ARTICLE I: REPRESENTATION

1. This Agreement is entered into by the City and County of San Francisco (hereinafter "City") and the Municipal Executives Association (hereinafter "Association"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Association, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.
2. It is the intent of the parties that the provisions of this Agreement shall become binding upon adoption or acceptance by the City and ratification by the covered members, or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.590-1, et seq.

I.A. RECOGNITION

3. The City acknowledges that the Association has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the City's Employee Relations Ordinance for the bargaining units listed below:

P-3-0 0390 Chief of Police
0395 Assistant Chief of Police
0400 Deputy Chief
0401 Deputy Chief 2
0402 Deputy Chief 3
0488 Commander, Police Department
0489 Commander II
0490 Commander III

4. Recognition shall only be extended to individual jobcodes (ranks) accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Association the City will meet and confer concerning proposed changes to bargaining units.

I.B. NO STRIKE PROVISION

5. During the term of this Agreement the City will not lock out the employees who are covered by this Agreement. This Association and the employees shall not

strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike during the term of this Agreement.

I.C. MANAGEMENT RIGHTS

6. In accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City.
7. The City shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public and exercise control and discretion over the City's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the City's operations are to be conducted.
8. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment whenever memoranda of understanding providing a grievance procedure are in full force and effect.

I.D. GRIEVANCE PROCEDURES

9. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
10. A grievance is any dispute that involves the interpretation or application of a specific provision of this Agreement. Grievances may be filed only by the Association. In the event that an employee or a group of employees elect(s) to file a complaint with any governmental agency or court alleging a factual basis which is also the basis of a grievance, the Association agrees that any grievance filed on behalf of the employee(s) will be held in abeyance pending the employee's election of remedies. If an employee or group of employees elects another remedy the grievance shall be deemed withdrawn.
11. A grievance must include the following:
 - a. The basis and date of the grievance as known at the time of submission;
 - b. The section(s) of the Agreement allegedly violated;
 - c. The remedy or solution sought.

12. If the grievance does not contain the information described in (a) – (c), the City may request such information, at any step in the process, and defer processing until the information is provided. If the Association does not provide the information within 30 calendar days of request, the grievance, or the portion to which the requested information is not supplied, is deemed withdrawn.

Time Limits

13. The parties have agreed upon this grievance procedure to ensure the swift resolution of all grievances. It is critical to the process that each step is followed within applicable timelines. No steps of the grievance procedure may be skipped without mutual agreement.
14. For purposes of this grievance procedure, a “day” is defined as a “business day,” unless expressly stated as a calendar day. A business day is Monday through Friday, 8am to 5pm, excluding legal holidays.

Steps of the Procedure

15. Except for grievances involving multiple employees or the Chief of Police, all grievances must be initiated at Step 1 of the grievance procedure.
16. A grievance affecting more than one employee shall be filed with the Chief of Police. A grievance initiated on behalf of the Chief of Police shall be filed with the Employee Relations Director. In the event the City disagrees with the level at which the grievance is filed it may submit the matter to the Step it believes is appropriate for consideration of the dispute.
17. Step 1: The Association shall submit the grievance in writing to the grievant’s immediate supervisor. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.
18. Step 2: If the grievance is not resolved at Step 1, the Association, on behalf of the individual grievant, may appeal to the Chief of Police, in writing, within ten (10) days of receipt of the Step 1 response. The Chief of Police may convene a meeting within fifteen (15) days with the grievant and/or the grievant's Association representative. The Chief of Police shall respond in writing within twenty (20) days of the meeting or receipt of the grievance, whichever is later.
19. Step 3: If the grievance is not resolved at Step 2, the Association may appeal to the Employee Relations Director (“Director”), in writing, within fifteen (15) days of receipt of the Step 2 response. The Director may convene a grievance meeting within fifteen (15) days with the grievant and/or the grievant's Association. The Director shall respond to the grievance in

writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.

20. Step 4: If the grievance is not resolved at Step 3, the Association may submit the grievance to arbitration within twenty (20) days of receipt of the Step 3 response. Only the Association may submit a grievance to arbitration.

Selection of the Arbitrator

21. When a matter is appealed to arbitration, the parties shall first attempt to mutually agree upon an Arbitrator to hear the matter. In the event no agreement is reached within ten (10) working days, or any extension of time mutually agreed upon, the parties shall request that the State Mediation and Conciliation Service ("SMCS") or the American Arbitration Association ("AAA") provide the parties with a list of seven (7) potential arbitrators. The parties, by lot, shall alternately strike names from the list, and the name that remains shall be the arbitrator designated to hear the particular matter.
22. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the SMCS or AAA.

Authority of the Arbitrator

23. The arbitrator shall have no power or authority to: alter or supersede the Charter, the Civil Service Commission rules, or the Administrative Code; or add to, ignore, modify or amend the terms of this Agreement.
24. Notwithstanding any other provisions of this Agreement, disciplinary or punitive actions described in Charter Section A8.343 cannot be grieved or arbitrated. An arbitrator selected pursuant hereto shall have no authority to hear or decide any such disciplinary or punitive actions.

Fees and Expenses of Arbitrator

25. The fees and expenses of the Arbitrator shall be shared equally by the parties. Direct expenses of the arbitration shall be borne equally by the parties.

Hearing Dates and Date of Award

26. Hearings shall be scheduled within forty-five (45) days of selection of an arbitrator. Awards shall be due within forty-five (45) days following the receipt of closing arguments.

Monetary Relief

27. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement. The arbitrator shall be required to deduct from any monetary awards all income from any source received by the employee. The arbitrator shall not be authorized to award any interest on any pre or post monetary award.

Failure to Respond

28. In the event a grievance is not initiated or appealed through the steps in accordance with the time periods set above, it shall be void. Failure of the City to timely reply to a grievance shall authorize appeal to the next grievance step.

I.E. OFFICIAL REPRESENTATIVES

29. The Association may select as many as three (3) members of the Association to attend during regular duty or work hours without loss of compensation, meetings scheduled with the Civil Service Commission, the Department of Human Resources, the Director of Employee Relations, or designee, when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate units, and to participate in the discussions, deliberations and decisions at such meetings.

I.F. ASSOCIATION SECURITY

1. Authorization for Deductions

30. a. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. "Contributions" as used in this Section I.F. means Union membership dues, initiation fees, premiums for Union-sponsored insurance programs, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.
31. b. The City shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.

32. c. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for City contributions.
33. d. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the City will implement the changes in two following pay periods.
34. e. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. The City will not maintain a City authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.
35. f. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contribution amount deducted.
36. g. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedures, or it receives an order from a court administrative body directing the City to change or cancel the deductions for one or more employees.
37. h. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The City shall not resolve disputes between the Union represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The Union shall respond to such employee inquiries within no less than 10 business days.

2. Indemnification

38. The Association agrees to indemnify and hold the City harmless for any loss or damage arising from the operation of this section, provided the City has complied with its obligations in this section.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

39. The City and the Association agree that discriminating against or harassing employees, including sworn and non-sworn employees, applicants, or persons providing services to the City by contract, because of their actual or perceived race, color, creed, religion, sex/gender, sexual orientation, gender identity, gender expression, national origin, ancestry, physical or mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, military and veteran status, political affiliation or opinion, Association membership or nonmembership, Association activity, or other protected category under the law, is prohibited. This paragraph shall not restrict any City or Department rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
40. This section is not intended to affect the right of an employee to elect any applicable administrative remedy for discrimination proscribed herein. If the City offers more than one administrative remedy, e.g., grievance or EEO complaint process, the Association and the employee shall elect only one. That election is irrevocable. This paragraph shall not foreclose an affected employee from electing any administrative or statutory remedy provided by law.
41. It is understood and agreed that any disciplinary action against an employee that may be initiated or result from the application or interpretation of these provisions shall not be subject to the grievance and arbitration provisions of Article I, Section D of this Agreement.

II.B. AMERICANS WITH DISABILITIES ACT

42. The parties agree that the City is obligated to provide reasonable accommodations for persons with disabilities, in order to comply with applicable federal, state and local disability anti-discrimination laws. The parties further agree that this Memorandum shall be interpreted, administered and applied in a manner consistent with such laws. The City reserves the right to take any action necessary to comply therewith.

II.C. EMPLOYMENT STATUS

43. It is recognized, understood and agreed that employees in jobcodes (ranks) assigned to bargaining units covered under this contract are Civil Service exempt and serve at the sole discretion of the Appointing Officer.

II.D. SEVERANCE PAY

44. 1. The City agrees that when involuntarily removing or releasing from employment a represented, exempt employee, the Appointing Officer will endeavor

to inform the employee at least thirty (30) calendar days before the employee's final day of work. Where the Appointing Officer fails or declines to inform the employee a full thirty (30) days in advance, the member shall receive pay in lieu of the number of days less than thirty (30) upon which the employee was informed.

A. In providing pay in lieu of notice under paragraph (1) above, if a represented employee has permanent civil service status in a position and returns to that position upon involuntary release from the position represented by the Association, the employee shall receive as pay in lieu of notice, for the time prescribed above, the difference between the pay of position from which the employee is being released and the pay in the underlying permanent civil service position to which the employee reverts.

45. 2. In addition to paragraph (1), the parties agree that the severance is available per this paragraph to the following covered employees: (a) represented exempt employees who are involuntarily removed or released from City employment; and (b) represented, exempt employees who are involuntarily returned to a permanent job code (rank) and who elect to separate from City Service. Except as provided in Section II.D.3 below, employees who elect severance shall receive one week's severance pay for each full year worked, up to a maximum of twenty (20) weeks. Where the employee electing severance is the Chief of Police, the Chief shall receive a minimum of two months' severance pay. In exchange for severance pay, the employee must provide a release signed by the employee and the Association of any and all claims arising out of the employee's employment or termination of employment (including claims arising under this Agreement) that the employee or the Association may have against the City including any officer or employee thereof. This release shall be in a form acceptable to the City and shall also include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of notice or severance pay due under Section II.D

46. 3. Payment of severance is dependent upon approval of the Appointing Officer, Controller and the Human Resources Director. Approval will be based on a good faith consideration of whether the employee's removal or release was involuntary, was initiated by the Appointing Officer, and was in the best interests of the City; and whether the termination of employment was based on conduct involving misappropriation of public funds or property, misuse or destruction of public property, mistreatment of persons, or acts which would constitute a felony or misdemeanor.

47. 4. Any employee accepting severance pay is ineligible to be appointed to City service under Charter Section A8.511 (a Proposition F appointment) in the Police Department for two years from the date of release.

II.E. PERSONNEL FILES

48. The City shall maintain personnel files for each employee. Employees or their authorized representatives have the right to examine the contents of their master personnel files during business hours Monday through Friday excluding legal holidays. Adverse comments may not be placed in an employee's master personnel file without the employee having acknowledged notice of the adverse comments on the face of the document prior to placement in the files. However, the City may place an adverse comment in an employee's file, if after reading the document the employee refuses to sign it. The City shall note the refusal to sign on that document, and the employee must sign or initial the notation. Employees may cause to be placed in their master personnel files responses to adverse material inserted therein and a reasonable amount of correspondence as determined by the Chief of Police originating from other sources directly related to their job performance.
49. Materials relating to disciplinary actions for conduct which is three (3) or more years old shall not be used as the basis of future discipline, provided there has been no reoccurrence of the same or similar conduct upon which the discipline was based. At the request of the employee or the Association, materials related to disciplinary actions which are three (3) or more years shall be sealed to the extent permissible by law, provided that there has been no reoccurrence of the conduct on which the discipline was based during that period. The envelope containing the sealed documents will be retained in the employee's personnel file and may only be opened for the purpose of assisting the City in defending itself in legal or administrative proceedings, or as otherwise required by federal, state, or local law. An employee or MEA may request sealing prior to the end of the three (3) year period.
50. Other than employees and their representatives authorized under paragraph 48 above, only persons authorized by the Chief of Police or their designee may review an employee's master personnel file.
51. This section regarding employee access and authorized review applies to materials contained in Department files of Internal Affairs Division and EEO Division cases classified as improper conduct after the Chief determines to proceed with disciplinary action. All other access to the files at Internal Affairs Division and EEO Division must be pursuant to a valid discovery motion filed and approved by the Police Commission or a court of competent jurisdiction.
52. This section does not waive employee rights under either the Public Safety Officers Procedural Bill of Rights Act or applicable provisions of the California Evidence and Penal Codes relating to the confidentiality, authorized review, and disclosure of peace officer personnel records.

II.F. PERFORMANCE APPRAISALS

53. An employee shall be afforded thirty (30) days from the date of receipt to respond to a performance appraisal in writing. The City shall attach any written response to the performance appraisal and maintain it in the employee's personnel file.

II.G. DEPARTMENT OF POLICE ACCOUNTABILITY RECORDS

54. It is agreed that a complainant's Department of Police Accountability ("DPA") complaint form shall be released to the complainant upon request.
55. Notwithstanding any other provision of this Agreement, if a DPA investigative hearing is determined to be appropriate and is scheduled, the affected employee and the complainant, prior to the hearing and upon seventy-two (72) hours' advance notice, shall have access to all evidence not deemed to be confidential pursuant to the Police Commission rules. Access shall consist of inspection of materials and, upon request, copies of materials for use by the employee and the complainant.
56. Review and receipt of evidence shall be permitted only after the requesting party and their representative has executed a confidentiality statement approved by the Police Commission. The Police Commission shall monitor the application of this paragraph and shall implement policies and procedures designed to ensure compliance herewith.
57. Summary disposition reports, the format of which shall be set by the Police Commission and which shall include a brief description of the complaint and summary findings of fact, shall be prepared by the DPA in matters that are not sustained, as well as in those matters which are disposed of by the Chief of Police and do not result in a Police Commission hearing. These reports shall be available for public review and disclosure. These reports shall not contain the name(s) of the complainant(s) nor of the charged officer(s) nor contain any information which would: (a) deprive a person of the right to a fair trial or an impartial adjudication; (b) disclose investigative techniques and procedures deemed confidential by the Police Commission; (c) disclose confidential information when disclosure is prohibited by any law; (d) endanger the life or physical safety of any person, including but not limited to, law enforcement personnel; or (e) result in an unnecessary invasion of the personal privacy of an individual.
58. The DPA, in conjunction with the Police Commission, shall develop procedures which may utilize face-to-face dispute resolution in appropriate cases. Use of these procedures will be voluntary and subject to the veto power of the DPA for the complainant or the affected employee.

59. Disputes regarding this section shall be resolved by utilization of existing rules and regulations and shall not be subject to the grievance and arbitration procedure contained in this Agreement.

ARTICLE III: PAY, HOURS AND BENEFITS

III.A. WAGES

60. Established wage rate differentials between covered job-codes (ranks) and the highest paid Deputy Chief rank shall be maintained for the duration of this Agreement, exclusive of the additional 4% in wages received by the Deputy Chiefs on July 1, 2007 pursuant to the 2007-2011 POA P-2B MOU, Article III.2.A. Overtime.
61. The City shall implement an annual merit pay based recognition program. Subject to the recommendation and approval of the Mayor for the Police Chief and subject to the approval of the Police Chief for the other represented job-codes (ranks), employees shall be awarded an annual one-time, lump sum payment ranging from 0% to 5% of the employee's base salary. The total of all lump sum payments made to all employees each fiscal year shall total one percent (1%) of MEA Police covered payroll (as defined by the Controller). The decision of the Mayor and Chief of the department shall not be grievable.
62. Employees shall receive the following base wage increases:
- Effective July 1, 2026, represented employees will receive a base wage increase of 2.00%.
- Effective January 2, 2027, represented employees will receive a base wage increase of 1.00%.
- Effective July 1, 2027, represented employees will receive a base wage increase of 2.00%.
- Effective January 1, 2028, represented employees will receive a base wage increase of 1.00%.
- Effective July 1, 2028, represented employees will receive a base wage increase of 2.00%.
- Effective December 30, 2028, represented employees will receive a base wage increase of 1.00%.
- Effective July 1, 2029, represented employees will receive a base wage increase of 2.00%.
- Effective December 29, 2029, represented employees will receive a base wage increase of 1.00%.
- Effective close of business June 30, 2030, represented employees will receive a

64. Effective July 1, 2026, the City shall add an additional six percent (6.00%) salary step to classification 0490 Commander III. Incumbents appointed to classification 0490 Commander III who have less than six (6) months of service in this bargaining unit as of July 1, 2026, shall advance to step 2 upon six (6) months of service in this bargaining unit.

III.B. PEACE OFFICER STANDARDS TRAINING (POST) CERTIFICATE PREMIUM

Basic, Intermediate, and Advanced POST

65. Employees at the rank of Commander and Deputy Chief who possess POST certificates shall receive premium pay as follows:

- Employees possessing an intermediate POST certificate shall receive a 6% premium by appointment to the intermediate rank below.
- Employees possessing an advanced POST certificate shall receive an 8% premium by appointment to the advanced rank below.

<u>Rank</u>	<u>Basic</u>	<u>Intermediate</u>	<u>Advanced</u>
Commander	0488	0489	0490
Deputy Chief	0400	0401	0402

66. It is the parties' understanding that this benefit is part of the salary attached to all ranks for employees compensated as noted above. This premium shall be included for purposes of retirement benefit calculations and contributions in compliance with the Charter.

67. Employees who obtain sufficient education and experience to meet the minimum qualifications of the ranks containing a POST certificate requirement shall be appointed to such ranks within thirty (30) days after they present to the appointing officer evidence that they possess the POST certification required for the rank.

68. It is the mutual understanding of the City and the Association that the compensation attached to those ranks for which a POST certificate is required is not an increase in the general rate of remuneration for the ranks or position of 0488 or

0400 within the meaning of the Charter of the City and County, including but not limited to Section A8.559-6.

69. Should any retiree or other party initiate litigation challenging this mutual interpretation, and the mutual intent of these parties, and seek to obtain an adjustment of allowances for any Police Department retirees pursuant to the Charter of the City and County based upon this Agreement, the Association shall cooperate with the defense of such claims by the City and County.
70. The parties and each and every individual employee specifically agree and recognize that this Agreement creates no vested rights. Should any final judgment by a court of competent jurisdiction at any time adjudge and decree that retirees are entitled to an adjustment of their allowances as a result of the establishment of these ranks, then the Agreement that created these ranks and set a new base rate for such ranks to be included within the rate of remuneration for pension calculation purposes shall be null and void, and shall cease immediately. If such a judgment issues, the parties further hereby agree that the base pay rate and premium of each appointee to these ranks shall retroactively revert to the then current base rate of pay and to the premium eligibility provided by the Agreement prior to the creation of these ranks. The parties also agree to retroactively recalculate the retirement contribution and allowance of such employees as if this Agreement had never been in effect. Provided, however, that if such a recalculation should occur, no employee who had received compensation based on the rates of pay for these ranks shall be obligated to pay back any monies that the employee received between the effective date of appointment and the time of such recalculation. Thereafter, the City and the Association shall mutually engage in meet and confer to reach agreement on alternative benefits.

III.D. ACTING ASSIGNMENT PAY

78.
