The <u>Clean Up City Hall campaign</u> has spent over 4 million dollars to put 3 Charter measures on the ballot favoring the Mayor and wealthy corporate interests. • These measures were never heard by the Board. • 5 of 11 Board Supervisors have declined to endorse them. • They had no public scrutiny and have had no cost analysis. • These are NOT consensus measures Prop F removes essential checks & balances. Today, the Board of Supervisors and Oversight Commissions have opportunities to hold public hearings and approve changes to department leadership, structure and spending. Checks and balances are essential to good governance and ensuring that the public has opportunities to give comment to substantial changes that will impact the delivery of services. EVEN IF you do like this Mayor & trust this Mayor to have your interests in mind, you may not like or trust the next Mayor or the one after that. And concentrating so much power in the hands of one person can lead to disastrous effects that parallel what we've seen in DC. Simply put, Prop F goes too far. • It allows the Mayor to remove Commissioners for any reason not just cause. Removing commissioner's ability to effectively question the policies and spending of the departments they're supposed to be overseeing. • It allows the Mayor to hire and fire Department Heads without Commission hearings • Even more problematic It allows the Mayor to re-arrange Departments, combining their staff – or eliminating Departments altogether. And the Board will then only have 60 days to object or the Mayor's changes go into effect without a single public hearing. Vote No on F to keep essential checks and balances the Board of Supervisors and Oversight Commissions provide. Small Business Forward
