I. INTRODUCTION

Special Tax District No. 2019-1 (Pier 70 Condominiums)

On January 28, 2020, the City and County of San Francisco (the “City”) adopted the Resolution of Formation of Special Tax District No. 2019-1 (Pier 70 Condominiums). In a landowner election held on the same day, the then-qualified landowners within STD No. 2019-1 authorized the levy of a Mello-Roos special tax to fund certain public facilities and services. The landowners also voted to incur bonded indebtedness, secured by special taxes levied in STD No. 2019-1 in an amount not to exceed \$1,697,600,000.

The types of facilities to be funded by special tax revenues generally include the acquisition of land for public improvements; demolition and abatement; auxiliary water supply system improvements; low pressure water improvements; non-potable water system improvements; combined sanitary sewer and stormwater management improvements; joint trench and dry utilities; earthwork and retaining walls; roadway improvements; streetscape improvements; parks and public space; historic rehabilitation required for horizontal improvements; hazardous soil removal; shoreline adaptation studies; shoreline protection facilities; noonan replacement space; arts building improvements; historic building feasibility gap; deferred infrastructure; entitlement costs; associated public benefits; miscellaneous horizontal development costs; and any other costs authorized to be financed by the STD under the DDA. In addition, the STD is also authorized to fund public services. Proceeds of the services special tax levy may be used to pay for maintenance, capital repair, replacement and operation of public parks and open spaces; public right-of-ways (“ROWs”); shoreline improvements; landscaping and irrigation systems; streets; furniture and fixtures and signage in public spaces and public ROWs; capital repair and replacement and operation of utilities in public spaces and public ROWs; and any other costs authorized to be financed by the STD under the DDA and VDDA.

The Mello-Roos Community Facilities Act of 1982

The reduction in property tax revenue that resulted from the passage of Proposition 13 in 1978 required public agencies and real estate developers to look for other means to fund public infrastructure. The funding available from traditional assessment districts was limited by certain requirements of the assessment acts, and it became clear that a more flexible funding tool was needed. In response, the California State Legislature approved the Mello-Roos Community Facilities Act of 1982 (the “Act”), which provides for the levy of a special tax within a defined geographic area, namely a community facilities district, if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities, and special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and

principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

A community facilities district can also fund a broad range of services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

III. SPECIAL TAX REQUIREMENTS

Special taxes for STD No. 2019-1 are levied pursuant to the methodology set forth in the Rate and Method of Apportionment of Special Taxes (“RMA”), which was adopted as an exhibit to the Resolution of Formation of STD No. 2019-1. The RMA allows for Facilities Special Taxes, Arts Building Special Taxes, and Services Special Taxes. The amount of Facilities Special Taxes, Arts Building Special Taxes, and Services Special Taxes is determined through application of the Special Tax Requirements that are each explained in more detail below.

Facilities Special Tax Requirement

Pursuant to the RMA, the Facilities Special Tax Requirement means the amount necessary in any Fiscal Year to pay: (i) pay principal and interest on Facilities Special Tax Bonds that are due in the calendar year that begins in such Fiscal Year; (ii) pay periodic costs on Facilities Special Tax Bonds, including but not limited to, credit enhancement, liquidity support and rebate payments; (iii) replenish reserve funds created for Facilities Special Tax Bonds under the applicable Indenture to the extent such replenishment has not been included in the computation of the Facilities Special Tax Requirement in a previous Fiscal Year; (iv) cure any delinquencies in the payment of principal or interest on Facilities Special Tax Bonds which have occurred in the prior Fiscal Year; (v) pay Administrative Expenses; (vi) pay other obligations described in the Financing Plan; and (vii) pay directly for Authorized Expenditures, so long as such levy under this clause (vii) does not increase the Facilities Special Tax levied on Undeveloped Property. The amount calculated to pay items (i) through (vii) above may be reduced in any Fiscal Year by: (a) interest earnings on or surplus balances in funds and accounts for the Facilities Special Tax Bonds to the extent that such earnings or balances are available to apply against such costs pursuant to the applicable Indenture; (b) in the sole and absolute discretion of the Port, proceeds received by the STD from the collection of penalties associated with delinquent Facilities Special Taxes; and (c) any other revenues available to pay such costs, as determined by the Administrator, the City, and the Port. For fiscal year 2025-26, the Facilities Special Tax Requirement is \$1,228,621 and is calculated in the table on the following page.

Arts Building Special Tax Requirement

The Arts Building Special Tax Requirement is defined as the amount necessary in any Fiscal Year to pay: (i) pay principal and interest on Arts Building Special Tax Bonds that are due in the calendar year that begins in such Fiscal Year; (ii) pay periodic costs on Arts Building Special Tax Bonds, including but not limited to, credit enhancement, liquidity support and rebate payments; (iii) replenish reserve funds created for Arts Building Special Tax Bonds under the applicable Indenture to the extent such replenishment has not been included in the computation of the Arts Building Special Tax Requirement in a previous Fiscal Year; (iv) cure any delinquencies in the payment of principal or interest on Arts Building Special Tax Bonds which have occurred in the prior Fiscal Year; (v) pay Administrative Expenses; (vi) pay other obligations described in the Financing Plan; and (vii) pay directly for Arts Building Costs. The amount calculated to pay items (i) through (vii) above may be reduced in any Fiscal Year by: (a) interest earnings on or surplus balances in funds and accounts for the Arts Building Special Tax Bonds to the extent that such earnings or balances are available to apply against such costs pursuant to the applicable Indenture; (b) in the sole and absolute discretion of the Port, proceeds received by the STD from the collection of penalties associated with delinquent Arts Building Special Taxes; and (c) any other revenues available to pay such costs, as determined by the Administrator, the City, and the Port. For fiscal year 2025-26, the Arts Building Special Tax Requirement is \$0.

Services Special Tax Requirement

The Services Special Tax Requirement is defined as any amount necessary in any Fiscal Year to: (i) pay the costs of operations and maintenance or other public services that are included as Authorized Expenditures; (ii) cure delinquencies in the payment of Services Special Taxes in the prior Fiscal Year; and (iii) pay Administrative Expenses. For fiscal year 2025-26, the Services Special Tax Requirement is \$0.

IV. SPECIAL TAX LEVIES

Special Tax Categories

Special taxes within STD No. 2019-1 are levied pursuant to the methodology set forth in the RMA. Among other things, the RMA establishes various special tax categories against which the special tax may be levied, the maximum special tax rates, and the methodology by which the special tax is applied. On or about July 1 of each Fiscal Year, the Administrator shall identify the current Assessor's Parcel numbers for all Taxable Parcels. The Administrator shall also determine: (i) whether each Taxable Parcel is Developed Property, Undeveloped Property (including Port-Owned Development Parcels), or Expected Taxable Property; (ii) the Planning Parcel and Tax Zone within which each Assessor's Parcel is located; (iii) for Developed Property, the For-Sale Residential Square Footage, Rental Residential Square Footage, Exempt Non-Residential Square Footage, Taxable Non-Residential Square Footage, Exempt Association Square Footage, and Taxable Association Square Footage on each Parcel; (iv) the appropriate Square Footage Category into which any Taxable Association Square Footage should be assigned, and (v) the Facilities Special Tax Requirement, Arts Building Special Tax Requirement, and Services Special Tax Requirement for the Fiscal Year. *(Unless otherwise indicated, capitalized terms shall have the same meaning set forth in the RMA, which is included in Appendix C of this Report.)*

Maximum Special Tax Rates

The maximum special tax rates applicable to each Taxable Parcel in STD No. 2019-1 are set forth in Section C of the RMA. The percentage of the maximum special tax rates that will be levied on each land use category in fiscal year 2025-26 are determined by the method of apportionment included in Section F of the RMA. The table in Appendix A identifies the fiscal year 2025-26 maximum special taxes and actual special taxes for STD No. 2019-1.

Apportionment of Special Taxes

Facilities Special Tax

The amount of special tax that is apportioned to each parcel is determined through application of Section F of the RMA. Once the Facilities Special Tax Requirement for the fiscal year is determined, the following steps determine the amount of facilities special tax each property will be taxed.

A. In Any Fiscal Year in Which There is No Developer Private Agreement or Developer Public Agreement in Place

Step 1: In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.

Step 2: After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

B. In Any Fiscal Year in Which There is Either or Both a Developer Private Agreement and/or a Developer Public Agreement in Place

Step 1: In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.

Step 2: After the First Bond Sale, but only if a Developer Private Agreement is in place, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel for such Fiscal Year.

Step 3: After the First Bond Sale, but only if a Developer Public Agreement is in place, if additional revenue is needed after Step 2 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Port-Owned Development Parcel for such Fiscal Year.

Step 4: After the First Bond Sale, if additional revenue is needed after Step 3 in order to meet the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

Arts Building Special Tax

Once the Arts Building Special Tax Requirement for the fiscal year is determined, the following steps determine the amount of arts building special tax each property will be taxed.

Step 1: Each Fiscal Year the Maximum Arts Building Special Tax shall be levied on each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan. The Arts Building Special Tax may not be levied on Undeveloped Property.

Step 2: After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Arts Building Special Tax Requirement, the Arts Building Special Tax shall be levied

Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Arts Building Special Tax for each Parcel of Expected Taxable Property.

Services Special Tax

Once the Services Special Tax Requirement for the fiscal year is determined, the following steps determine the amount of services special tax each property will be taxed.

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

The special tax roll, which identifies the special taxes to be levied against each parcel in STD No. 2019-1 in fiscal year 2025-26, is provided in Appendix B.

VI. STATE REPORTING REQUIREMENTS

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes STD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

C. MAXIMUM SPECIAL TAXES

In calculating Maximum Special Taxes pursuant to this Section C, in any Fiscal Year in which the boundaries of the Planning Parcels are not identical to the boundaries of the then-current Assessor's Parcels, the Administrator shall review the Expected Land Uses for each Planning Parcel and assign the Maximum Special Taxes to the then-current Assessor's Parcels. The Maximum Special Tax Revenues after such allocation shall not be less than the Maximum Special Tax Revenues prior to the allocation.

1. *Undeveloped Property*

1a. Facilities Special Tax

The Maximum Facilities Special Tax for Undeveloped Property in all Tax Zones shall be the Expected Maximum Facilities Special Tax Revenues shown in Attachment 3 of this RMA, as it may be amended as set forth herein.

1b. Arts Building Special Tax and Services Special Tax

No Arts Building Special Tax or Services Special Tax shall be levied on Parcels of Undeveloped Property in any Tax Zone within the STD.

2. *Developed Property*

2a. Facilities Special Tax

When a Taxable Parcel (or multiple Taxable Parcels within a building) becomes Developed Property, the Administrator shall use the Base Facilities Special Taxes shown

in Table 1 below and apply the steps set forth in this Section 2a to determine the Maximum Facilities Special Tax for the Parcel(s):

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Developer, or Vertical Developer, and any other documents or data that estimate or identify the Residential Square Footage or Non-Residential Square Footage anticipated on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- Based on the Tax Zone in which the Taxable Parcel(s) is located, multiply the applicable Base Facilities Special Tax from Table 1 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected within each building on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within any building, multiply the applicable Base Facilities Special Tax from Table 1 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses for that Expected Taxable Property.

Prior to the First Bond Sale, the Maximum Facilities Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Facilities Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Facilities Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Facilities Special Tax Revenues from Step 3 to the Expected Maximum Facilities Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Facilities Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Facilities Special Tax Revenues or (ii) less than the Expected Maximum Facilities Special Tax Revenues, but the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities*

Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Facilities Special Tax for the Taxable Parcel(s) shall be determined by multiplying the applicable Base Facilities Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to reflect the adjusted Expected Maximum Facilities Special Tax Revenues and the new Maximum Facilities Special Tax Revenues.

- *If the Estimated Base Facilities Special Tax Revenues are less than the Expected Maximum Facilities Special Tax Revenues, and the Maximum Facilities Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Facilities Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Facilities Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Facilities Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Facilities Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Facilities Special Tax Revenues from the Taxable Parcel(s).*

After proportionately increasing the Base Facilities Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Facilities Special Tax for each Taxable Parcel for which the increased Base Facilities Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Facilities Special Tax Revenues.

Table 1 Base Facilities Special Tax		
Square Footage Category	Base Facilities Special Tax in Tax Zone 1 (FY 2019-20) *	Base Facilities Special Tax in Tax Zone 2 (FY 2019-20) *
Residential Square Footage	\$5.22 per Residential Square Foot	\$4.89 per Residential Square Foot
Taxable Non-Residential Square Footage	\$5.22 per Non-Residential Square Foot	\$4.89 per Non-Residential Square Foot

*** The Base Facilities Special Taxes shown above shall be escalated as set forth in Section D.1.**

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Facilities Special Tax that, pursuant to Section F below, would be levied on all land uses on a Taxable Parcel and levy this aggregate Facilities Special Tax amount on the Taxable Parcel.

If, in any Fiscal Year, the Maximum Facilities Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage for the Parcel when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Facilities Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2a to recalculate the Maximum Facilities Special Tax for the Parcel.

2b. Arts Building Special Tax

Prior to the Transition Year, when a Taxable Parcel (or multiple Taxable Parcels within a building) in Tax Zone 2 becomes Developed Property, the Administrator shall use the Base Arts Building Special Taxes shown in Table 2 below and apply the steps set forth in this Section 2b to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s). No Arts Building Special Tax shall be levied on Parcels in Tax Zone 1.

Table 2 Base Arts Building Special Tax in Tax Zone 2		
Square Footage Category	Base Arts Building Special Tax in Tax Zone 2 Before the Transition Year (FY 2019-20) *	Base Arts Building Special Tax in Tax Zone 2 in and After the Transition Year (FY 2019-20) *
Residential Square Footage	\$0.66 per Residential Square Foot	\$0.00 per Residential Square Foot
Taxable Non-Residential Square Footage	\$0.66 per Non-Residential Square Foot	\$0.00 per Non-Residential Square Foot

*** The Base Arts Building Special Taxes shown above shall be escalated as set forth in Section D.1.**

Step 1. The Administrator shall review the Building Permit, Certificate of Occupancy, Vertical DDA, condominium plan, architectural drawings, Development Approval Documents, information provided by the Port, Developer or Vertical Developer, and any other documents or data that

estimate or identify the Square Footage within each Square Footage Category to determine Residential Square Footage or Non-Residential Square Footage anticipated within each building on the Taxable Parcel(s).

Step 2. Using the information from Step 1:

- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Residential Square Footage by the total Residential Square Footage expected within each building on the Taxable Parcel(s).
- For Tax Zone 2 only, multiply the applicable Base Arts Building Special Tax from Table 2 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected on the Taxable Parcel(s).
- If, based on the Expected Land Uses, the Administrator determines that there is Expected Taxable Property within the building(s) in Tax Zone 2, multiply the applicable Base Arts Building Special Tax from Table 2 based on what had been anticipated on the Expected Taxable Property by the Square Footage of the Expected Land Uses within each building.

Prior to the First Bond Sale, the Maximum Arts Building Special Tax for the Taxable Parcel(s) shall be the sum of the amounts calculated above, and Steps 3 and 4 below shall not apply.

After the First Bond Sale, the Administrator shall apply Steps 3 and 4 to determine the Maximum Arts Building Special Tax for the Taxable Parcel(s).

Step 3. Sum the amounts calculated in Step 2 to determine the Estimated Base Arts Building Special Tax Revenues for the Taxable Parcel(s).

Step 4. Compare the Estimated Base Arts Building Special Tax Revenues from Step 3 to the Expected Maximum Arts Building Special Tax Revenues, and apply one of the following, as applicable:

- *If the Estimated Base Arts Building Special Tax Revenues are: (i) greater than or equal to the Expected Maximum Arts Building Special Tax Revenues or (ii) less than the Expected Maximum Arts Building Special Tax Revenues, but the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are still sufficient to provide Required Coverage, then the Maximum Arts Building Special Tax for each Taxable Parcel shall be determined by multiplying the applicable Base Arts Building Special Taxes by the Square Footage of each Square Footage Category expected within the building(s) on the Taxable Parcel(s). The Administrator shall update Attachment 3 to*

reflect the adjusted Expected Maximum Arts Building Special Tax Revenues and the new Maximum Arts Building Special Tax Revenues.

- *If the Estimated Base Arts Building Special Tax Revenues are less than the Expected Maximum Arts Building Special Tax Revenues, and the Maximum Arts Building Special Tax Revenues, assuming the same land uses that went into the calculation of the Estimated Base Arts Building Special Tax Revenues, are insufficient to provide Required Coverage, then the Base Arts Building Special Taxes that were applied in Step 4 shall be increased proportionately until the amount that can be levied on the Taxable Parcel(s), combined with the Expected Maximum Arts Building Special Tax Revenues from other Planning Parcels in the STD, is sufficient to maintain Required Coverage; provided, however, such increase cannot exceed, in the aggregate, the amount by which Expected Maximum Arts Building Special Tax Revenues from the Taxable Parcel exceeds the Estimated Base Arts Building Special Tax Revenues from the Taxable Parcel(s).*

After proportionately increasing the Base Arts Building Special Taxes to an amount that will maintain Required Coverage, the Administrator shall use the adjusted per-square foot rates to calculate the Maximum Arts Building Special Tax for each Taxable Parcel for which the increased Base Arts Building Special Tax was determined to be necessary pursuant to this Step 4. The Administrator shall also revise Attachment 3 to reflect the new Expected Maximum Arts Building Special Tax Revenues.

Unless and until individual Assessor's Parcels are created for Non-Residential Square Footage and Residential Square Footage within a building, the Administrator shall sum the Arts Building Special Tax that, pursuant to Section F below, would be levied on all land uses on a Parcel and levy this aggregate Arts Building Special Tax amount on the Parcel.

If, in any Fiscal Year, the Maximum Arts Building Special Tax is determined for any Parcels of Developed Property for which a Building Permit had not yet been issued and, if, when a Building Permit is issued on the Parcel, the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax, then the Administrator shall once again apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel(s) based on the Residential Square Footage or Non-Residential Square Footage that was determined when the Building Permit was issued. The Administrator shall do a final check of the Residential Square Footage and Non-Residential Square Footage within the building when a Certificate of Occupancy is issued. Once again, if the Residential Square Footage or Non-Residential Square Footage is different than the Residential Square Footage or Non-Residential Square Footage that was used to determine the Maximum Arts Building Special Tax after the Building Permit was issued, then the Administrator shall apply Steps 1 through 4 in this Section C.2b to recalculate the Maximum Arts Building Special Tax for the Parcel.

If one or more Building Permits have been issued for development of structures on a Taxable Parcel, and additional structures are anticipated to be built on the Taxable Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize the buildings for which Building Permits have been issued as Developed Property and, if the 36-month anniversary of the VDDA Execution Date has not occurred in a previous Fiscal Year, any remaining buildings for which Building Permits have not yet been issued shall not be subject to the Arts Building Special Tax until either: (i) a Building Permit is issued for such remaining buildings, or (ii) the Fiscal Year in which the 36-month anniversary of the VDDA Execution Date. To determine the Arts Building Special Tax for any such Parcel, the Administrator shall take the sum of the Arts Building Special Taxes determined for each building.

2c. Services Special Tax

Upon issuance of the first Certificate of Occupancy for a building on a Taxable Parcel, the Administrator shall reference Table 3 and apply the steps below to determine the Maximum Services Special Tax for the Parcel:

Table 3 Base Services Special Tax			
Square Footage Category	Base Services Special Tax in Tax Zone 1 (FY 2019-20)*	Base Services Special Tax in Tax Zone 2 Before the Transition Year (FY 2019-20) *	Base Services Special Tax in Tax Zone 2 In and After the Transition Year (FY 2019-20) *
Residential Square Footage	\$1.68 per Residential Square Foot	\$1.34 per Residential Square Foot	\$2.02 per Residential Square Foot
Taxable Non-Residential Square Footage	\$1.68 per Non-Residential Square Foot	\$1.34 per Non-Residential Square Foot	\$2.02 per Non-Residential Square Foot

*** The Base Services Special Tax for each Tax Zone shown above shall be escalated as set forth in Section D.2.**

Step 1. Review the Certificate of Occupancy, Building Permit, Vertical DDA, condominium plan, Development Approval Documents, architectural drawings, information provided by the Port, Developer or Vertical Developer, and coordinate with the Review Authority to determine the Residential Square Footage and Non-Residential Square Footage anticipated within each building.

Step 2. Using the information from Step 1:

- After consideration of the Tax Zone for the building and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Residential Square Footage by the total Residential Square Footage within each building.

- Based on the Tax Zone in which the building is located and the Transition Year, multiply the applicable Base Services Special Tax from Table 3 for Taxable Non-Residential Square Footage by the total Taxable Non-Residential Square Footage expected in the building.

The Maximum Services Special Tax for the Parcel shall be the sum of the amounts calculated pursuant to this Step 2.

If additional structures are anticipated to be built on the Parcel as shown in the Development Approval Documents, the Administrator shall, regardless of the definitions set forth herein, categorize each building for which a Certificate of Occupancy has been issued as Developed Property, and any remaining buildings for which Certificates of Occupancy have not yet been issued shall not be subject to a Services Special Tax until a Certificate of Occupancy is issued for such remaining buildings. To determine the Services Special Tax for any such Parcel, the Administrator shall take the sum of the Services Special Taxes determined for each building.

3. *Expected Taxable Property*

Depending on the Tax Zone in which a Parcel of Expected Taxable Property is located, the Maximum Facilities Special Tax and, if applicable, Maximum Arts Building Special Tax assigned to the Parcel shall be the Expected Maximum Facilities Special Tax Revenues and, if applicable, Expected Maximum Arts Building Special Tax Revenues that were assigned to the Parcel (as determined by the Administrator) based on the Expected Land Uses prior to the Administrator determining that such Parcel had become Expected Taxable Property. In the Transition Year and each Fiscal Year thereafter, no Arts Building Special Tax shall be levied on Expected Taxable Property.

D. CHANGES TO THE MAXIMUM SPECIAL TAXES

1. *Annual Escalation of Facilities Special Tax and Arts Building Special Tax*

Beginning July 1, 2020 and each July 1 thereafter, each of the following amounts shall be increased by 2% of the amount in effect in the prior Fiscal Year: the Base Facilities Special Tax for each Tax Zone in Table 1; the Base Arts Building Special Tax for Tax Zone 2 in Table 2; the Expected Maximum Facilities Special Tax Revenues in Attachment 3, the Expected Maximum Arts Building Special Tax Revenues in Attachment 3, and the Maximum Facilities Special Tax and Maximum Arts Building Special Tax assigned to each Taxable Parcel.

2. *Annual Escalation of Services Special Tax*

Beginning July 1, 2020 and each July 1 thereafter, the Base Services Special Tax for each Tax Zone in Table 3 and the Maximum Services Special Tax assigned to each Taxable Parcel shall be adjusted by the Escalator.

3. *Changes in Square Footage Category on a Parcel of Developed Property*

If any Parcel that had been taxed as Developed Property in a prior Fiscal Year is rezoned or otherwise has a Land Use Change, the Administrator shall, separately for each of the Special Taxes, multiply the applicable Base Special Tax by the total Residential Square Footage and Taxable Non-Residential Square Footage on the Parcel after the Land Use Change; if the First Bond Sale has not yet occurred, the combined amount of the applicable Special Taxes shall be the Maximum Special Tax for the Parcel. If the First Bond Sale has taken place, the Administrator shall apply the remainder of this Section D.3.

If the Maximum Special Tax that would apply to the Parcel after the Land Use Change is greater than the Maximum Special Tax that applied to the Parcel prior to the Land Use Change, the Administrator shall increase the Maximum Special Tax for the Parcel to the amount calculated based on the Land Use Change. If the Maximum Special Tax after the Land Use Change is less than the Maximum Special Tax that applied prior to the Land Use Change, there shall be no change to the Maximum Special Tax for the Parcel. Under no circumstances shall the Maximum Special Tax on any Parcel of Developed Property be reduced, regardless of changes in Square Footage Category or Square Footage on the Parcel, including reductions in Square Footage that may occur due to demolition, fire, water damage, or acts of God.

4. *Changes to Planning Parcels and Expected Land Uses*

If, at any time prior to the First Bond Sale, the Developer or a Vertical Developer makes changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall update the Expected Land Uses and Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues, which will be reflected on an updated Attachment 3. In addition, the Administrator will request updated Attachments 1 and 2 from the Developer.

If, after the First Bond Sale, the Developer or a Vertical Developer proposes to make changes to the boundaries of the Planning Parcels or the Expected Land Uses within one or more Planning Parcels, the Administrator shall meet with the Port, Developer, and any affected Vertical Developers to review the proposed changes and evaluate the impact on the Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. If the Administrator determines that such changes will not reduce Required Coverage on Bonds that have been issued, the Port will decide whether to allow the proposed changes and corresponding redistribution of the Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues. If such changes are permitted, the Administrator will update Attachment 3 and request updated Attachments 1 and 2 from the Developer. If the Administrator determines that the proposed changes will reduce Required Coverage on Bonds that have been issued, the Port will not permit the changes.

5. *Reduction in Maximum Facilities Special Taxes Prior to First Bond Sale*

Prior to the First Bond Sale, as set forth in the Financing Plan, the Port, Developer, and any affected Vertical Developer in Tax Zone 1 may agree to a proportional or disproportional reduction in the Base Facilities Special Tax. If the parties agree to such a reduction, the Port will direct the Administrator to use the reduced Base Facilities Special Tax for purposes of levying the taxes pursuant to this RMA, and such reduction shall be codified by recordation of an

amended Notice of Special Tax Lien against all Taxable Parcels within the STD. The reduction shall be made without a vote of the qualified STD electors.

E. ANNEXATIONS

If, in any Fiscal Year, a property owner within the Future Annexation Area wants to annex property into Zone 2 of the STD, the Administrator shall apply the following steps as part of the annexation proceedings:

- Step 1.* Working with Port staff, the Administrator shall determine the Expected Land Uses for the area to be annexed.
- Step 2.* The Administrator shall prepare or have prepared updated Attachments 1, 2, and 3 to reflect the annexed property and identify the revised Expected Land Uses, Expected Maximum Facilities Special Tax Revenues and Expected Maximum Arts Building Special Tax Revenues. After the annexation is complete, the application of this RMA shall be based on the adjusted Expected Land Uses and Maximum Facilities Special Tax Revenues and Maximum Arts Building Special Tax Revenues, as applicable, including the newly annexed property.
- Step 3.* The Administrator shall ensure that a Notice of Special Tax Lien is recorded against all Parcels that are annexed to the STD.

F. METHOD OF LEVY OF THE SPECIAL TAXES

1. *Facilities Special Tax*

Each Fiscal Year, the Administrator shall determine the Facilities Special Tax Requirement for the Fiscal Year, and the Facilities Special Tax shall be levied according to the steps outlined below:

a. *In Any Fiscal Year in Which There is No Developer Private Agreement or Developer Public Agreement in Place*

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.
- Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

b. In Any Fiscal Year in Which There is Either or Both a Developer Private Agreement and/or a Developer Public Agreement in Place

- Step 1.* In all Fiscal Years, the Maximum Facilities Special Tax shall be levied on all Parcels of Developed Property regardless of debt service on Bonds (if any), and any Remainder Special Taxes collected shall be applied as set forth in the Indenture and the Financing Plan.
- Step 2.* After the First Bond Sale, but only if a Developer Private Agreement is in place, if additional revenue is needed after Step 1 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Parcel of Undeveloped Property that is not a Port-Owned Development Parcel for such Fiscal Year.
- Step 3.* After the First Bond Sale, but only if a Developer Public Agreement is in place, if additional revenue is needed after Step 2 in order to meet the Facilities Special Tax Requirement after Capitalized Interest has been applied to reduce the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Port-Owned Development Parcel, up to 100% of the Maximum Facilities Special Tax for each Port-Owned Development Parcel for such Fiscal Year.
- Step 4:* After the First Bond Sale, if additional revenue is needed after Step 3 in order to meet the Facilities Special Tax Requirement, the Facilities Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Facilities Special Tax for each Parcel of Expected Taxable Property.

2. Arts Building Special Tax

- Step 1.* Each Fiscal Year the Maximum Arts Building Special Tax shall be levied on each Taxable Parcel of Developed Property. Any Remainder Special Taxes collected shall be applied as set forth in the Financing Plan. The Arts Building Special Tax may not be levied on Undeveloped Property.
- Step 2.* After the First Bond Sale, if additional revenue is needed after Step 1 in order to meet the Arts Building Special Tax Requirement, the Arts Building Special Tax shall be levied Proportionately on each Parcel of Expected Taxable Property, up to 100% of the Maximum Arts Building Special Tax for each Parcel of Expected Taxable Property.

3. *Services Special Tax*

Each Fiscal Year, the Administrator shall coordinate with the City and the Port to determine the Services Special Tax Requirement for the Fiscal Year. The Services Special Tax shall then be levied Proportionately on each Parcel of Developed Property, up to 100% of the Maximum Services Special Tax for each Parcel of Developed Property for such Fiscal Year until the amount levied is equal to the Services Special Tax Requirement. The Services Special Tax may not be levied on Undeveloped Property or Expected Taxable Property.

G. COLLECTION OF SPECIAL TAXES

Special Taxes shall be collected in the same manner and at the same time as ordinary ad valorem property taxes on the regular tax roll, provided, however, that the City may directly bill Special Taxes, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods as authorized by the CFD Law. The Board of Supervisors has ordered any Special Taxes to be levied on leasehold interests to be levied on the secured roll. The Special Tax bill for any Parcel subject to a leasehold interest will be sent to the same party that receives the possessory interest tax bill associated with the leasehold.

In calculating the Facilities Special Tax Requirement, under no circumstances may the Facilities Special Tax that is levied on a Taxable Parcel in a Fiscal Year be increased by more than ten percent (10%) of the Maximum Facilities Special Tax for that Parcel (or such lesser amount required by the CFD Law) as a consequence of delinquency or default in payment of Facilities Special Taxes levied on another Parcel(s) in the STD.

The Facilities Special Tax shall be levied and collected on a Taxable Parcel until the Fiscal Year that is the 120th Fiscal Year in which the Facilities Special Tax has been levied on the Taxable Parcel.

The Arts Building Special Tax shall be levied and collected until the earlier of: (i) the Transition Year, and (ii) the 120th Fiscal Year in which the Arts Building Special Tax has been levied on the Taxable Parcel.

The Services Special Tax shall be levied and collected in perpetuity.

H. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Taxes shall be levied on Affordable Housing Projects, Tax-Exempt Port Parcels, or Exempt Association Square Footage unless such uses are Expected Taxable Property.

I. INTERPRETATION OF SPECIAL TAX FORMULA

The City may interpret, clarify, and revise this RMA to correct any inconsistency, vagueness, or ambiguity, by resolution or ordinance, as long as such interpretation, clarification, or revision

does not materially affect the levy and collection of the Special Taxes and any security for any Bonds.

J. SPECIAL TAX APPEALS

Any taxpayer who wishes to challenge the accuracy of computation of the Special Taxes in any Fiscal Year may file an application with the Administrator. The Administrator, in consultation with the City Attorney, shall promptly review the taxpayer's application. If the Administrator concludes that the computation of the Special Taxes was not correct, the Administrator shall correct the Special Tax levy and, if applicable in any case, a refund shall be granted. If the Administrator concludes that the computation of the Special Taxes was correct, then such determination shall be final and conclusive, and the taxpayer shall have no appeal to the Board from the decision of the Administrator.

The filing of an application or an appeal shall not relieve the taxpayer of the obligation to pay the Special Taxes when due.

Nothing in this Section J shall be interpreted to allow a taxpayer to bring a claim that would otherwise be barred by applicable statutes of limitation set forth in the CFD Law or elsewhere in applicable law.
