Re: SFPD First Quarter 2026 Document Protocol Report

Dear President Clay and Commissioners:

This letter supplements the San Francisco Police Department's 2026 first quarter report concerning documents requested by DPA under the DPA-SFPD document protocol. In compliance with the established protocol, Chief of Investigations Erick Baltazar reviewed and discussed the Department's 2026 first quarter report with Acting Lieutenant Walter Ware, the Officer in Charge of the Legal Division.

During the first quarter of 2026, the DPA made 386 document requests. Of the 386 document requests, 41 requests were untimely produced. SFPD requested extensions for nine (9) document requests in a timely manner. Four (4) requests for juvenile records were denied, and one (1) other request was denied due to an open investigation. Another request was denied, citing that the records were sealed. Twenty-one (21) requests remained open at the end of the first quarter.

Sincerely,

Paul Henderson  
Executive Director
