* Please note that public comment will be held after every agenda item. If a member of the public would like to comment on a topic that is *not* on the agenda, they may do so during general public comment at the start of the meeting. Please see the *Notes* section of this document for additional information about public comment.

** Times provided for agenda items are estimates

Order of Business:

1. Call to Order / Roll Call [discussion and action] Meeting called to order: 1:32pm
SDDTAC Members Present: Alesandra Lozano, Michelle Kim, Linda Barnard, Melinda Burrus
2. Approval of August Meeting Minutes [discussion and action]
Melinda motions to approve minutes. Alesandra seconds. 3 votes, minutes are approved.
3. Approval of Agenda [discussion and action]
Michelle shares that the agenda that is shared on screen is different from what is posted on the SDDTAC website, agenda items 6 and 7 are switched.
Michelle motions follow [agenda on SDDTAC website](#) to switch agenda items 6 and 7 and approve agenda. Linda seconds. 4 votes, agenda is approved.
4. General Public Comment - No Public Comment
5. House Keeping [discussion and possible action]
 - a. Reschedule October 13th Infrastructure Meeting
Michelle motions to reschedule the Infrastructure subcommittee to October 6, 2025 at 1:30 – 3:00pm. Alesandra seconds. 4 votes, motion passes.
 - b. REMINDER: Prop E Recommendations & [Hearing \(October 15, 2025\)](#) – sent calendar invite and ways to provide public comment, shared talking points and to encourage key stakeholders to also submit letters of support. [Commission Streamlining Task Force | SF.gov](#)

- c. Department on the Status of Women – [Gender Analysis of Commissions and Boards Survey](#) – please complete survey if you haven't already
- d. SDDT Evaluation Report Progress Update – CDS/HEAL team working on the analysis of the participant survey level data and SDDT funded program data, awaiting HSA data by the end of the month; Chris, epidemiologist last day was on 9/3/2025 and we are without an epidemiologist at this time.
- e. SDDT Data Report 2024 Revision – Discovered an error in the 2024 SDDT Data Brief – Hospitalizations due to type 2 diabetes among adults instead of by race/ethnicity 2018 – 2022. The overall trends and conclusions in the report do not change. [Revised 2024 SDDT Data Brief](#) is posted on the SDDTAC website.
- g. SDDTAC Co-Chairs/DPH Leadership Meeting - Accelerated SDDTAC budget recommendations timeline: to submit recommendations before the end of the calendar year. Meet with Dan/Susan to walk through
6. Debrief of In Advance Presentation at SDDTAC Meeting [discussion and possible action]

Members debriefed presentation from Lolis Ramirez from In-Advance and also have heard from other groups to also start the budget recommendations process earlier and what are the next steps for us?

Member shared uncertainty of how SDDTAC will go with the increase in tax or dedicated tax, but general consensus to at least try to sustain the SDDTAC, unclear of how/who will take the steps to do the work to finding a Board of Supervisor champion for the SDDTAC renewal.
7. Review of SDDTAC Strategic Plan Refresh [discussion and possible action]

Each subcommittee should begin focusing on what they can focus on in the strategic plan refresh for the next 5 years. Chair shares the key themes of the SWOT analysis: sustainability and longevity of impact, data-driven communication and education and strategic partnerships and community power. Strategic Goal 1: Sustain and Extend the Impact of the SDDTAC beyond 2028 would be led by the infrastructure subcommittee by developing and implementing a sustainability plan to extend the SDDTAC beyond its 2028 sunset date.

Members discuss metrics for the subcommittee of strategic goal 1 activities, timeline and identify who is responsible for the tasks. Members add activities and discuss the proposal of refining a one pager document on impact and value.
8. Discuss Possible Agenda Items for Next Meeting [discussion and possible action]
 - Identifying budget domains for SDDT budget recommendations
 - Strategic plan refresh metrics
9. Announcements - No Announcements

Notes

PUBLIC COMMENT

General Public Comment: At this time, members of the public may address the SDDTAC Advisory Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee but do not appear on the agenda.

With respect to agenda items, the public will be given an opportunity to address the Committee when the item is reached in the meeting. Each member of the public may address the Committee for up to three minutes.

The Brown Act forbids a Committee from taking action or discussing any item not appearing on the posted agenda, including those items raised at Public Comment. In response to public comment on an item that is not on the agenda, the Committee is limited to:

- Briefly responding to statements made or questions posed by members of the public, or
- Requesting staff to report back on a matter at a subsequent meeting, or
- Directing staff to place the item on a future agenda. (Government Code Section 54954.2(a).) 10.

Each action item will hold public comment before a vote is made.

Explanatory documents are available at the 25 Van Ness Ave, Suite 500 during regular business hours. If any materials related to an item on this agenda have been distributed to the SDDTAC after distribution of the agenda packet, those materials are available for public inspection at the address above during normal business hours.

RINGING AND THE USE OF CELLPHONES

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.

COMMUNITY-BASED (CB) GRANTS

Health Education, Food Security, Physical Activity

DPH should contract directly with CBOs through an RFP process managed through the Community Health Equity and Promotion (CHEP) Branch of the Department of Public Health. CBG should support community-based programs and services that address the health inequities of those most targeted by the beverage industry. Funding should go to Community Based Organizations (CBOs) and Faith Based Organizations (FBOs) for the following strategies:

- Health Education activities including, chronic disease prevention, healthy eating and active living, tap water promotion, oral/dental health
- Physical Activity opportunities, including a) Dance and movement, sports, yoga, walking groups, biking, etc.; b) Changes to the built environment (i.e. sidewalks, streets, parks, buildings, etc.) or safety of the built environment that facilitates increased physical activity and active transportation)
- Food Security, including a) Community-based pantries, community-based hot meals, community kitchens and community home delivery services; b) Increased financial resources (i.e. wages, income, government nutrition supplements, vouchers, etc.); c) Changes to the built environment that facilitate food security; d) Pursuit of institutional or local policies that facilitate food security; and e) Food Access, including community-based food systems, approaches, community-based pantries, community-based hot meals, community kitchens and community home delivery services,

etc.

- D. Water Promotion, such as support for Spa Water Supplies, station maintenance and beautification, refillable water bottles to distribute to communities, water testing
- E. Community Based Participatory Research

Community Based Organizations (CBO) working with SFUSD

Recommend 3% of all CBO funding should go towards CBOs implementing programs/ or initiatives that take place in school settings. Funding to issue grants to CBOs should follow the guidelines above. To support disbursement of funds, the funds should be directed to SFDPH-CHEP which works with SFUSD to fund CBOs that work with SFUSD.

FOOD ACCESS

Healthy Food Purchasing Supplement - Support programs that increase financial resources to purchase healthy food such as vouchers and food purchasing incentives. These funds should be distributed through a Request for Proposal (RFP) process. Funding should support programs and services that increase financial resources to purchase healthy food; access to healthy fruits and vegetables while minimizing processed foods for high-risk communities; foods that are affordable and convenient; and programs that support the consumption of healthy foods including the ability to prepare and store meals and the knowledge of basic nutrition, food safety and cooking. Priority programs should incorporate a community-based food security perspective and have demonstrated increased ability of food insecure residents to purchase, access, and consume consumption of healthy, fresh, low-to-no cost and culturally appropriate foods, including but not limited to food vouchers/ incentives, transportation and delivery and prepared foods.

Healthy Retail SF – Supporting small business to increase healthy food access in high risk, impacted communities and neighborhoods by:

- A. Supporting business operations
- B. Promoting community engagement
- C. Improving the retail environment

Food Transportation for Food Distribution Centers – Support programs that provide access to healthy, culturally-sensitive food (groceries and/or meals) with transportation costs of getting food to their centers and delivery of food (groceries and/or meals) to their clients. Funded organizations will work with local food producers to source their distributions and prioritize food delivery for those with mobility difficulties. Transportation costs can include vehicle purchases, fuel costs, and/or payments to organizations that specialize in food transportation services.

PHYSICAL ACTIVITY & WELLNESS

Peace Parks - To support staffing and supplies, including healthy food, for Peace Parks programs in target populations.

SVIP - Transportation for Peace Parks participants

REQUITY - Outreach, scholarships, recreation equity - Requity offers free dynamic, engaging, and culturally

relevant recreation programming to youth under 18 living in shelters, foster care, public housing, or in housing developments. Through a combination of onsite and hyper-local programs, coupled with extensive outreach. Requity increases access to and participation in RPD's existing programs and scholarships by educating and informing families on what RPD can offer them.

SAN FRANCISCO UNIFIED SCHOOL DISTRICT (SFUSD)

School food, nutrition education - To improve the quality and appeal of school meals and support nutrition education to increase participation in school meal programs (for example: cooking and serving equipment, staff professional development, and innovative procurement and menu strategies to increase freshly prepared food). Funding will target schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry.

Student Led Action - Support student led efforts to decrease consumption of sugary drinks and increase awareness of sugary drinks consumption among students, with focus on schools with the largest populations of high-risk students that are disproportionately targeted by the sugary drinks industry. SFUSD should provide to SDDTAC a proposal of how funding will be spent through student led action. Funding to also support adequate staffing for implementation.

ORAL HEALTH

Community Oral Health Task Forces - Support development of community infrastructure such as oral health community task forces that incorporate diverse stakeholders for outreach, education, and interventions to address the oral health needs of children in high-risk populations.

School-based Sealant Application – Support school-based preventative oral health programming placing dental sealants and fluoride varnish within SFUSD schools serving high risk target populations.

School-based Education and Case Management (Early Childhood Education/Nutrition Settings) - Following an RFP process, support Early Care and Education (ECE) providers and Head Start programs serving high risk target populations in providing on-site oral health education, toothbrushing, oral health screenings, community-dental clinic linkages and case management for children experiencing early childhood caries.

INFRASTRUCTURE

Marketing, Promotion, Outreach

Funds to DPH/CBOs/media firms to support media and communications that may include:

- a. grassroots, community-driven awareness campaigns about the intent of the SDDT and the impact of the allocated funds
