6234 and/or our objection to the initial OpenGov PSC that the Mayor's Office rescinded last year (PSC 5585), please feel free to contact me any time at 415-914-7343 or by email at ewallace@ifpte21.org.

We appreciate your time and attention on this issue, and we look forward to addressing the Civil Service Commission during your upcoming meeting on May 18th.

Kindly respond to confirm receipt.

Sincerely,

Emily Wallace (she/her)
