**Subject: Painting Mural on SFMTA Traffic Signal Cabinet at Gough St and Turk Street intersection (southeast corner)**

Dear 

This letter is in response to your email requesting to decorate one SFMTA-maintained traffic signal cabinet at the intersection of Gough Street and Turk Street with a painted mural. Prior to submitting a proposal for the San Francisco Arts Commission to review and approve, you must first obtain a letter from the appropriate city agency for permission to paint the cabinet, which in this case is the San Francisco Municipal Transportation Agency (SFMTA). I am writing to confirm that SFMTA is in support of our cabinet being painted, and do not foresee any major issues with the painting of our cabinet. Therefore, your Arts Commission review can begin.

Utility cabinets look similar. Therefore, you took a screenshot showing the cabinet you intended to paint. I have attached your photo to show the SFMTA cabinet that is proposed for painting.

I look forward to working with you after you get approval from the Arts Commission and are ready to install the mural. Previous art installations on our cabinets have helped to beautify neighborhoods and make San Francisco a wonderful place to live.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dusson Yeung'.
