Clay Street Residential

Address:	2210 Clay Street, San Francisco, CA 94115
Phone Number:	(415) 776-4647
Website:	https://www.progressfoundation.org

Description:	Clay Street is a 16-bed transitional residential treatment program (TRTP). It serves adults age 18 and over, and as an IMD alternative focuses on those returning from long-term care settings or who are at risk for institutional placement due to the severity of their psychiatric disorders. The program is based on the social rehabilitation model; primary goals are to help clients develop independent living skills and the support network needed to increase independence and avoid re-hospitalization. Services include onsite rehab individual and group counseling, crisis intervention, activities of daily living, ambulatory medical support, medication support and assistance with case management and referrals. Maximum length of stay is one year.

Alternative Family Services

Address:	250 Executive Park Boulevard, Suite 4900, San Francisco, CA 94134
Phone Number:	(415) 656-0116 Ext 353
Website:	https://www.afs4kids.org

Description:	AFS provides Therapeutic Visitation service, which are time-limited, family focused, therapeutic and skills- based visitation service for children and families involved with the foster care system. AFS provides services in the community, as well as the home to increase skills families need to safely reunify and maintain family attachment. A primary program focus is improving family functioning, promoting positive parent-child interactions, improving child behaviors and reducing mental health symptoms. AFS also provides Outpatient Services which are designed to increase the likelihood of permanency outcomes for youth involved in the foster care system.

Group: Catholic Charities

SF Boys and Girls Home

Address:	750 33rd Avenue, San Francisco, CA 94121
Phone Number:	(415) 668-9543
Website:	https://catholiccharitiessf.org

Description:	Boys' and Girls' Home offers residential treatment and mental health services to youth ages 13 to 18 years old. The SFBGH is a alternative to detention and a diversion program for adjudicated and pre-adjudicated youth. The goal of the program is to provide a safe environment while youth attend school, receive counseling and mental health services, and develop preemployment and independent living skills that will support the youth and their families upon their return to their communities. SFBGH works to connect youth to services in their communities so they may return home in a strengthened manner and provides after-care therapeutic services as needed.
