RE: January 5, 2026: Contracts Report Summary

Since the January 5, 2026 Finance and Planning Committee meeting was cancelled, that Monthly Contracts Report was moved to the February 2, 2026 meeting. Please note that since that time, one contract has been removed and will be rescheduled in March.

The table on the following page lists the contracts from the January 5, 2026 meeting that will be presented February 2, 2026. While each of these contracts is a new original agreement, each is a continuation of prior services without a change to the prior scope of services. Additional information for each contract is included in the detailed attachments in your packet.
