# What is Coordinated Entry?

Coordinated Entry (CE) is a *process* that **connects** people experiencing homelessness or at imminent risk of homelessness, with the resources needed in order to resolve their housing crisis.

Part of this process includes:

A standardized **housing assessment** to **prioritize** people experiencing homelessness and **refer** them to housing resources available in the San Francisco homelessness response system.

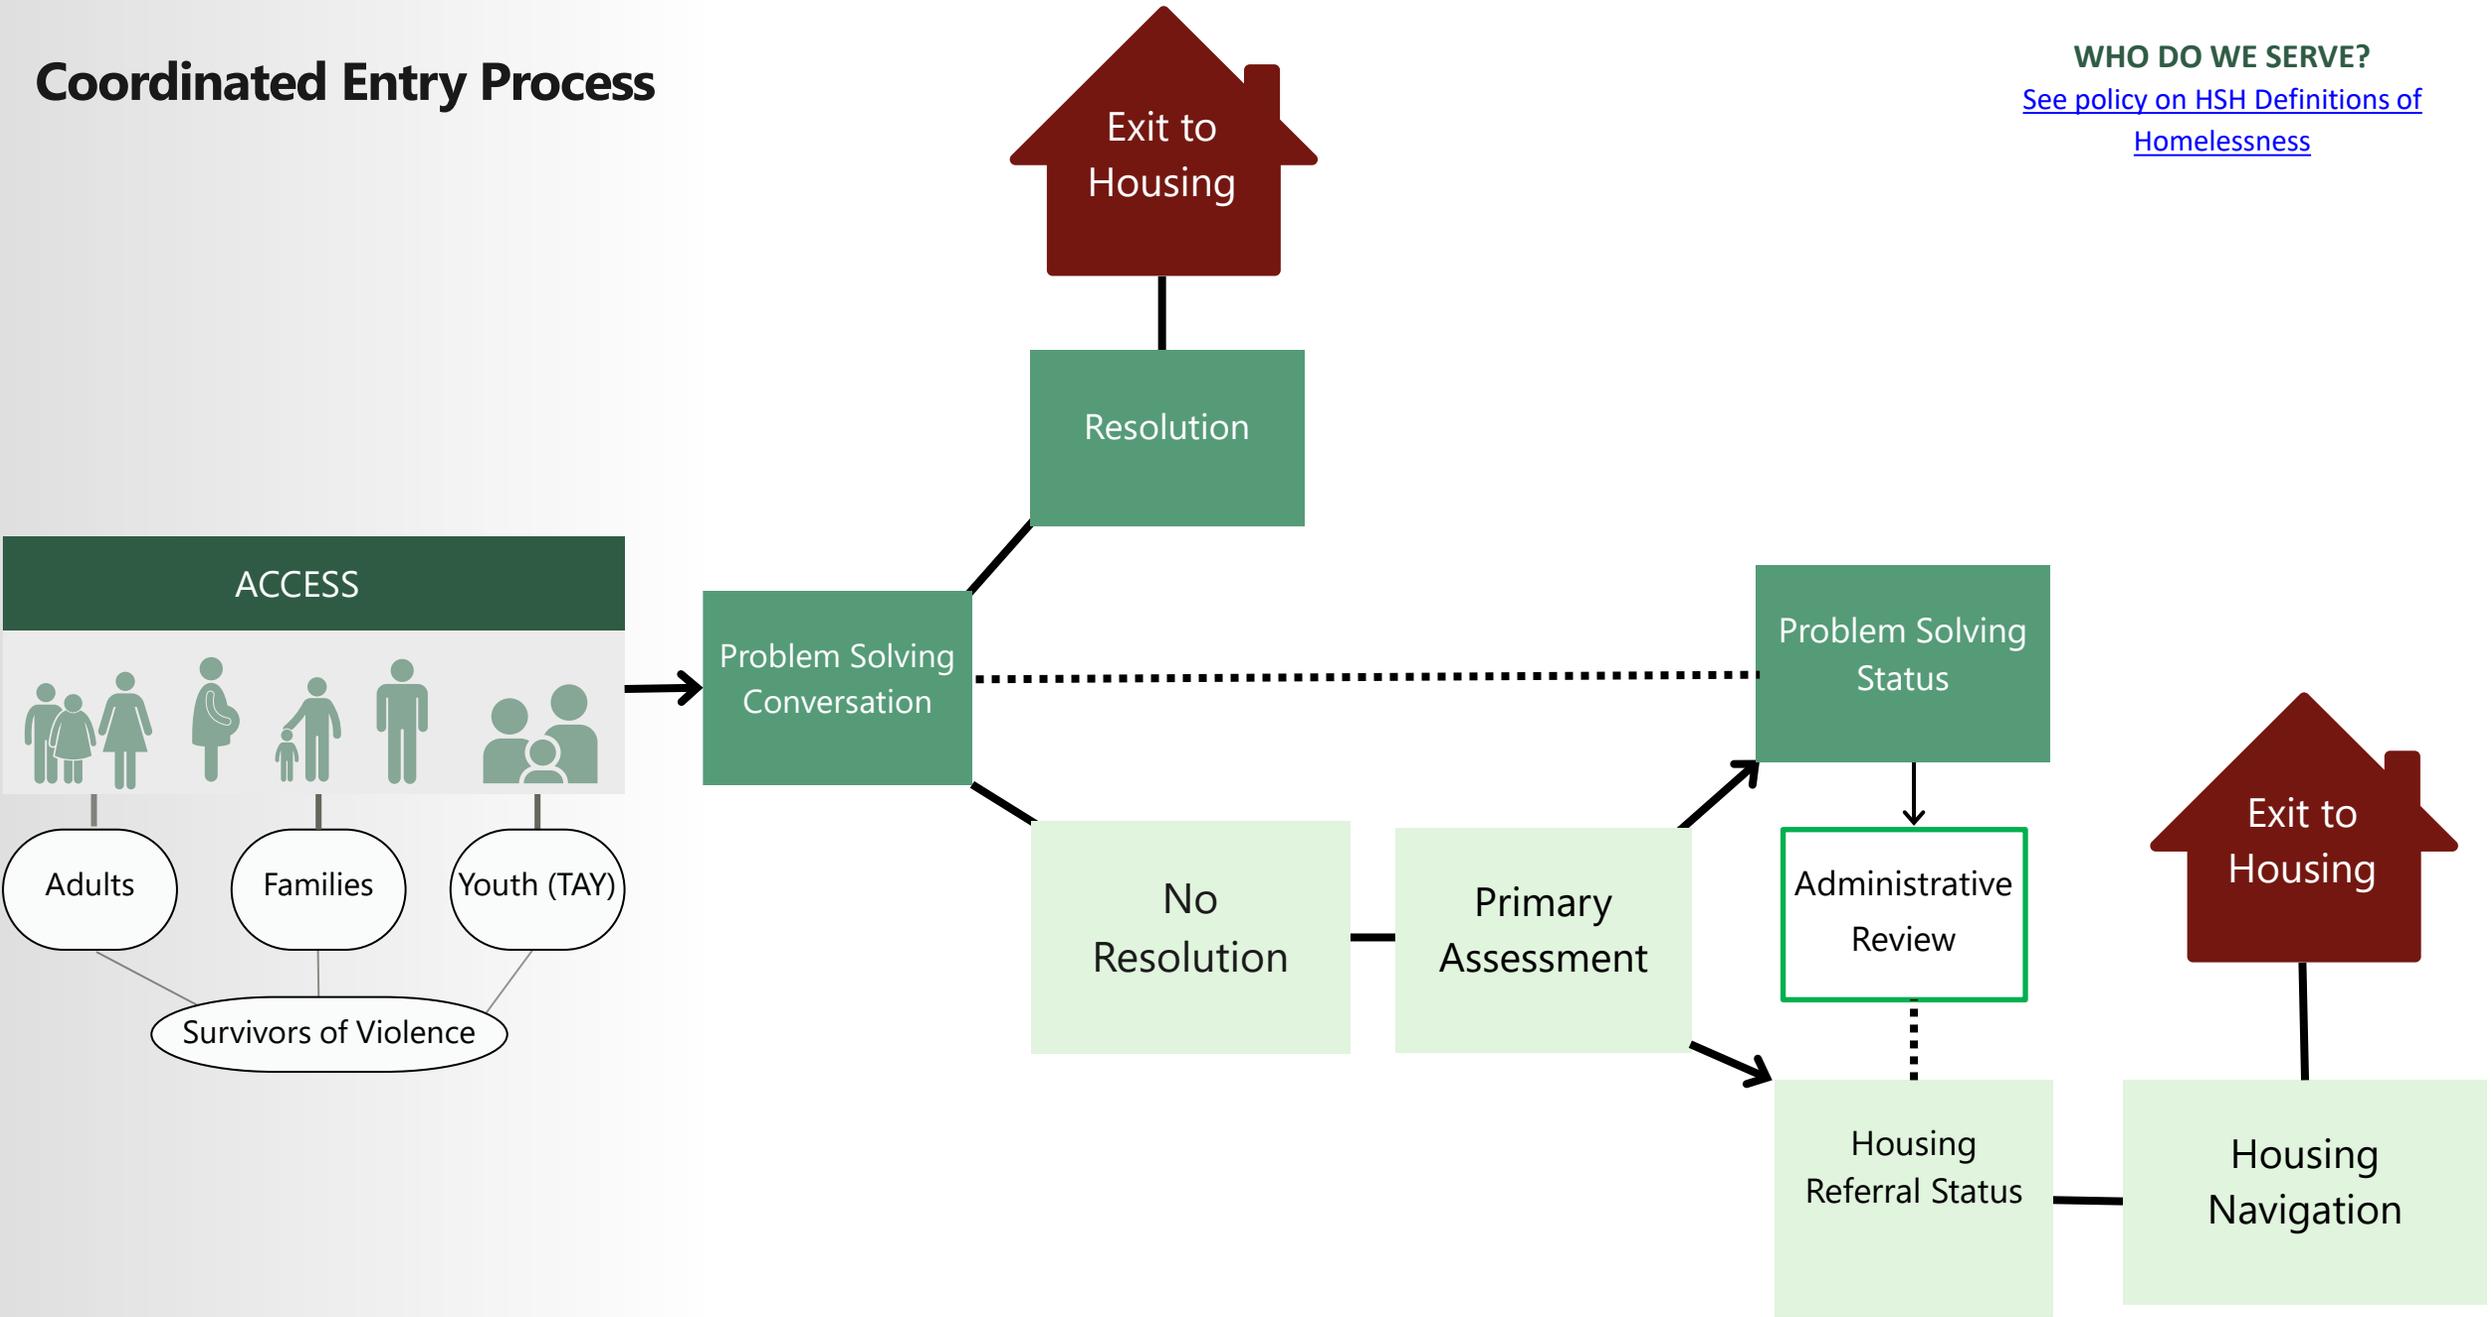

[24 CFR 578.7\(a\)\(8\)](#) require that CoCs establish a Centralized or Coordinated Assessment System for receiving CoC Program and Emergency Solutions Grants (ESG) funding - (HUD requirement).

[All projects funded by CoC, ESG, and/or other HSH funding sources are required to participate in Coordinated Entry.](#)

# Coordinated Entry Access Partners

- **Access Partners** are other public entities that frequently serve people who are unhoused in SF but do have HSH contracts with Coordinated Entry (examples: Department of Public Health, SF Homeless Outreach Team.)
- Staff at these organizations can conduct **Housing Primary Assessments**.

## Multidisciplinary Team (MDT)

Coordination between Human Services Agency, HSH, and other external partners (example: Bay Area Legal Aid, Housing and Disability Advocacy Program.)

Goal to ensure **Adults of temporary shelters** have:

- Met with a Coordinated Entry Access Point for Problem Solving, Assessment, and Prioritization.
- Applied for all potential public benefits such as Supplemental Security Income (SSI), CAAP (cash aid), CalFresh, and Medi-Cal.

# PROBLEM SOLVING & PREVENTION

**Problem Solving interventions** offered at Access Points. Problem Solving Specialists will engage in exploratory conversations to help identify safe housing options without the need for ongoing or permanent support.

- Housing location assistance
- Travel and relocation support
- One-time, short-term financial assistance (i.e. security deposit, move-in costs)
- Connection to employment (Pilot with Office of Economic & Workforce Development (OWED))

**Prevention through [SF ERAP](#)** - San Francisco Emergency Rental Assistance Program provides financial assistance for move-in costs (security deposit, first/last month's rent) and rent owed for households who meet the following:

- Current San Francisco resident
- Household income at/below 50% Area Median Income (AMI)
- At high risk of homelessness or housing loss

# Housing Primary Assessment

- If the household is not initially able to resolve their housing crisis through Problem Solving, the next intervention is a Housing Primary Assessment.
- The Housing Primary Assessment is an interview tool used to assess three main criteria:
  - **Vulnerability:** experience of trauma and violence, physical and behavioral health, and use of crisis services, among other factors.
  - **Barriers to housing:** includes legal issues, income, and overall resources available.
  - **Chronicity of homelessness:** duration and frequency of homelessness

# Prioritization

- Since housing in San Francisco's Homeless Response System (HRS) is **limited**, Coordinated Entry prioritizes those with the highest needs to available housing. HSH estimates what proportion of households will be Housing Referral Status or Problem Solving Status:
- **Housing Referral Status:** people experiencing homelessness who are prioritized for housing based on their health ***vulnerability, barriers to housing, and chronicity of homelessness***
  - Households are placed in a housing queue and referred to available housing programs.
- **Problem Solving Status:**
  - Households are provided continuous Problem Solving interventions to identify ***other*** pathways without needing to access the Homelessness Response System. These can include housing location assistance and relocation support outside San Francisco.

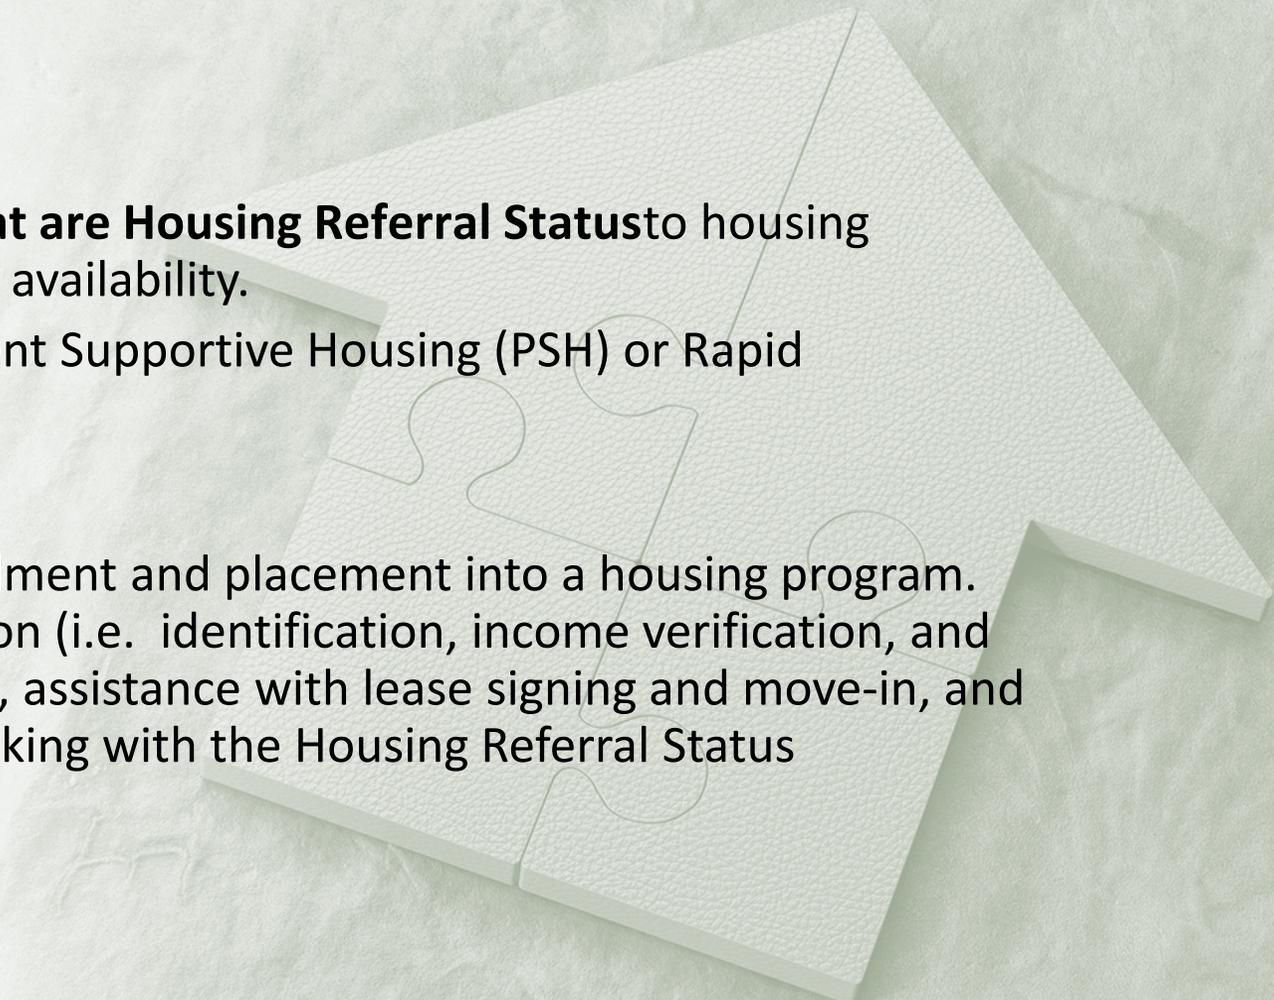

**Both Housing Referral Status and Problem Solving Status represent a path to permanent housing.**

**HUD's Notice CPD-17-01: [Notice Establishing Additional Requirements for a Continuum of Care Centralized or Coordinated Assessment System](#)**

requires that: "[The] coordinated entry process must, to the maximum extent feasible, ensure that people with more severe service needs and levels of vulnerability are prioritized for housing and homeless assistance before those with less severe service needs and lower levels of vulnerability."

# Referral

- **The process of matching households that are Housing Referral Status** to housing programs based on eligibility criteria and availability.
    - Households are referred to Permanent Supportive Housing (PSH) or Rapid Rehousing (RRH).
  - **Housing navigation:** Facilitates the enrollment and placement into a housing program. Includes support with document collection (i.e. identification, income verification, and other documents requested by provider), assistance with lease signing and move-in, and coordination with providers who are working with the Housing Referral Status Household.
- 

# Connection to Permanent Housing Programs

- **Permanent Supportive Housing (PSH)** – long-term rental assistance (subsidy) with a range of supportive services including case management and housing retention assistance. Tenants pay of up 30% of their income
- **Rapid Rehousing (RRH)** – time-limited rental assistance (subsidy) that gradually decreases as the household stabilizes and assume full responsibility for rent. Households live in private-market units and access supportive services, including case management and housing retention assistance.
