At regularly scheduled Police Commission meetings, weekly crime trends are provided as part of the Chief’s Report. At the request of the Commission, this crime trends information is being provided in advance of the scheduled meeting to the Commissioners and made available to the public through the Police Commission’s website.

This information is considered preliminary and subject to further analysis and revision. Monthly Crime Reports are posted on the San Francisco Police Department’s website and remain the official analysis of data extracted through Crime Data Warehouse and other tracking systems. Additional information can be found:
