Section 1. General Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 240798 and is incorporated herein by reference. The Board affirms this determination.

(c) No local findings are required under California Health and Safety Code Section 17958.7 because the amendments to the Building Code contained in this ordinance do not

1 regulate materials or manner of construction or repair, and instead relate in their entirety to  
2 administrative procedures for implementing the code, which are expressly excluded from the  
3 definition of a "building standard" by California Health and Safety Code Section 18909(c).

4  
5 Section 2. Chapter 1A of the Building Code, Section 106A, is hereby amended by  
6 revising Section 106A.1.12, to read as follows:

7 **106A.1.12 Permit and fees for change in occupancy or use.** Whenever a change in  
8 occupancy or use, as defined in Section 302 of this Code, is made, a building permit shall be  
9 required to legalize the changed occupancy or use ~~or occupancy~~. The fee shall be the minimum  
10 fee required for filing for a permit and must be secured prior to the change of occupancy.

11 Building permit applications for a change of use shall not require plans prepared by a  
12 registered design professional, provided all of the following apply:

13 (a) the previously established use designation is in A (Assembly), B (Business), and M  
14 (Mercantile) occupancy classifications and remains within that classification;

15 (b) the occupant load remains the same or decreases;

16 (c) there are no alterations, as defined by section 202 of this Code;

17 (d) the tenant space does not require changes to the mechanical, electrical, or plumbing  
18 systems; and

19 (e) the tenant will not be introducing new kitchen, service bar design or related equipment in  
20 the space.

21 In the event any alteration work is required, the alteration permit with plans shall be  
22 considered sufficient for this requirement and no additional permit will be required or  
23 additional fee required for the change in use or occupancy except as set forth in Section  
24 109A.8.

1           Section 3. Effective Date. This ordinance shall become effective 30 days after  
2 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
3 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
4 of Supervisors overrides the Mayor's veto of the ordinance.

5  
6           Section 4. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
7 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
8 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal  
9 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment  
10 additions, and Board amendment deletions in accordance with the "Note" that appears under  
11 the official title of the ordinance.
