Section 1. Title

This measure shall be known as the “Strengthening Executive Branch Accountability” Initiative Act.

Section 2. Findings and Declarations

- (a) San Francisco’s Charter is the longest of any major American city.
- (b) The vast majority of City departments are embedded in the Charter itself, meaning even organizational improvements require voter approval.
- (c) Department heads oversee the vast majority of City staff and resources, yet the Mayor has direct hire-and-fire authority over only a small fraction of them. In recent instances involving serious ethical lapses, the Mayor lacked authority to immediately remove department heads.
- (d) The Charter also requires the Mayor to directly supervise nearly 50 department heads—an impractical structure for a government with more than 30,000 employees, which diffuses responsibility and makes it difficult for voters to know who is accountable when services fall short.
- (e) This measure will ensure that when San Franciscans elect a Mayor, they know who is responsible for delivering results.

Section 3. Purpose and Intent

It is the intent of the people of the City and County of San Francisco to do all of the following with this Initiative:

- (a) Expand the Mayor’s authority to hire and remove most department heads.
- (b) Allow most commissioners to be removed at will by their appointing authority.
- (c) Permit the Mayor to reorganize departments and adjust reporting relationships within the executive branch, subject to potential rejection by the Board.
- (d) Authorize the use of Deputy Mayors to improve oversight and coordination.

- (e) Restore clear lines of accountability within the executive branch while preserving oversight by the Board of Supervisors.

Section 4. Sections 3.100, 4.101, 4.102, 4.105, 4.107, 4.108, 4.109, 4.110, 4.111, 4.112, 4.113, 4.114, 4.115, 4.117, 4.118, 4.119, 4.120, 4.121, 4.126, 4.132, 4.133, 4.134, 4.135, 4.136, 4.137, 4.139, 4.140, 4.141, 5.102, 5.103, 5.106, 7.102, 8.102, 8A.102, 8B.126, 10.100, 13.103.5, 15.105, and 16.108-1 of the Charter of the City and County of San Francisco are hereby amended to read as follows:

In meeting an emergency, the Mayor shall act only with the concurrence of the Board of Supervisors, or a majority of its members immediately available if the emergency causes any member of the Board to be absent. The Mayor shall seek the Board's concurrence as soon as is reasonably possible in both the declaration of an emergency and in the action taken to meet the emergency. Normal notice, posting and agenda requirements of the Board of Supervisors shall not be applicable to the Board's actions pursuant to these provisions;

The voters therefore urge in the strongest terms all City officers and agencies involved in nominating, appointing, or confirming members of those appointive boards, commissions, or advisory bodies to consider and as appropriate support the nomination, appointment, or confirmation of women, people of color, seniors, people with disabilities, and people that reflect a range of sexual orientations and gender identities to fill seats on those bodies.

(d) The Commission on the Status of Women shall conduct an analysis of appointments to appointive boards, commissions, and advisory bodies established in the Charter or by legislative act, in the second and fourth year of each mayoral term to track the diversity of appointments to such bodies. (e) Vacancies on appointive boards, commissions, or other units of government shall be filled for the balance of the unexpired term in the manner prescribed by this Charter or ordinance for initial appointments.

~~(f) Terms of office shall continue as they existed on the effective date of this Charter.~~

(f) Unless otherwise provided in this Charter or the law establishing or governing an appointive board, commission, or advisory body, members serve at the pleasure of their appointing authority and may be removed by their appointing authority without cause.

Each board or commission, relative to the affairs of its own department, shall deal with administrative matters solely through the department head or his or her designees, and any dictation, suggestion or interference herein prohibited on the part of any member of a board or commission shall constitute official misconduct; provided, however, that nothing herein contained shall restrict the board or commission's powers of hearing and inquiry as provided in this Charter.

SEC. 4.105. PLANNING COMMISSION.

GENERAL. The Planning Commission shall consist of seven members nominated and appointed pursuant to this section. Four of the members shall be nominated by the Mayor, and three of the members shall be nominated by the President of the Board of Supervisors. Charter Section 4.101 shall apply to these appointments, with particular emphasis on the geographic diversity of City neighborhoods. ~~Vacancies shall be filled by the appointing officer.~~

Each nomination of the Mayor and the President of the Board of Supervisors is subject to approval by the Board of Supervisors, and shall be the subject of a public hearing and vote within 60 days. If the Board fails to act on the nomination within 60 days of the date the nomination is transmitted to the Clerk of the Board of Supervisors, the nominee shall be deemed approved. The appointment shall become effective on the date the Board adopts a motion approving the nomination or after 60 days of the date the nomination is transmitted to the Clerk of the Board of Supervisors.

~~Members may be removed by the appointing officer only pursuant to Section 15.105.~~

In order to stagger the terms, three members shall initially serve two-year terms, and four members shall initially service four-year terms. The initial two and four-year terms of office shall be instituted as follows:

GENERAL PLAN. The Commission shall periodically recommend to the Board of Supervisors for approval or rejection proposed amendments to the General Plan. If the Board of Supervisors fails to act within 90 days of receipt, the proposed General Plan or amendments shall be deemed approved. The General Plan which will initially consist of the Master Plan in effect immediately prior to the effective date of this Charter shall consist of goals, policies and programs for the future physical development of the City and County that take into consideration social, economic and environmental factors. In developing their recommendations, the Commission shall consult with commissions and elected officials, and shall hold public hearings as part of a comprehensive planning process. The Planning Department, in consultation with other departments and the City Administrator, shall periodically prepare special area, neighborhood and other plans designed to carry out the General Plan, and periodically prepare implementation programs and schedules which link the General Plan to the allocation of local, state and federal resources. The Planning Department may make such other reports and recommendations to the Mayor, Board of Supervisors and other offices and governmental units as it may deem necessary to secure

understanding and a systematic effectuation of the General Plan.

In preparing any plans, the Planning Department may include plans for systems and areas within the Bay Region which have a planning relationship with the City and County.

REFERRAL OF CERTAIN MATTERS. The following matters shall, prior to passage by the Board of Supervisors, be submitted for written report by the Planning Department regarding conformity with the General Plan:

1. Proposed ordinances and resolutions concerning the acquisition or vacation of property by, or a change in the use or title of property owned by, the City and County;
2. Subdivisions of land within the City and County;

4. Project plans for public housing, or publicly assisted private housing in the City and County;
5. Redevelopment project plans within the City and County; and
6. Such other matters as may be prescribed by ordinance.

The Commission shall disapprove any proposed action referred to it upon a finding that such action does not conform to the General Plan. Such a finding may be reversed by a vote of two-thirds of the Board of Supervisors.

All such reports and recommendations shall be issued in a manner and within a time period to be determined by ordinance.

PERMITS AND LICENSES. All permits and licenses dependent on, or affected by, the City Planning Code administered by the Planning Department shall be approved by the Commission prior to issuance. The Commission may delegate this approval function to the Planning Department. Notwithstanding the foregoing, certificates of appropriateness for work to designated landmarks and historic districts and applications for alterations to significant or contributory buildings or properties in designated conservation districts that have been approved, disapproved, or modified by the Historic Preservation Commission shall not require approval by the Commission prior to issuance.

ENFORCEMENT. The Planning Department shall administer and enforce the City Planning Code.

ZONING AMENDMENTS. The Commission may propose for consideration by the Board of Supervisors ordinances regulating or controlling the height, area, bulk, set-back, location, use or related aspects of any building, structure or land. An ordinance proposed by the Board of Supervisors concerning zoning shall be reviewed by the Commission. Applications for the reclassification of property may be made by interested parties and must be reviewed by the Commission. Notwithstanding the foregoing, designation of a landmark, a significant or contributory building, an historic district, or a conservation district shall be reviewed by the Commission only as provided in Section 4.135.

Notwithstanding the Commission's disapproval of a proposal from the Board of Supervisors or the application of interested parties, the Board of Supervisors may adopt the proposed ordinance; however, in the case of any proposal made by the application of interested parties, any such adoption shall be by a vote of not less than two-thirds of the Board of Supervisors.

No application of interested parties proposing the same or substantially the same ordinance as that disapproved by the Commission or by the Board of Supervisors shall be resubmitted to or reconsidered by the Commission within a period of one year from the effective date of final action upon the earlier application.

ZONING ADMINISTRATOR. The Director of Planning shall appoint a Zoning Administrator from a list of qualified applicants provided pursuant to the Civil Service provisions of the Charter. The Zoning Administrator shall be responsible for the determination of all zoning variances. The administrator shall have the power to grant only those variances that are consistent with the general purpose and the intent of the zoning ordinance, and in accordance with the general and specific rules of the zoning ordinance, subject to such conditions and safeguards as the Zoning Administrator may impose. The power to grant variances shall be applied only when the plain and literal interpretation and enforcement of the zoning ordinance would result in practical difficulties, unnecessary hardships or where the results would be inconsistent with the general purpose of the

zoning ordinance. Decisions of the Zoning Administrator regarding zoning variances may be appealed to the Board of Appeals.

Before any such variance may be granted, there shall appear, and the Zoning Administrator shall specify in his or her findings, the facts in each case which shall establish:

(a) That there are exceptional or extraordinary circumstances or conditions applying to the property involved or to the intended use of the property that do not apply generally to the property or class of uses in the same district or zone;

(b) That owing to such exceptional or extraordinary circumstances the literal enforcement of the zoning ordinance would result in practical difficulty or unnecessary hardship not created by or attributable to the applicant or the owner of the property;

(c) That such variance is necessary for the preservation and enjoyment of a substantial property right of the applicant, possessed by other property in the same zone and vicinity;

(d) That the granting of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in such zone or district in which the property is located; and

(e) That the granting of such variance will be in harmony with the general purpose and intent of the zoning ordinance and will not adversely affect the general plan.

The determination of the Zoning Administrator shall be final except that appeals therefrom may be taken, as hereinafter provided, to the Board of Appeals, exclusively and notwithstanding any other provisions of this Charter, by any person aggrieved or by any office, agency, or department of the City and County. An appeal from a determination of the Zoning Administrator shall be filed with the Board of Appeals within ten days from the date of such determination. Upon making a ruling or determination upon any matter under his or her jurisdiction, the Zoning Administrator shall thereupon furnish a copy thereof to the applicant and to the Director of Planning. No variance granted by the Zoning Administrator shall become effective until ten days thereafter. An appeal shall stay all proceedings in furtherance of the action appealed from.

CONDITIONAL USE. The Commission shall have the power to hear and decide conditional use applications. An appeal may be taken to the Board of Supervisors from a decision of the Commission to grant or deny a conditional use application. The Board of Supervisors may disapprove the decision of the Commission by a vote of not less than two-thirds of the members of the Board.

(d) DPA shall promptly, fairly, and impartially investigate all complaints regarding police use of force, misconduct or allegations that a member of the Police Department has not properly performed a duty, except those complaints which on their face clearly indicate that the acts complained of were proper and those complaints lodged by other members of the Police Department. DPA shall use its best efforts to conclude investigations of such complaints and, if sustained,

transmit the sustained complaint to the Police Department within nine months of receipt thereof by DPA. If DPA is unable to conclude its investigation within such nine-month period, the Director, within such nine-month period, shall inform the Chief of Police of the reasons therefor and transmit information and evidence from the investigation as shall facilitate the Chief's timely consideration of the matter.

The Board of Supervisors may provide by ordinance that DPA shall in the same manner investigate and make recommendations to the Chief of Police regarding complaints of misconduct by patrol special police officers and their uniformed employees.

(g) Nothing herein shall prohibit the Chief of Police or a commanding officer from investigating the conduct of a member of the Police Department under his or her command, or taking disciplinary or corrective action, otherwise permitted by this Charter, when such is warranted; and

(k) Every two years, DPA shall conduct a performance audit or review of police officer use of force and how the Police Department has handled claims of officer misconduct. DPA shall also have the authority to conduct performance audits or reviews of whether Police Department personnel and management have complied with federal and state law, City ordinances and policies, and Police Department policies. The Director shall have the discretion to determine the frequency, topics, and scope of such performance audits or reviews. To the extent permitted by law, DPA shall also allow public access to information on the progress and disposition of claims of misconduct or use of force, and the results of the performance audits and reviews conducted by DPA.

(l) The DPA budget shall be separate from the budget of the Police Department. Notwithstanding Section 4.102(3), the Director shall submit DPA's proposed annual or two-year budget directly to the Mayor.
