2 Check one option (provide supporting documentation):

The names of candidates appear on the official ballot in traditional Chinese characters as well as in English. The Department of Elections can provide this transliteration or translation for candidates for local office, or the candidate may provide documentation of established use of a name in Chinese.

If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate that they have been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

- I request that the Department of Elections, working with a qualified Chinese-language translator, provide a Chinese transliteration or translation of my name for all materials where it is legally required.
- I am providing documentation of established use of a particular Chinese transliteration or translation of my name for the Department to review. I understand that the Department's decision whether to accept a proposed transliteration or translation is final.
- I have a character-based name by birth and am providing supporting documentation of this name.

For your reference, the relevant provisions of Elections Code section 13107 are reproduced below:

(a) With the exception of candidates for Justice of the State Supreme Court or court of appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation made by the candidate pursuant to Section 8002.5 must be listed immediately below the name of the candidate pursuant to Section 13105, and in that case immediately under the designation, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected by vote of the people.

(2) The word "incumbent" if the candidate is a candidate for the same office which the candidate holds at the time of filing the nomination papers, and was elected to that office by a vote of the people. A candidate shall not use the word "incumbent" if the candidate was elected to their office in an at-large election and is a candidate in a district-based election.

(3) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(4) The phrase "appointed incumbent" if the candidate holds an office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which the candidate holds and to which the candidate was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) (1) Except as specified in paragraph (2), for candidates for judicial office, immediately under the name of each candidate, and not separated from the name by any line, only one of the following designations may appear at the option of the candidate:

(A) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.

(B) The word "incumbent" if the candidate is a candidate for the same office that the candidate holds at the time of filing the nomination papers.

(C) No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.

(2) For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:

(A) Words designating the actual job title, as defined by statute, charter, or other governing instrument.

(B) One of the following ballot designations: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(A) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words "City of."

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words "County of."

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words "City and County."

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of the candidate's principal professions shall use one of the following ballot designations as the candidate's ballot designation: "Attorney," "Attorney at Law," "Lawyer," or "Counselor at Law." The designations "Attorney" and "Lawyer" may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, including a generally available standard reference dictionary published online, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(e) The Secretary of State and any other elections official shall not accept a designation of which any of the following would be true:

- (1) It would mislead the voter.
- (2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- (3) It abbreviates the word "retired" or places it following any word or words which it modifies.
- (4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."
- (5) It uses the name of any political party, whether or not it has qualified for the ballot.
- (6) It uses a word or words referring to a racial, religious, or ethnic group.
- (7) It refers to any activity prohibited by law.

(f) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date the candidate receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a) or (b).

(2) If a candidate fails to provide a designation that complies with subdivision (a) or (b) within the three-day period specified in paragraph (1), a designation shall not appear after the candidate's name.

(g) A designation given by a candidate shall not be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (f) or as provided in subdivision (h). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(h) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days before the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(i) In all cases, the words so used shall be printed in a manner consistent with the space requirements of Sections 13207 and 13211.

(j) If a foreign language translation of a candidate's designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

For your reference, Elections Code section 13107.3 is reproduced below:

- (a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.
- (b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.
- (c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

For your reference, Elections Code section 13107.5 is reproduced below:

- (a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:
 - (1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
 - (2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
 - (3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments; interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2025, through December 31, 2025. If the period covered by the statement is different than January 1, 2025, through December 31, 2025, (for example, you assumed office between October 1, 2024, and December 31, 2024 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.
- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2025, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2025, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2024, and December 31, 2024, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2025.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.
