Hello Ballot Simplification Committee (Council) Clerk,

Question re How to Request Special Consideration for Item on Ballot Simplification Committee Agenda for July 28, 2026.

On the July 28, 2026 Ballot Simplification Committee (Council) agenda is an item re the proposed Charter Amendment for Boards and Commissions.

There was a change in the Summary section for Area #10 re the SFPUC between version #1 and version #2 which wasn't highlighted in the legislation or noted in the Budget and Legislative Analyst (BLA) report.

I submitted written comments on this issue at all phases of the Board of Supervisors process but this issue wasn't addressed.

Therefore, I'm urging the Ballot Simplification Committee (Council) to address this issue.

Attached are screenshots of both version # 1 and version #2.

Version #1 states "expanding".

Version #2 states "updating".

I'm requesting information on the process of how to file a Special Consideration to amend the wording to be "expanding" as this more accurately reflects the intent of the legislation.

Many thanks.

Best,

Eileen Boken,
