

NDEAM Community Resource Fair Guide

Find employment opportunities, training, benefits information, disability-related services, and community resources. Use the categories below to identify tables that may be helpful to you. An organization may appear in more than one category.

Need help at the fair?

Table 15 - Welcome & Information

- Ask for directions, help locating exhibitors, or assistance identifying tables that may have resources relevant to your interests or needs.

Table 16 - Interpreter Services

- Visit this table for information about interpreting support available during the fair and how to access it.

Find your way around the fair

The entrance is at the front of the three-room event space. Exhibitor tables form a U shape around an open visitor area. The Welcome & Information table is toward the front left, and Interpreter Services is toward the front right, across from Welcome.
