## **Public Comment Instructions for Remote Participants**

### **When calling in by telephone (preferred):**

When your item of interest comes up, dial \*3 (star button followed by the number 3) on your phone to raise your hand and be added to the public comment line. You will then hear, "You have raised your hand to ask a question." Please wait until the host calls on you.

The line will be silent as you wait your turn to speak. Ensure you are in a quiet location. Before you speak, mute the sound of any equipment around you, including television, radio, or computer. It is especially important that you mute your computer if you are watching via the web link to prevent feedback and echo when you speak.

If you change your mind and wish to withdraw yourself from the public comment line, press \*3 again. You will hear the system say, "You have lowered your hand."

### **Using your computer web browser (when phone not available)**

Make sure the "Participants" side panel is showing by clicking the "Participants" button shown in the picture at the right.

Then, make sure the "Participants" panel is expanded in the side panel by pressing the small arrow indicator in the panel. You should see a list of Panelists, followed by a list of Attendees. At the bottom of the list of Attendees is a small button or icon that looks like a hand (see where the red arrow is pointing in the picture at the right).

Press the hand icon to raise your hand. The host will unmute you when it is time for you to comment. When you are done with your comment, click the hand icon again to lower your hand.
