Laguna Honda Hospital and Rehabilitation Center

Providing San Franciscans with short-term rehabilitation and long-term nursing care

Welcome to Laguna Honda

Our mission is to provide a welcoming, therapeutic, and healing environment to support your health and wellbeing.

The Care We Provide

We provide short-term rehabilitation and long-term nursing care in a beautiful facility in the heart of San Francisco. Our care teams work together to support your health and independence.

We offer care in the following areas:

- **General skilled nursing**
- **Geriatrics**
- **Rehabilitative care** with physical, speech, and occupational therapy
- **Positive care** for people living with HIV/AIDS
- **Memory and dementia care**
- **Monolingual care in Spanish and Chinese**
- **Palliative (comfort) care**
- **Restorative care** to help increase mobility, joint strength, and range of motion
- **Respite program** to provide short-term relief to caregivers

How We Support

Our multi-disciplinary care team model includes licensed nurses and physicians who specialize in skilled nursing care and rehabilitation services. The care team also includes a coordinated team of activity therapists, social workers, pharmacists, physical and occupational therapists, dieticians, patient care assistants, and behavioral specialists.

All residents are unique, and each receives an individual care plan that fits their needs and goals. The care team partners closely with you and your loved ones through regular care conferences to track progress.

When ready for discharge, residents are integrated back into their communities. Care teams guide families through the process to support the transition to more independent living.

375 Laguna Honda Boulevard
San Francisco, CA 94116

Our Campus

Since opening in 1866, Laguna Honda has proudly served the health care needs of San Franciscans. Laguna Honda was rebuilt in 2010, and is a LEED silver certified, state-of-the-art facility. It offers plenty of access to natural light and the colors of nature, creating a healthy and healing environment.

The Neighborhood Model

Laguna Honda is organized into 13 neighborhoods. This provides a smaller community within the larger Laguna Honda campus. Each neighborhood has a dedicated care team.

Neighborhoods have four sitting areas where you can enjoy views and sunlight as well as a central "great room" for community activities and meals.

Living Accomodations

We strive to create a homelike environment for you. All rooms have a window and are fully furnished with a TV and pillow speaker. Every resident has a call light that notifies the team if you need assistance.

Campus Highlights:

- Medical clinic
- Acute care unit
- Therapeutic farm and garden with goats, sheep, and rabbits
- Meadow
- Barbershop and beauty salon
- Art studio
- Library
- Chapel
- Rehabilitation Gym

Medical Services

Laguna Honda has **physicians onsite 24/7** and every resident has a dedicated physician that serves as your primary care doctor.

Our **onsite Clinic** makes appointments easy and convenient. The clinic includes dentists, optometrists, podiatrists, cardiologists, neurologists, pain management specialists, wound care specialists, and more. We also have onsite radiology for imaging and respiratory therapy.

Laguna Honda has a small **acute care unit** for residents that need a higher level of care.
