Chief's Report

- **Weekly crime trends**
- **Major/Significant Incidents**
- **Policy update on DGO 10.11 (Body Worn Camera) – Briefing regarding reasons for expedited development process under DGO 3.01.04(H)**

Chief Lew welcomed newly appointed Commissioner Low. The Chief also invited the Commissioners to the Honorary Street Sign Dedication Ceremony for Officer Lewin Tankel tomorrow at 12 p.m., 301 Eddy Street.

Chief Lew then reported on crime trends YTD: Violent Crimes down 11 percent; homicide, 17 YTD; rape down 9 percent; robbery down 21 percent; assault down 3 percent; human trafficking down 38 percent. Property Crimes down 24 percent; burglary down 26 percent; motor vehicle theft down 27 percent; arson up 1 percent; larceny theft down 24 percent. Gun violence is down 16 percent compared to 2025.

Shooting Incidents: There was no shooting incident the week ending 5/31/26. There is a total of 39 fatal/non-fatal shooting incidents resulting in 43 victims, 10 homicides, 33 non-fatal.

Homicide Incidents: No homicide incidents reported the week ending 5/31/26.

RTIC (Real Time Investigation Crime Center) Update: Chief Lew reported that just this week total RTIC related cases is 26 and from those cases 28 arrests were made. Just to highlight some cases: On May 25th, at 1557 hours, 37th Avenue and Lincoln in the Richmond District, an injury hit-and-run occurred. RTIC staff observed the CAD and license plate of the hit-and-run vehicle. The license plate was put on the LPR (license plate reader), and drones were sent to the area and located the vehicle parked and occupied on JFK Drive. RTIC staff notified Richmond patrol units in the area who responded and detained the driver and taken into custody for felony hit-and-run incident. On May 28th, at 1524 hours, at Geary and Leavenworth, in the Central District, dispatch received a call that the owner of a gray Mercedes located his vehicle on Geary and Leavenworth and appeared to be occupied. RTIC conducted a query of the Mercedes and confirmed it was stolen. The Mercedes had a different license plate which did not belong to the Mercedes. A drone was launched and citywide plainclothes conducted surveillance. After the suspect moved the vehicle, plainclothes moved in and placed suspect under arrest. Chief Lew stated that RTIC and its technology have led to arrests across numerous categories to include vehicle theft, organized retail theft, wanted persons, hit-and-run, auto and residential burglaries, robbery, aggravated assault, shots fired, and narcotics.

Significant Operations/Arrests: Chief Lew stated that it has been a tough few weeks in the Department. There was an incident that led to one officer being shot and a subsequent officer-involved shooting. On Sunday, May 31st, at approximately 10:30 p.m., SFPD officers were alerted to a license plate hit of an armed and dangerous vehicle that was associated with an armed robbery incident in the East Bay. Officers were advised that the occupants were armed and that the vehicle was coming across the Bay Bridge towards San Francisco. A vehicle stop was attempted in the area of Mission and 1st Street. However, the vehicle fled. A pursuit was conducted through city streets. Eventually, the suspect vehicle crashed in the area of Bayshore and Gerald. A felony stop was conducted and immediately, the driver opened fire on officers. One officer was struck multiple times. An OIS occurred subsequently and a passenger was struck as well. The shooter fled on foot but was eventually captured and taken into custody. Two firearms were recovered from the scene. Both the officer and the passenger who was struck were taken to SF General. The officer is severely injured and continues to undergo treatment at SFGH.

Commissioner Elias asked about the homicide rates and why there is a huge increase in homicides. Chief Lew stated that there is no specific pattern with the homicides that are occurring now and the department is monitoring situation for any retaliatory violence. Chief Lew spoke of a working group that discusses every shootings, shots fired incidents, or any incidents that maybe retaliatory, on a weekly basis.

Commissioner Tekkey would like a report on where the officers are assigned after the Academy graduation. She also asked for an update regarding LEP pins and talked about concerns from the communities about how newsletters are not captured for every station on the website in different languages and would like the Chief to report back as to when that will happen.

Commissioner Scott acknowledged the family who spoke for their loved ones. She also acknowledged OFJ for helping the family of victims of homicides and violence to understand the system and how to navigate through the system.

Commissioner Leung offered prayers and thoughts for the injured officer and wished her a speedy recovery. Commissioner Leung asked as to the number of gun seizures to date. Chief Lew stated YTD it is 406. Commissioner Leung asked if there are any other tools that SFPD needs to increase gun seizures. Chief Lew stated the Department is working with the Feds and that technology

has been helpful in terms of gun violence across the board. The Chief also stated that the Department's biggest issue is personnel and the need for more investigators.

Commissioner Low spoke regarding the crime trends and stated that the Department is on a positive trend, with the exception of homicides. He stated that it may be a useful study to try and understand what is working so that the Department can amplify on those techniques to hopefully continue the trend. Chief Lew explained that technology has been a game changer for the Department in how fast the Department can detect and apprehend and that it is a huge deterrent.

Commissioner Elias requested a 30 by 30 status update.

PUBLIC COMMENT:

David Elliott Lewis, Crisis Intervention Team, spoke of drone reports in the Tenderloin and recommended that a section of the Chief's Report include the use of drone technology and how they've help closed cases and how they're used. He also stated that the public needs to be reminded of how drones are used and what can and cannot be done.

Yulanda Williams spoke of concerns of use of drones and cameras in underserved communities and requested a report on how many tickets are being issued by flock cameras.

Unidentified spoke of Carl Abernathy case and how there was no investigation. She spoke of Officer Gonzalez and Officer Kim from Ingleside and their actions.

Ms. Paulette Brown spoke of her son, Aubrey Abrakasa, and how the perpetrators, Thompson Hanibal, Paris Mofett, Andrew Videau, Jason Thomas, Anthony Hunter, are still walking the streets. She asked to please have investigators reach out to her.

Reese, Summer West Neighborhood Association, thanked Chief Lew for meeting with his neighborhood. He also stated that they have had meetings with their District Captain, Captain Hurley. He hopes that conversations continue particularly with their concern regarding staffing.

DPA Director's Report

- Report on recent DPA activities, and announcement

Director Henderson welcomed new Commissioner Low and congratulated Commissioners Scott and Benedicto for their reappointment to the Commission.

Director Henderson talked about DPA's audit of SFPD's compliance with requirements regarding the use of ALPR. DPA held an entrance conference with SFPD to discuss the audit's scope, objectives, and project timeline. He also reported that the Annual Report, now called the Annual Statistical Report, has been filed and a presentation will be made sometime in the future.

Director Henderson reported the following: 155 cases opened; 122 cases closed. 6 cases open for more than 270 days. There are 45 cases sustained by DPA that are pending with the SFPD and 3 cases pending with the Commission.
