Beginning Monday, July 20, 2026, and continuing through Friday, August 7, 2026, the Ballot Simplification Council will conduct public meetings to prepare an impartial summary of each local ballot measure for publication in San Francisco's Voter Information Pamphlet for the upcoming November 3, 2026, General Election. The Ballot Simplification Council will meet in-person at City Hall. The Council must complete its digests no later than 85 days before the election, which is Monday, August 10, 2026.

Meeting agendas and related materials will be posted at sfelections.gov/bsc. Agendas will be posted at least 72 hours prior to the meeting, as mandated by the Sunshine Ordinance. Other agenda-related materials will be made available as early as possible. Please check often for any updates.

About the Ballot Simplification Council

The Ballot Simplification Council works in public meetings to prepare a fair and impartial summary of each local ballot measure in simple language. These summaries, or "digests," are printed in San Francisco's Voter Information Pamphlet, which is mailed to every registered voter before the election.

Each digest must explain the primary purposes and points of the measure, but is not required to include auxiliary or subsidiary information. Each digest must include the following four sections:

- *The Way It Is Now*
- *The Proposal*
- *A "Yes" Vote Means*
- *A "No" Vote Means*

In general, each digest is limited to 300 words. Digests may exceed the 300-word limit if the Council determines that the complexity or scope of the proposed measure requires a longer digest. In addition, digests must be written as close as possible to the eighth-grade reading level.

The Ballot Simplification Council also assists the Department of Elections in preparing other informational material for the Voter Information Pamphlet, such as a glossary of terms that appear in the pamphlet.
