Subject: SFPD assists ICE at SFO
Date: Tuesday, March 24, 2026 8:13:46 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

SFPD's conduct at SFO last Sunday was in violation of San Francisco sanctuary city policies. Your officers clearly assisted in the ICE kidnapping by surrounding their officers and then during their operations and transporting them through the airport. How can we trust your departments presence at this weekends No Kings Rally when we do not know who's side you support?
Best,
Gus Preston
