Dear Clerk Gray,

Please accept this formal notification of my resignation from the commission, effective today, March 18, 2026.

After more than six years of service, I have decided to step down. I have become increasingly concerned regarding the current situation and the various issues impacting the commission. At this stage, I intend to focus my energy on enjoying my private life.

It has been a privilege to serve on the commission, and I am proud of our accomplishments during my tenure. I wish you and the other members the very best in your future endeavors.

Thank you for your understanding.

Sincerely,

Bahlam Javier Vigil
