San Francisco Juvenile Justice Coordinating Council's DJJ
Realignment Subcommittee
12.14.21, Agenda Item 3

Findings to Allow Teleconferenced Meetings Under California Government Code Section 54953(e)

- On September 16, 2021, the Governor signed AB 361, a bill that amends the Brown Act to allow local policy bodies to continue to meet by teleconferencing during a state of emergency....provided that the policy bodies make certain findings at least once every 30 days
- Most recent emergency order by the Mayor requires all bodies, except BOS and disciplinary hearings, to continue meeting virtually
- Subcommittee must make two findings (and vote) today on whether to continue remote meetings

Teleconferencing Meetings Continued

Must make two findings:

1) That the DJJ Realignment Subcommittee has considered the circumstances of the state of emergency and 2) that one of the following circumstances exist:

(a) The state of emergency continues to directly impact the ability of members to meet safely in person

OR

(b) State or local officials continue to impose or recommend measures to promote social distancing
