## INTRODUCTION

1. *EIFD and Project Areas.* This Infrastructure Financing Plan ("IFP") has been prepared at the direction of the Enhanced Infrastructure Financing District Public Financing Authority No. 1 ("PFA"), in its capacity as the governing body of the San Francisco Enhanced Infrastructure Financing District No. 2 (Stonestown) ("EIFD"), under Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code ("EIFD Law").

Initially, the EIFD will consist of two project areas. Upon further subdivision of certain properties within the Subject Property (as defined below), the EIFD is expected to consist of nine project areas (each, a "Project Area" and, collectively, "Project Areas"), as follows:

[remainder of page blank]

**Table 1. Project Areas at Formation.**

		Land Allocation <sup>1</sup>	Improvements Allocation <sup>2</sup>		Land + Imp
Project Area at Formation & APNs	Project Area After Subdivision	APN at Formation (Land Allocation)	APN at Formation (Improvement Allocation)	Unsecured AV	FY 2025-26 Land + Imp + Unsecured AV
Project Area A	Project Area 1	7295-006, 7295-007, 7295-035, 7295-037 (est 19.7%), 7295-038 (est 0.1%)	7295-035	\$0	\$37,556,758
	Project Area 2	7295-037 (est 37.5%), 7295-038 (est 10.6%)	7295-038 (est 0.4%)	\$27,041	\$10,271,467
	Project Area 3	7295-037 (est 21.9%), 7295-038 (est 16.7%)	7295-038 (est 0.4%)	\$0	\$15,819,986
	Project Area 4	7295-038 (est 5.8%), Vacated Winston Drive Public R/W	7295-038 (est 0.8%)	\$0	\$6,963,116
	Project Area 5	7295-038 (est 22.5%), 7295-037 (est 19.9%)	7295-038 (est 15.2%)	\$1,985,684	\$54,379,952
	Project Area 6	Vacated Monte Vista Drive, 7295-004 (est 0.4%), 7295-038 (est 23.0%)	Vacated Monte Vista Drive, 7295-038 (est 2.9%)	\$2,923,394	\$29,740,136
Total Project Area A		\$104,091,653	\$45,703,643	\$4,936,119	\$154,731,415
Project Area B	Project Area 7	7296-005 (est 36.1%)	<u>N/A</u>	\$0	\$8,466,750
	Project Area 8	7296-005 (est 34.2%), 7296-008 (est 63.0%)	<u>N/A</u>	\$0	\$8,462,170
	Project Area 9	7296-006 (est 4.3%), 7296-007 (est 84.8%), 7296-008 (est 25.6%)	7296-007 <u>(100%)</u>	\$0	\$19,423,331
Total Project Area B		\$24,527,755	\$11,824,496	\$0	\$36,352,251
Total EIFD		\$126,097,464	\$56,400,139	\$4,936,119	\$191,083,666

**Footnotes:**

1. Land: The allocation of APN FY 2025/26 assessed land values among the future Project Areas is proportionate to the distribution of the land area of each APN among the Project Areas.
2. Improvements: The allocation of APN FY 2025/26 assessed improvement values among the future Project Areas is proportionate to the distribution of the square footage of improvements on each APN among the Project Areas.

2. ***Purpose of the EIFD and the Project Areas.*** The EIFD's sole purpose is to provide financing for the public capital facilities and other projects (whether publicly- or privately-owned) of communitywide significance, including affordable housing, described on Exhibit C hereto (collectively, "Facilities") in connection with a mixed-use development (as described below) that may include residential, retail, commercial, open space, parking and related uses within the boundaries of the EIFD ("Project").

The purpose of the Project Areas is to establish for each Project Area a separate 45-year time period for the allocation of certain property tax revenues to the EIFD. See Section D.7(b) below.

3. ***Requirements of the IFP.*** As required by Sections 53398.59 through 53398.74 of the EIFD Law, this IFP includes the following information:

- (a) A legal description and map of the EIFD and each current Project Area which includes all of the territory designated by the Board of Supervisors of the City and County of San Francisco ("City") in its Resolution No. 399-24, adopted on July 16, 2024, and approved by the Mayor on July 26, 2024 ("Resolution of Intention"). See Section A below.
- (b) A description of the public facilities and other forms of development or financial assistance that are proposed in the area of the EIFD, including those to be provided by the private sector, those to be provided by governmental entities without assistance under the EIFD Law, those public improvements and other facilities (whether publicly- or privately-owned) to be financed with assistance from the EIFD, and those to be provided jointly. The description includes the proposed location, timing, and costs of the development and financial assistance. See Section B below.
- (c) A finding that the development and financial assistance are of communitywide significance and provide significant benefits to an area larger than the area of the EIFD. See Section C below.
- (d) A financing section, which contains all of the following information (see Section D below):
  - (i) A specification of the maximum portion of the incremental tax revenue of the City proposed to be committed to the EIFD for each year during which the EIFD will receive incremental tax revenue.
  - (ii) A projection of the amount of tax revenues expected to be received by the EIFD in each year during which the EIFD will receive tax revenues.
  - (iii) A plan for financing the public facilities and other projects (whether publicly- or privately-owned) to be assisted by the EIFD, including a detailed description of any intention to incur debt.
  - (iv) A limit on the total number of dollars of taxes that may be allocated to the EIFD pursuant to this IFP.

- (v) A date on which the EIFD will cease to be in effect and all tax allocations to the EIFD will end and a date on which the EIFD's authority to repay indebtedness with incremental tax revenues received under the EIFD Law will end. Because the EIFD will include Project Areas, there is a separate and unique time limit for each Project Area that does not exceed 45 years from the end of the first fiscal year in which the applicable Project Area has actually received one hundred thousand dollars (\$100,000) in annual Allocated Tax Revenue (as defined in this IFP) under the EIFD Law.
- (vi) An analysis of the costs to the City of providing facilities and services to the area of the EIFD while the area is being developed and after the area is developed. The plan includes an analysis of the tax, fee, charge, and other revenues expected to be received by the City as a result of expected development in the area of the EIFD.
- (vii) An analysis of the projected fiscal impact of the EIFD and the associated development upon the City.
- (viii) The goals the EIFD proposes to achieve for each project financed as described in this IFP.

4. ***Not a Transit Priority Project.*** Because the Project does not qualify for the Transit Priority Project Program pursuant to California Government Code Section 65470, the EIFD Law does not require this IFP to include a plan for financing any potential costs that may be incurred by reimbursing the developer of a project that is located entirely within the boundaries of the EIFD and qualifies for the Transit Priority Project Program.

5. ***No Existing Dwelling Units.*** Because no dwelling units exist within the territory of the EIFD as of the date of adoption of this IFP by the PFA, the EIFD Law does not require this IFP to include a plan for the replacement of dwelling units or the relocation of persons or families.

6. ***Funding for the EIFD.*** The EIFD will be funded solely from a portion of the property tax revenues described herein that would otherwise be distributed to the City, including amounts that would be deposited in the General Fund and amounts that would be deposited in Park, Recreation, and Open Space Fund, the Children's Fund, and the Library Preservation Fund. No other taxing agency's revenues will be affected by or available to the EIFD. Consequently, this IFP will discuss the tax increment of the City only.

7. ***Base Year Assessed Values.*** The Base Year (as defined herein) for the EIFD is Fiscal Year 2025-26.

## A. LEGAL DESCRIPTION AND MAP

### 1. *General Description of Property in the EIFD.*

Stonestown NW Parcel LLC, a Delaware limited liability company ("NW Parcel Owner"), Stonestown Shopping Center, L.P., a Delaware limited partnership ("Shopping Owner"), and Stonestown Anchor Acquisition, L.P., a Delaware limited partnership ("Anchor Owner"; together with NW Parcel Owner and Shopping Owner, "Developer") own the approximately 30 acres of developed land located in the southwest part of the City, generally bounded by 19th Avenue to the east, Buckingham Way to the south and west, and Rolph Nicol Jr. Playground and Eucalyptus Drive to the north ("Developer Property").

The Developer Property is fully developed and comprises approximately 27 acres of surface parking lots and operational uses, a vacant building, and approximately three acres of existing privately-owned streets.

Temple Baptist Church or its successor owns approximately 0.8 acres of land located adjacent to 19th Avenue along the eastern boundary of the Developer Property (Block/Lot 7295/002) that is improved with a church building, as further described on Exhibit A-2 to the Development Agreement ("Variant Sub-Area").

The City owns the approximately three-acre open space known as Rolph Nicol Jr. Playground adjacent to the Developer Property ("RPD Parcel").

The City also owns approximately 0.2 acres of developed and undeveloped public rights-of-way, consisting of portions of Winston Drive and Monte Vista Drive ("Existing City-Owned Rights-of-Way"; and together with portions of the RPD Parcel, the Developer Property, and the Variant Sub-Area, "Project Site").

The Shopping Owner and Anchor Owner also own the existing Stonestown Galleria, which is not a part of the Project Site but is included as part of the development agreement relating to the Project Site ("Development Agreement," as described below) for the limited purposes specified in the Development Agreement.

The Project Site has been approved for a mixed use development ("Project"). The Project, as described in the Stonestown Development Project Final Environmental Impact Report ("FEIR") prepared for the Project and certified by the Planning Commission on May 9, 2024, pursuant to Motion No. 21559 (Case No. 2021-012028ENV), is anticipated to include up to approximately 3.9 million square feet of new construction, and may include (i) up to approximately 3,341 residential units (or approximately 3,491 residential units with the addition of the Variant Sub-Area), consisting of a mix of rental and for-sale housing of varying affordability in a variety of housing types from townhomes to mid- and high-rise buildings, (ii) approximately 160,000 square feet of net new Retail Sales and Service Use (i.e. retail/restaurant/commercial or similar use), (iii) approximately 96,000 net new square feet of Non-Retail Sales and Service Use (e.g., general office, life science, or similar uses), (iv) up to 53,000 net new square feet of cultural, institutional, and educational uses (up to 63,000 net new square feet of such uses with the addition of the Variant Sub-Area), and (v) approximately 6 net new acres of privately-owned, public open space, which exceeds the amount prescribed by open space requirements under the San Francisco Planning Code. The Project also includes up

to 4,450 parking spaces (or up to 4,861 parking spaces with the addition of the Variant Sub-Area).

The Project Site is referred to herein as the “Subject Property.”

The boundaries of the EIFD are coterminous with the boundaries of the Subject Property.

2. ***No Overlap with Former Redevelopment Project Area(s).*** The boundaries of the proposed EIFD do not include any portion of a former redevelopment project area that was created pursuant to Part 1 (commencing with Section 33000) of Division 24 of the California Health and Safety Code.

3. ***Legal Description and Map.*** Please refer to Exhibit A for a legal description of the property in the Project Areas and Exhibit B for a map of the EIFD and the Project Areas.

4. ***Future Amendments of Project Area Boundaries – New Project Areas.*** The PFA has determined that (1) at formation there are two identified Project Areas, (2) following the formation of the EIFD and adoption of this IFP, the Developer intends from time to time to subdivide the legal parcels constituting the initial Project Area A (shown as area A on the boundary map) and Project Area B (shown as areas B-1 and B-2 on the boundary map), (3) following one or more subdivisions of the legal parcels constituting Project Area A, Project Areas 1-6 will be created and replace Project Area A, and (4) following one or more subdivisions of the legal parcels constituting Project Area B, Project Areas 7-9 will be created and replace Project Area B.

The creation of each new Project Area and the corresponding replacement of all or a part of the initial Project Areas shall occur automatically upon (1) subdivision of the legal parcels constituting one of the initial Project Areas that creates the new Project Area(s) and (2) the assignment of tax rate areas to such new Project Area(s) by the California State Board of Equalization, without any public hearing or vote of the property owners or residents in the EIFD, and shall not require approval by the PFA or the Board of Supervisors of the City.

Each time that Project Areas are created through the subdivision of Project Area A or Project Area B (shown as areas B-1 and B-2 on the boundary map) as described in the previous paragraph, the Executive Director of the EIFD will replace then-existing maps and legal descriptions in this IFP with updated maps and legal descriptions for the Project Areas created at that time, as appropriate, add a notation in the Index of Adoption and Amendments, then deliver the updated IFP to the Secretary of the PFA. To establish a public record of the creation and ultimate replacement of Project Areas, (1) the PFA shall acknowledge receipt of the updated IFP at its next public meeting, (2) the Executive Director shall cause the updated IFP that reflects the new Project Areas to be filed with the San Francisco Assessor, (3) the Executive Director of the PFA shall post the updated IFP on the EIFD’s website, and (4) the Executive Director shall send the updated IFP to the Clerk of the Board of Supervisors with a cover letter that explains the changes that were made and asks the Clerk to file the updated IFP in the legislative file for the Board of Supervisors resolution that approved the original IFP.

The following Table 2 summarizes the 9 Project Areas following subdivision of Project Area A and Project Area B:

**Table 2. Project Areas After Subdivision**

Project Area	Acres	FY 2025-2026 Assessed Value	Estimated Date of Project Area Formation
1	7.01	\$37,556,758	2027
2	3.14	\$10,271,467	2029
3	4.122	\$15,819,986	2033
4	1.352	\$6,963,116	2036
5	5.346	\$54,379,952	2039
6	5.149	\$29,740,136	2042
7	1.621	\$8,466,750	2042
8	1.928	\$8,462,170	2046
9	1.544	\$19,423,331	2048
<b>Total EIFD</b>	<b>31.212</b>	<b>\$191,083,666</b>	

5. *Future Amendments of Project Area Boundaries – Tax Rate Areas.* In addition, the PFA is aware that it may need to make other changes to the boundaries of one or more Project Areas in the future in order to conform the Project Areas described in this IFP to the final development parcels established by the recordation of one or more final subdivision maps for the Subject Property so that the California State Board of Equalization can assign tax rate areas to all of the development parcels comprising the Project Areas. Accordingly, the PFA reserves the right, and nothing in this IFP limits the ability of the PFA, to amend the boundaries of one or more Project Areas by resolution, following the provision of a 30-day mailed notice describing the amendment to the City (the only affected taxing entity under this EIFD) and all property owners and residents within the EIFD, and without any public hearing or vote of the property owners or residents in the EIFD, to the extent necessary to provide for the assignment of tax rate areas, as long as (i) an independent fiscal consultant determines that the amendment will not impair the EIFD's ability to pay debt service on its Bonds (as defined in the following paragraph) then outstanding or, in and of itself, reduce the debt service coverage on any Bonds then outstanding below the amount required to issue parity debt and (ii) the amendment does not remove land from the EIFD. For the avoidance of doubt, the authority to change the boundaries of the Project Areas, pursuant to this IFP applies to (i) the initial Project Areas and (ii) each new Project Area established pursuant to Section A.4 above or through annexation of property to the EIFD in the future, if any, in each case as amended or expanded as described in this IFP or permitted by the EIFD Law. Upon completion of an amendment of the boundaries of one or more Project Areas as described in this paragraph and, if necessary, the assignment of tax rate areas to such amended Project Areas by the California State Board of Equalization, the PFA will replace the then-existing maps and legal descriptions in this IFP with updated maps and legal descriptions, as appropriate, and a notation will be added to the Index of Adoption and Amendments. To establish a public record of the amendment of the boundaries of the Project Areas, (1) the Executive Director shall cause the amended IFP to be filed with the San Francisco Assessor, (2) the Executive Director shall post the amended IFP on the EIFD's website, and (3) the Executive Director shall send the amended IFP to the Clerk of the Board of

Supervisors with a cover letter that explains the changes that were made and asks the Clerk to file the amended IFP in the legislative file for the Board of Supervisors resolution that approved the original IFP.

For the avoidance of doubt, as long as they do not alter the Project Area boundaries, (i) the filing of any condominium map and the creation of condominium lots therefrom and/or (ii) any vertical or horizontal subdivision of legal parcels within the Project Area (including, without limitation, the creation or modification of airspace parcels) shall not be considered an amendment of the Project Area boundaries and shall not require any public hearing or vote of the property owners or residents in the EIFD, and shall not require approval by the PFA.

For purposes of this IFP, "Bonds" means (A) tax increment bonds that are payable from Allocated Tax Revenue and (B) if a community facilities district (a "CFD") is formed by the City to provide financing for the Facilities, any special tax bonds that are issued by or for the CFD and are payable from Allocated Tax Revenue.

The PFA does not expect any of the amendments of the Project Area boundaries described in the previous paragraph to impact the base year value for any such Project Area.

## **B. DESCRIPTION OF FACILITIES AND DEVELOPMENT OR FINANCIAL ASSISTANCE**

This section of the IFP describes the proposed land uses in the EIFD, reflects assumptions and projections, and is intended for illustrative purposes only. Actual results may vary, and the descriptions do not constitute limitations on the use of the Allocated Tax Revenue (as described in this IFP).

### **1. *Anticipated Future Private Development in the EIFD.***

*Description of the Project.* The proposed Project is summarized in Table 3 below.

**Table 3. Anticipated Development Program – San Francisco EIFD No. 2 (Stonestown)**

	Building Area (Square Feet)	Units or Spaces	Anticipated Construction Period
<b>Commercial Uses</b>			
Office	96,000	-	2040-2049
Retail	160,000	-	2040-2049
<b>Commercial Subtotal</b>	<b>256,000</b>	-	-
<b>Parking</b>	<b>Varies</b>	<b>4,611</b>	<b>2028-2051</b>
<b>Community, Institutional, and Education</b>	<b>63,000</b>		<b>2040-2049</b>
<b>Total, Non-Residential</b>	<b>319,000</b>		
<b>Residential Uses</b>			
Market-Rate For Sale		22	2028-2030
Market-Rate Rental		3,119	2028-2051
Affordable Rental, Inclusionary Units <sup>1</sup>		350	2028-2051
Affordable Rental, Stand-Alone Units		0	N/A
<b>Residential Subtotal</b>		<b>3,491</b>	

<sup>1</sup> It is assumed that the inclusionary units are built proportionate to the market rate units in each Project Area.

Table 4 below summarizes the proposed Project by Project Area (after subdivision of Project Area A and Project Area B).

**Table 4. Anticipated Development Program by Project Area - San Francisco EIFD No. 2 (after Subdivision of Project Area A and Project Area B)**

Project Area	Commercial			Total Residential				Parking Spaces	Community Institutional & Education	Anticipated Construction Period
	Office SF	Retail SF	Total SF	Mkt. Rate Thms.	Mkt. Rental	100% AMI Inclusnry <sup>1</sup>	Total Units			
1	0	3,800	3,800	22	464	53	539	355	3,500	2028-2030
2	0	19,000	19,000	0	144	16	160	880	6,000	2030-2033
3	0	12,868	12,868	0	293	33	326	339	0	2034-2036
4	0	11,949	11,949	0	274	31	305	278	0	2037-2039
5	24,000	18,383	42,383	0	507	56	563	755	15,500	2040-2042
6	0	17,000	17,000	0	343	38	381	378	20,000	2043-2046
7	47,000	41,000	88,000	0	250	28	278	507	18,000	2043-2046
8	25,000	36,000	61,000	0	561	63	623	730	0	2047-2049
9	0	0	0	0	283	32	315	389	0	2049-2051
	<b>96,000</b>	<b>160,000</b>	<b>256,000</b>	<b>22</b>	<b>3,119</b>	<b>350</b>	<b>3,491</b>	<b>4,611</b>	<b>63,000</b>	<b>2028-2051</b>

<sup>1</sup> It is assumed that the inclusionary units are built proportionate to the market rate units in each Project Area.

**THE TYPE OF DEVELOPMENT AND THE NUMBER OF RESIDENTIAL UNITS AND SQUARE FOOTAGE OF RETAIL/COMMERCIAL SPACE SET FORTH IN TABLES 3 AND 4 ARE BASED ON CURRENT PROJECTIONS PROVIDED BY THE DEVELOPER; ACTUAL DEVELOPMENT MAY, AND WILL LIKELY, VARY. NOTHING IN THIS IFP SHALL LIMIT THE ABILITY OF THE DEVELOPER TO REVISE THE SCOPE AND TIMING OF THE PROJECT, AND ANY CHANGE IN THE NATURE OF THE PROJECT WILL NOT REQUIRE AN AMENDMENT OF THIS IFP.**

*Development Agreement and Financing Plan.* The City, acting by and through its Planning Department, and the Developer entered into a Development Agreement dated as of May 6, 2025, and recorded in the Official Records on July 7, 2025, as Document No. 2025049884 (as it may be further amended from time to time, "Development Agreement").

The Development Agreement includes a Financing Plan as Exhibit N (herein, "Development Agreement Financing Plan"). The Development Agreement Financing Plan describes certain terms of this IFP and the priorities for use of the Allocated Tax Revenue (as set forth in this IFP), and provides for execution of the EIFD Acquisition and Financing Agreement described below.

Certain terms used in this IFP but not defined herein have the meanings given to them in the Development Agreement Financing Plan.

*EIFD Acquisition and Financing Agreement.* Upon formation of the EIFD, the City,

the EIFD, and the Developer will enter into an Acquisition and Financing Agreement related to the EIFD ("EIFD Acquisition and Financing Agreement"). The EIFD Acquisition and Financing Agreement will describe (1) the conditions under which the City will acquire Acquisition Facilities (as defined in the EIFD Acquisition and Financing Agreement) or reimburse the Actual Costs (as defined in the EIFD Acquisition and Financing Agreement) of the Developer for construction of the Privately-Owned Facilities (as defined in the EIFD Acquisition and Financing Agreement), (2) the circumstances in which the EIFD may finance Privately-Owned Facilities at the request of the Developer, including issuing Bonds to finance construction of Privately-Owned Facilities constructed by parties other than the Developer, (3) the EIFD's use of Bond proceeds, Allocated Tax Revenue, and Conditional Tax Revenue to finance the City's payment obligations and other authorized purposes, and (4) the other items described in Section 3.1(g) of the Development Agreement Financing Plan. The Acquisition Facilities and Privately-Owned Facilities are the Facilities referenced in this IFP and described in Exhibit C hereto.

*Total Cost of the Project and Related Improvements.* The Developer estimates that the total cost of the Project will be approximately \$3,600,000,000 (2025 dollars), of which nearly \$3,200,000,000 (2025 dollars) is estimated to be attributable to development of the private elements of the Project not being financed by the EIFD ("Privately-Financed Elements"). The Privately-Financed Elements will be paid, or caused to be paid, by the Developer without assistance from the EIFD. The following elements of the Project constitute Facilities that are eligible for financing by the EIFD:

- Acquisition Facilities, which are expected to cost approximately \$23 million (2025 dollars)
- Privately-Owned Facilities, including:
  - Privately-Owned Community Improvements (see Exhibit C) that will be open to the public, which are expected to cost approximately \$248 million (2025 dollars)
  - Privately-owned affordable housing units, which are expected to cost approximately \$167 million (2025 dollars)

## ***2. Facilities and Other Forms of Development or Financial Assistance to be Provided by the Private Sector.***

The Facilities that will be constructed, or caused to be constructed, by the Developer are described in Exhibit C. Under the EIFD Law, the facilities financed by the EIFD must be in addition to those provided in the territory of the EIFD before the EIFD was created. The additional facilities may not supplant facilities already available within that territory when the EIFD was created but may supplement, rehabilitate, upgrade, or make more sustainable those facilities.

All affordable housing financed by the EIFD, whether on-site or off-site, will be restricted by recorded covenants or restrictions to occupancy at affordable housing costs by persons of very low, low, and moderate income, as defined in Sections 50105 and 50093 of the

California Health and Safety Code, for rent or purchase, for the longest feasible time, but for not less than 55 years for rental units and 45 years for owner-occupied units.

All of the Facilities are authorized to be financed by the EIFD, but some Facilities may not be financed by the EIFD. See “*Facilities and Other Projects Costs to be Financed by the EIFD*” below.

To the extent they are not financed by the EIFD (or through other forms of public finance, including the CFD that may be formed by the City to provide financing for the Facilities), the costs of the Facilities will be borne by the Developer, except as set forth immediately below.

**3. *Public Facilities and Other Forms of Development or Financial Assistance to be Provided by Governmental Entities without Assistance from the EIFD.*** Affordable housing to be constructed as a condition of development of the Project is currently expected to be financed using multiple sources of public and private debt and equity, which, in addition to assistance from the EIFD, may include (but are not limited to) federal tax credits, qualified private activity bonds, voter-approved general obligation bonds, affordable housing and jobs/housing impact fees, and other local, state and federal affordable housing resources. The EIFD may provide financing for the Actual Costs of affordable housing constructed, or caused to be constructed, by the Developer, either directly, indirectly, on-site or off-site or through payment of in-lieu fees in accordance with the EIFD Acquisition and Financing Agreement. The affordable housing that is financed by the EIFD may be built within or outside the EIFD boundaries. For the avoidance of doubt, whenever the IFP refers to the EIFD financing fees it means that the EIFD funds will be applied to pay the actual costs of the eligible Facilities and the Developers will be provided with a corresponding credit against their obligation to pay such fees. The EIFD Acquisition and Financing Agreement will establish a process by which the Developer may deposit funds with the City in satisfaction of an obligation to pay a fee, but the Developer funds will be deemed a Deposit (as defined in the EIFD Acquisition and Financing Agreement) that may be returned to the Developer when EIFD funds are available.

**4. *Facilities and Other Projects Costs to be Financed by the EIFD.*** The EIFD is projected to use Allocated Tax Revenue (as defined in Section D below) to finance on a pay-go basis and issue Bonds or other debt that is payable from Allocated Tax Revenue to finance approximately \$438 million (estimated in 2025 dollars) in Actual Costs of Facilities, including public capital facilities (estimated to be approximately \$23 million in 2025 dollars), Privately-Owned Community Improvements (see Exhibit C) (estimated to be approximately \$248 million in 2025 dollars), and privately-owned affordable housing costs (estimated to be approximately \$167 million in 2025 dollars).

The Facilities will be partially initially funded by capital invested by the Developer, which may be repaid by public financing sources such as Allocated Tax Revenue and CFD special taxes and/or Bond proceeds supported by Allocated Tax Revenue and/or CFD special taxes.

**Table 5. Estimated Costs of Facilities to be Financed by EIFD**

Facility	Estimated Improvement Costs (\$millions)	Estimated Timing	Location
Streets	\$103.83M	2027-2051	Entire Project
Site Work	\$42.4M	2027-2051	Entire Project
Utilities	\$124.53M	2027-2051	Entire Project
Parks (RPD Parcel Improvements)	\$0.48M	2027-2041	RPD Parcel
Affordable Housing	166.82M	2027-2051	Entire Project
<b>Total</b>	<b>\$438.06M</b>		

The obligation to provide financing for the Facilities to the extent that Allocated Tax Revenue is available as set forth in the EIFD Acquisition and Financing Agreement constitutes debt of the EIFD under the EIFD Law.

See Section D.7(c) below for a summary of other capital sources projected to be available to finance the Facilities.

In accordance with City policy, the EIFD may only finance infrastructure projects that have an identified source of funding for ongoing maintenance and operations. City policy provides that this commitment could be in the form of a General Fund appropriation or through public-private financing mechanisms, such as a property owner association or a community benefit district agreeing to maintain a public park, or through formation of a supplemental property tax assessment district, like a CFD. In satisfaction of this policy, the Developer agreed in the Development Agreement Financing Plan to establish a CFD to authorize Contingent Services Special Taxes that may be levied only upon satisfaction of certain conditions to finance the costs of the maintenance, repair, and replacement of the privately-maintained portions of the Project Street Network or other Infrastructure (not including any Project Open Spaces) located within the Project from the Contingent Services Special Taxes. The EIFD will not provide financing for the Project Open Spaces. Before it provides financing for Facilities that constitute infrastructure projects that are subject to the policy, the EIFD will confirm that the Developer has established the CFD that authorizes the Contingent Services Special Taxes pursuant to the Development Agreement Financing Plan. Capitalized terms used in this paragraph have the meanings given them in the Development Agreement Financing Plan.

**5. Facilities and Other Forms of Development or Financial Assistance to be Jointly Provided.** There are no public facilities that will be jointly provided by the private and governmental entities.

**6. Administrative Costs to be Financed by the EIFD.** The EIFD may finance any other expenses incidental to the formation, administration (including preparation of annual reports and audits required by the EIFD Law and communicating with landowners and residents) and implementation of the EIFD and to the construction, completion, inspection, and

acquisition of the Facilities, including, but not limited to, the costs of creation and administration of the EIFD; costs of issuance of Bonds (including costs incurred by counsel to the Developer) or other debt of the EIFD or of any other public agency (including a community facilities district) that finances authorized Facilities, and payment of debt service thereon; costs incurred by the City or the EIFD in connection with the division of taxes pursuant to Government Code section 53398.75; and legal costs. See Section D below.

The City will pay to the EIFD, be deemed to have paid to the EIFD, or advance to third parties on behalf of the EIFD such amounts as the City deems necessary for the EIFD's administrative expenses and overhead. The funds paid by the City to the EIFD, deemed to have been paid to the EIFD or advanced to third parties (including the Developer) on behalf of the EIFD for administrative expenses and overhead shall constitute an advance and shall be repaid by the EIFD.

### **C. FINDING OF COMMUNITYWIDE SIGNIFICANCE**

All of the Facilities (including the Acquisition Facilities and the Privately-Owned Facilities) to be financed by the EIFD have communitywide significance and provide significant benefits to the EIFD and the surrounding community. Those Facilities that are not physically located within the boundaries of the EIFD have a tangible connection to the work of the EIFD, including, but not limited to, any affordable housing financed by the EIFD that is located outside the EIFD boundaries.

The formation of the EIFD will enable the development of the Project, which the City has determined will provide clear benefits to the public and neighboring communities, including: (i) conversion of parking lots to housing, including affordable housing; (ii) construction and maintenance of new pedestrian pathways, and landscape areas for a total of approximately six (6) acres of publicly accessible open areas, (iii) transportation demand management measures that exceed the level otherwise required; (iv) street and infrastructure improvements, including enhancement of existing public rights-of-way; (v) workforce obligations; (vi) on-site child care facilities; (vii) a replacement on-site senior center; and (viii) improvements to Ralph Nicol Jr. Playground, all as set forth in greater detail in the Development Agreement.

### **D. FINANCING**

1. ***Introduction.*** Section 53398.75(a) of the EIFD Law authorizes this IFP to include a provision that taxes, if any, levied upon taxable property in the area included within the EIFD each year by or for the benefit of the State of California, or any affected taxing entity, after the effective date of the resolution adopted pursuant to the EIFD Law to create the EIFD, shall be divided, subject to the provisions of Section 53993, as follows:

(1) That portion of the taxes that would be produced by the rate upon which the tax is levied each year by or for each of the affected taxing entities upon the total sum of the assessed value of the taxable property in the EIFD as shown upon the assessment roll used in connection with the taxation of the property by the affected taxing entity, last equalized prior to the effective date of the resolution adopted pursuant to Section 53398.69 to create the EIFD, shall be allocated to, and when collected shall be paid to, the respective affected taxing entities as taxes by or for the affected taxing entities on all

other property are paid.

(2) That portion of the levied taxes each year specified in the adopted infrastructure financing plan for the city or county and each affected taxing entity that has agreed to participate pursuant to Section 53398.68 in excess of the amount specified in paragraph (1) shall be allocated to, and when collected shall be paid into a special fund of, the EIFD for all lawful purposes of the EIFD. Unless and until the total assessed valuation of the taxable property in the EIFD exceeds the total assessed value of the taxable property in the EIFD as shown by the last equalized assessment roll referred to in paragraph (1), all of the taxes levied and collected upon the taxable property in the EIFD shall be paid to the respective affected taxing entities. When the EIFD ceases to exist pursuant to the adopted infrastructure financing plan, all moneys thereafter received from taxes upon the taxable property in the district shall be paid to the respective affected taxing entities as taxes on all other property are paid.

Section 53398.63(d)(5)(B) of the EIFD Law provides for creation of project areas, and provides for tax allocations to an enhanced infrastructure financing district from each project area to continue for a period not later than 45 years from the date the project area has actually received an allocation of at least one hundred thousand dollars (\$100,000) in annual incremental tax revenues. Section 53398.63(d)(5)(B) also requires an infrastructure financing plan, where a district is divided into project areas, to include a date on which the infrastructure financing plan will cease to be in effect and all tax allocations to the district will end and a date on which the district's authority to repay indebtedness with incremental tax revenues received under the EIFD Law will end, not to exceed 45 years from the date the district or the applicable project area has actually received one hundred thousand dollars (\$100,000) in annual incremental tax revenues.

Pursuant to Section 53398.63(d)(5)(B), the City intends to establish a separate tax rate area for each Project Area and to calculate tax increment on a Project Area-by-Project Area basis. Each Project Area will have a separate and unique time limit as set forth in Section D.6 below.

In compliance with Sections 53398.75(a) and 53398.63(d)(5)(B) of the EIFD Law, this IFP provides as follows:

(1) That portion of the taxes that would be produced by the levy of the 1% ad valorem property tax rate upon the total sum of the assessed value of the taxable property in the EIFD as shown upon the last equalized assessment roll prior to the effective date of the resolution adopted by the PFA to create the EIFD (i.e., the assessment roll for tax year 2025-26), shall be allocated to, and when collected shall be paid to, the respective affected taxing entities as taxes by or for the affected taxing entities on all other property are paid.

(2) The City's tax revenues in excess of the amount specified in paragraph (1) are hereby allocated to, and when collected by the EIFD shall be paid into a special fund of, the EIFD for the purposes specified in this IFP. Unless and until the total assessed valuation of the taxable property in the EIFD exceeds the total assessed value of the taxable property in the EIFD as shown by the last equalized assessment roll referred to in paragraph (1), all of the taxes levied and collected upon the taxable property in the EIFD shall be paid to the respective affected taxing entities. Notwithstanding the calculation of the Allocated Tax Revenue and the

Conditional Tax Revenue on a Project Area-by-Project Area basis, the total amount of the Allocated Tax Revenue and the Conditional Tax Revenue for a tax year may not exceed the amount determined pursuant to this paragraph (2) for such tax year.

(3) When the 45-year period expires for a Project Area (which is referred to as the Project Area's Termination Date as defined herein), (a) all tax allocations to the EIFD from the expired Project Area shall end, (b) the IFP will cease to be in effect with respect to such expired Project Area, and (c) when calculating the Allocated Tax Revenue and the Conditional Tax Revenue, the amount of taxes described in paragraph (1) above shall no longer include the taxes generated in the expired Project Area.

2. **Definitions.** Subject to Section 53398.75(a) as described in the preceding Section D.1, and except to the extent provided in Section D.5 below, the City has made an irrevocable allocation of Allocated Tax Revenue to the EIFD, and a conditional allocation of Conditional Tax Revenue to the EIFD, in each case for the purpose of financing the Facilities and other related Actual Costs. The Conditional Tax Revenue may only be used to (i) provide additional coverage on the Bonds issued by the EIFD, (ii) pay debt service on Bonds issued by the EIFD, and (iii) replenish debt service reserve funds for such Bonds issued by the EIFD to the extent that Allocated Tax Revenue is not available for those purposes. *The Conditional Tax Revenue is not available to pay debt (as defined in the EIFD Law) that does not constitute Bonds, and it is not available to pay Bonds issued by or for a CFD.*

If the Conditional Tax Revenue is ever used to pay debt service on Bonds or replenish debt service reserve funds for such Bonds, then in future fiscal years after first paying or setting aside Allocated Tax Revenue needed to pay EIFD administration expenses, to pay debt service due during such fiscal year on Bonds issued by the EIFD, and to replenish any debt service reserve fund for Bonds, the EIFD shall repay the City out of Allocated Tax Revenue for any Conditional Tax Revenue used to pay debt service on Bonds or replenish debt service reserve funds for such Bonds in an amount equal to the Conditional Tax Revenue used to pay debt service on Bonds or replenish debt service reserve funds for such Bonds plus interest through the date of repayment at an interest rate equal to the rate of interest on the United States Treasury bond with a 10-year maturity on the date of the first use of Conditional Tax Revenue plus 300 basis points, and such interest rate shall remain fixed for the remainder of the term of this IFP.

This IFP uses the following terms to describe the property tax revenues allocated to the EIFD by the City:

*“Allocated Tax Revenue” means 58.252419% of the City Share of Increment.<sup>1</sup>*

---

<sup>1</sup> For the benefit of eligible development projects, like the Project, the City IFD Guidelines provide that the maximum incremental property tax revenue that may be allocated to an enhanced infrastructure financing district is 50% of the total incremental property tax revenue (including 50% of the VLF revenues, as defined below), and that the City may allocate all or a portion of the remaining 50% of the annual incremental property tax revenue (including the remaining 50% of the VLF revenues) on a conditional basis to provide debt service coverage for the district's bonds or other debt. For purposes of this IFP, the City is not allocating VLF revenues to the EIFD, and instead the City is allocating 58.252419%

*“Base Year”* means, for each Project Area, the fiscal year in which the assessed value of taxable property in the Project Area was last equalized prior to the effective date of the resolution adopted pursuant to Section 53398.69 to create the EIFD. The Base Year for each of the 9 Project Areas is fiscal year 2025-26. Upon subdivision of the parcels constituting Project Area A and the creation of new Project Areas as described in Section A.4, the Base Year assessed value for Project Area A will be allocated to each of newly-created Project Areas 1, 2, 3, 4, 5, and 6 as shown in Table 2. Upon subdivision of the parcels constituting Project Area B and the creation of new Project Areas as described in Section A.4, the Base Year assessed value for Project Area B will be allocated to each of newly-created Project Areas 7, 8, and 9 as shown in Table 2.

*“City Share of Increment”* means 64.588206% of Gross Tax Increment.

*“Conditional Tax Revenue”* means the 41.747581% of the City Share of Increment that does not constitute Allocated Tax Revenue.

*“Gross Tax Increment”* means, for each Project Area, 100% of the revenue produced by the application of the 1% ad valorem tax rate to the Incremental Assessed Property Value of property within the Project Area.

*“Incremental Assessed Property Value”* means, in any fiscal year, for each Project Area, the difference between the assessed value of the taxable property within the Project Area for that fiscal year and the assessed value of the taxable property within the Project Area in the Base Year, to the extent that the difference is a positive number. Incremental Assessed Property Value shall be measured on a Project Area by Project Area basis, and not on an aggregate EIFD basis.

3. *Allocated Tax Revenue.* Subject to Section D.1 above, as shown in Table 6 below, the City has agreed to irrevocably allocate Allocated Tax Revenue to the EIFD, except to the extent provided in Section D.5 below and subject to the maximum amounts specified below (see Section D.7(d) - *“Limit on Total Dollars Allocated to the EIFD”*). It is anticipated that the Allocated Tax Revenue will be utilized to finance the Facilities on both a “pay-as-you-go” (“pay-go”) basis and to pay debt service on Bonds or other debt permitted by the EIFD Law. As used in this IFP, “finance” includes not only using Allocated Tax Revenue (or Conditional Tax Revenue to the extent provided herein) to pay debt service on the Bonds and other debt of the EIFD, as applicable, but also using Allocated Tax Revenue on a pay-go basis to pay for eligible Actual Costs.

---

of the City Share of Increment, which represents (i) 50% of the City Share of Increment plus (ii) an amount estimated to be equal to 50% of the VLF revenues. All of the VLF revenues will be deposited in the City general fund and none of the VLF revenue is allocated to the EIFD. For purposes of this footnote, “VLF revenues” means, for each Project Area, that portion of the ad valorem property tax revenue allocated to the City pursuant to Section 97.70 of the Revenue and Taxation Code that corresponds to the Incremental Assessed Property Value of property within the Project Area according to the formula set forth in California Revenue & Taxation Code Section 97.70 as of the date hereof.

**Table 6. Summary of Ad Valorem Tax Revenues Allocated to the EIFD**

<b>Total, All Taxing Agencies</b>	<b>100.000000%</b>	<b>37.624193%</b>	<b>26.964013%</b>

4. ***Conditional Tax Revenue***. The City has agreed to allocate the remaining 41.747581% of the City Share of Increment not constituting Allocated Tax Revenue on a conditional basis; the Conditional Tax Revenue is only available to (i) provide coverage for the Bonds issued by the EIFD and (ii) pay debt service on Bonds (but not other debt) issued by the EIFD, including replenishing debt service reserve funds for such Bonds, to the extent that Allocated Tax Revenue is not available for that purpose. For the avoidance of doubt, Conditional Tax Revenue is not available to provide coverage for any Bonds issued by the CFD or pay debt service on (or replenish debt service reserve funds related to) Bonds issued by the CFD, even if they are payable from Allocated Tax Revenue.

5. ***Contingent Allocation.*** The annual allocation of Allocated Tax Revenue to the EIFD by the City is contingent upon the EIFD's use of such increment to pay for the Actual Costs of Facilities, projects, or services, and to accomplish other authorized purposes, including to pay debt service on Bonds and other debt issued to accomplish such purposes. Subject to the final sentence of this paragraph, the annual allocation of Allocated Tax Revenue to the EIFD by the City shall be subject to this condition, and in no event may future allocations of tax revenues be accelerated. For the avoidance of doubt, nothing in this IFP is intended to require the Allocated Tax Revenue to be immediately spent on such authorized purposes; rather Allocated Tax Revenue may be accumulated and spent for authorized purposes over a period of time.

Similarly, the annual allocation of Conditional Tax Revenue to the EIFD by the City is contingent upon the EIFD's use of such increment to pay debt service on Bonds (including replenishing debt service reserve funds and providing adequate coverage for such Bonds) that finance the Actual Costs of Facilities and other authorized costs. The annual allocation of Conditional Tax Revenue to the EIFD by the City shall be subject to this condition, and in no event may future allocations of tax revenues be accelerated.

6. ***Commencement of Allocation of Allocated Tax Revenue.*** The date that Allocated Tax Revenue is allocated to the EIFD for a Project Area shall be referred to herein as the "Commencement Date." The Commencement Date for each Project Area is determined separately, and there is no requirement that the Commencement Date for each Project Area be the same.

Determined separately for each Project Area:

(i) the Commencement Date for Project Areas 1, 2, 3, 4, 5, or 6 shall be the first day of the fiscal year in which both of the following have occurred with respect to the applicable Project Area: (A) a portion of Project Area A has been subdivided and, as applicable, Project Area 1, 2, 3, 4, 5, or 6 has been established pursuant to Section A.4 of this IFP, and (B) the applicable Project Area produces at least \$100,000 of Allocated Tax Revenue in such fiscal year, and

(ii) the Commencement Date for Project Areas 7, 8, or 9 shall be the first day of the fiscal year in which both of the following have occurred with respect to the applicable Project Area: (A) a portion of Project Area B has been subdivided and, as applicable, Project Area 7, 8, or 9 has been established pursuant to Section A.4 of this IFP, and (B) the applicable Project Area produces at least \$100,000 of Allocated Tax Revenue in such fiscal year.

It is understood that Project Areas 1, 2, 3, 4, 5, and 6 may be created at different times as Project Area A is subdivided from time to time; likewise, Project Areas 7, 8, and 9 may be created at different times as Project Area B is subdivided from time to time.

Prior to the issuance of any Bonds by the EIFD, and notwithstanding any other provision of this IFP, the allocation of Allocated Tax Revenue and Conditional Tax Revenue under this IFP may be permanently terminated by the adoption by the Board of Supervisors of a termination resolution only if the first tax increment-producing building in the EIFD that was constructed, or caused to be constructed, by the Developer (regardless of Project Area) has not received a certificate of occupancy for new construction or expansion of a building constituting

permanent new development (not including rehabilitation, relocation, or other work that does not constitute permanent new development) before the tenth anniversary of the adoption by the PFA of the resolution establishing the EIFD (herein, “Optional Termination for Cause”). For purposes of this paragraph, “certificate of occupancy” means the first certificate, including any temporary certificate of occupancy, issued by the City to confirm that a building or a portion of a building has met all of the building codes and can be occupied for residential or non-residential use. To provide clarity, the Optional Termination for Cause provisions set forth above shall no longer be applicable upon the first to occur of the (i) date that the first tax increment-producing building in any Project Area of the EIFD that was constructed or caused to be constructed by the Developer receives a certificate of occupancy for new construction or expansion of a building constituting permanent new development (not including rehabilitation, relocation, or other work that does not constitute permanent new development) or (ii) date of the first issuance of Bonds. Within sixty (60) days of the occurrence of either (i) or (ii) in the preceding sentence, the Director of the Controller’s Office of Public Finance shall confirm in writing to the Developer that the Optional Termination for Cause provisions set forth in this Section D.6 are no longer applicable to the EIFD and that the allocation of Allocated Tax Revenue and Conditional Tax Revenue under this IFP is no longer subject to Optional Termination for Cause pursuant to this Section D.6.

Any Allocated Tax Revenue received by the EIFD prior to the earlier of (i) the Optional Termination for Cause or (ii) the written confirmation by the Director of the Controller’s Office of Public Finance to the Developer that the Optional Termination For Cause provisions are no longer applicable to the EIFD as described in the previous paragraph, shall accumulate and may be used by the PFA exclusively to pay administrative expenses and for no other purpose. If the Director of the Controller’s Office of Public Finance provides written confirmation to the Developer that the Optional Termination For Cause provisions are no longer applicable to the EIFD, any accumulated Allocated Tax Revenue received by the EIFD that was not used for administrative expenses shall be available to the Developer for financing Facilities.

If the Optional Termination for Cause occurs, any accumulated Allocated Tax Revenue received by the EIFD that was not used for administrative expenses shall be returned by the PFA to the City and used for any lawful purpose.

## 7. *Requirements of the EIFD Law.*

### (a) **Maximum Portion of Incremental Tax Revenue Dedicated to the EIFD**

Subject to Section 53398.75(a) of the EIFD Law as described in Section D.1 above, and except to the extent provided in Section D.5 above, the City is allocating to the EIFD 100% of the Allocated Tax Revenue for each year during which the EIFD will receive Allocated Tax Revenue for the purpose of financing the Facilities and paying related administrative costs.

In addition, subject to Section 53398.75(a) of the EIFD Law as described in Section D.1 above, and except to the extent provided in Section D.5 above, the City has agreed to allocate to the EIFD 100% of the Conditional Tax Revenue for each year during which the EIFD will receive Conditional Tax Revenue. However, the Conditional Tax Revenue is only available to meet debt service coverage requirements for Bonds issued by the

EIFD, pay debt service on Bonds issued by the EIFD and replenish debt service reserve funds for such Bonds issued by the EIFD to the extent that Allocated Tax Revenue is not available to pay debt service or replenish debt service reserve funds. To the extent the Conditional Tax Revenue is held by a trustee or fiscal agent, the interest earnings on such Conditional Tax Revenue shall accrue for the benefit of the City rather than the EIFD or the owners of Bonds issued by the EIFD.

(b) **Projection of EIFD Tax Revenues by Year**

Set forth in the following Table 8 is the projected annual Allocated Tax Revenue based on the projected assessed value growth by Project Area. The annual projection of Allocated Tax Revenue by project area is presented in Exhibit D.

The Allocated Tax Revenue is projected to total approximately \$1.562 billion across all Project Areas over the 45-year term of each Project Area.

The Conditional Tax Revenue is projected to total approximately \$1.120 billion across all Project Areas over the 45-year term of each Project Area.

*The projections in this IFP are based on available data at the time of IFP preparation for purposes of planning and illustration. Actual results will likely differ depending on numerous factors including, but not limited to: (i) actual construction and administration costs; (ii) actual construction and absorption schedules for both residential and commercial components; (iii) the final development program; (iv) economic factors such as rents, vacancy and interest rates; and (v) property valuation assessments.*

*In addition, because the commencement years and final years for the allocation of tax increment are dependent on the timing of generation and receipt of tax increment within each Project Area, the commencement and final years for each Project Area shown in the following tables are estimates only; actual dates for each Project Area will likely differ.*

Table 8. Projected Aggregate Annual Incremental Tax Revenues to be Allocated to EIFD

Aggregate - All Project Areas, Post Subdivision, (Dollars in \$000)

<sup>1</sup>Represents aggregate Gross Tax Increment and City Share of Increment figures without consideration for the Commencement Date of each Project Area.

<sup>2</sup> The Commencement Date for the Allocated Tax Revenue and Conditional Tax Revenue is determined separately for each Project Area based upon the conditions set forth in Section D.6 of this IFP. Figures reflect the sum of Allocated Tax Revenue or Conditional Tax Revenue.

(c) **Plan for Financing Facilities**

(i) *Facilities.* Multiple capital sources will be needed to pay for the Facilities to be financed by the EIFD. The currently contemplated capital sources related to the Facilities to be financed by the EIFD include:

- developer capital to be advanced by the Developer of the Project;
- proceeds from Bonds secured by and payable from the Allocated Tax Revenue and the Conditional Tax Revenue to be issued by the EIFD;
- proceeds from other debt (as defined in the EIFD Law) secured by and payable from the Allocated Tax Revenue to be issued by the EIFD;
- Allocated Tax Revenue not utilized in the payment of debt service on Bonds or other debt, utilized on a pay-go basis;
- proceeds of CFD bonds and other CFD debt issued by the City, if any;
- proceeds of special taxes levied by the City on the taxable property in a CFD, if any;
- with regard to affordable housing, federal tax credits, qualified private activity bonds, voter-approved general obligation bonds, affordable housing and jobs/housing impact fees, and other local, state and federal affordable housing resources; and
- other capital sources, including commercial construction loans, grants, and loans from governmental agencies, among others.

(ii) *Bonds.* The EIFD intends to issue Bonds as provided in the EIFD Law, and such Bonds may be taxable or tax-exempt, and may be current-interest Bonds, capital appreciation Bonds, fixed-rate Bonds, or variable-rate Bonds. At this time, it is contemplated that Bonds may be issued by the EIFD or by the CFD. In the case of Bonds issued by a CFD, if any, Allocated Tax Revenue may be used to pay debt service. In the case of Bonds issued by the EIFD, Allocated Tax Revenue will be used to pay debt service. The type of bond to be issued will be determined based on market conditions at the time of issuance.

The EIFD shall consider authorizing the issuance of Bonds only upon the written request of the Developer and if the EIFD has received a copy of a Board of Supervisors resolution authorizing such Bonds. The Development Agreement Financing Plan provides that (i) such EIFD Bonds must be consistent with sound municipal financing practices and Section 3.4(g) of the Development Agreement Financing Plan after consultation with the City Controller's Office of Public Finance, (ii) the City must be assured, to its reasonable satisfaction, based on actual and projected reasonably foreseeable economic conditions that could have an impact on the assessed value of the property in the EIFD, that the Bonds are structured in a manner that (A) mitigates any potential material risk that the EIFD could default in the payment of debt service on the Bonds and (B) provides reasonable assurance to the City that that the Conditional Tax Revenue would likely be available to the City's General Fund and unlikely to be needed to pay debt service on the Bonds or replenish debt service reserve funds for the Bonds

and (iii) the City may implement other bond structure elements that it determines are consistent with sound municipal financing practices and Section 3.4(g), including requiring one or more debt service reserve funds.

The EIFD must conclude (after consultation with the Controller's Office of Public Finance) that the Bonds will have a debt service coverage ratio and a term that maximizes the proceeds of the Bonds but is consistent with sound municipal financing practices and the limitations on the EIFD's receipt of Allocated Tax Revenue described in Sections D.7(d) ("*-Limit on Total Dollars Allocated to the EIFD*") and D.7(e) ("*-Termination Date*") below.

When Bonds (as defined in Section A.5) are issued by the EIFD (or the CFD if the CFD Bonds are secured by Allocated Tax Revenue), the EIFD shall comply with the provisions of the EIFD Acquisition and Financing Agreement, including consulting with the City's Office of Public Finance as to the timing, parameters, and terms of any Bonds.

At the written request of the Developer, the EIFD shall consider the issuance of one or more series of federally taxable Bonds to finance the Actual Cost (as defined in the EIFD Acquisition and Financing Agreement) of Facilities that cannot be financed on a federally tax-exempt basis. In addition, the EIFD shall issue federally taxable EIFD Bonds in the circumstances required by Section 3.6(e) of the Development Agreement Financing Plan.

The EIFD will not issue any Bonds until, for each Taxable Parcel (defined in the Development Agreement Financing Plan as a parcel that is subject to the ad valorem property tax within the boundaries of a Project Area) that the underwriter of the Bonds has utilized for purposes of sizing the Bonds, (i) the applicable Developer has exhausted all of its appeal rights with respect to the Baseline Assessed Value or (ii) the applicable Developer has notified the City and the EIFD in writing that, with respect to the Taxable Parcel, (A) the Developer is aware of its right to appeal the Taxable Parcel's Baseline Assessed Value that was established following the Taxable Parcel's recent improvement/sale, (B) the Developer has either availed itself of that right or decided not pursue any further appeals with respect to the Baseline Assessed Value arising out of the recent improvement/sale and (C) the Developer does not waive any right to appeal future assessed valuations of the Taxable Parcel. The written notice submitted by the Developer pursuant to the previous sentence must be satisfactory in form and substance to the City's Controller and the Executive Director of the EIFD. "Baseline Assessed Value" means, as applicable, (1) the initial assessed value of a parcel in the EIFD in the first Fiscal Year in which the assessed value reflects the full cash value of the initial improvements constructed on the parcel for which the City has issued an initial certificate of occupancy, or (2) following the valuation set forth in the preceding clause (1), the initial assessed value of a parcel in the EIFD in the first Fiscal Year in which the assessed value reflects any change in ownership or later improvements.

Allocated Tax Revenue will be used exclusively to finance the following

in the priority listed below:

- (A) to pay EIFD administrative costs;
- (B) to pay debt service on Bonds or other debt and to replenish any reserve funds associated with Bonds;
- (C) to repay the City for any expenditures of Conditional Tax Revenue actually spent on debt service on Bonds or to replenish any reserve funds for the Bonds; and
- (D) to accumulate over time and, from time to time at the Developer's request, to pay directly or reimburse the Developer for the Actual Costs of Facilities.

(iii) *Anticipated Financing Plan.* Nothing in this IFP shall obligate the EIFD or the City to provide any moneys or funding sources other than the Allocated Tax Revenue and the Conditional Tax Revenue to the extent set forth herein, and neither the EIFD nor the City makes any representation that such moneys or funding sources will be available.

(d) **Limit on Total Dollars Allocated to the EIFD**

(i) *Allocated Tax Revenue.* After providing an allowance for variations in future inflation, it has been determined that the total nominal dollar amount of Allocated Tax Revenue to be allocated to the EIFD from the Project Areas over the life of the EIFD shall not exceed \$3.124 billion, which reflects a contingency factor of approximately 100% over the projections presented in Table 8 and Exhibit D to account for potential changes in the escalation rates of assessed values and the Actual Costs of the Facilities.

The City intends for Allocated Tax Revenue in excess of the authorized uses described in this IFP to be returned to the City and used for any lawful purposes of the City. The EIFD would begin returning excess Allocated Tax Revenue to the City beginning in the fiscal year after the Facilities have been fully-financed (including any financing provided by the EIFD), the Bonds and all related costs have been paid in full, the City has been repaid for any Conditional Tax Revenue as described above, and the EIFD has paid all amounts required by the EIFD Acquisition and Financing Agreement. Excess tax increment shall consist of any Allocated Tax Revenue that is not required for the purposes set forth in this IFP and the EIFD Acquisition and Financing Agreement, including (i) debt service on Bonds and other Bond-related obligations (such as replenishment of debt service reserve funds), (ii) payments required on other debt of the EIFD, (iii) reimbursement of the City for the EIFD's use of Conditional Tax Revenue, (iv) pay-go payments for Facilities, and (v) EIFD administrative expenses. The EIFD shall provide the City an annual accounting of the status of the financing of the approved Facilities and the amount of any excess Allocated Tax Revenue. For the avoidance of doubt, nothing in this IFP is intended to require the Allocated Tax Revenue to be immediately spent on such authorized purposes; rather Allocated Tax Revenue may be

accumulated and spent for authorized purposes over a period of time. The accumulation of Allocated Tax Revenue for authorized purposes shall not be construed as excess Allocated Tax Revenue subject to return to the City.

(ii) *Conditional Tax Revenue.* After providing an allowance for variations in future inflation, it has been determined that the total nominal dollar amount of Conditional Tax Revenue to be conditionally allocated to the EIFD from the Project Areas over the life of the EIFD shall not exceed \$2.239 billion, which reflects a contingency factor of approximately 100% over the projections presented in Table 8 and Exhibit D to account for potential changes in the escalation rates of assessed values and the Actual Costs of the Facilities.

The EIFD cash flow projection used to calculate these limits is set forth in Exhibit D.

(e) **Termination Date**

Each Project Area will have a unique date ("Termination Date") on which this IFP will cease to be in effect with respect to such Project Area, all allocations of Allocated Tax Revenue to the EIFD from such Project Area will end and the EIFD's authority to repay Bonds and other debt with Allocated Tax Revenue from such Project Area under the EIFD Law will end. For each Project Area, the Termination Date will be the final day of the fiscal year that occurs 45 years after the Commencement Date for such Project Area. The Termination Date shall be calculated separately for each Project Area.

Exhibit D includes projections of the first fiscal year in which the EIFD expects to receive \$100,000 of Allocated Tax Revenue from each Project Area and the final year in which the Allocated Tax Revenue and the Conditional Tax Revenue would be allocated to the EIFD from each Project Area.

(f) **Analysis of Costs to Provide Facilities and Services**

Exhibit E provides a summary that details the projected fiscal expenditures by the City for facilities and services to the EIFD while the area is being developed and after the area is developed.

(g) **Fiscal Impact Analysis**

Exhibit E of the IFP provides a summary of the estimated impact of the EIFD and the Project on the City's fiscal revenues.

(h) **Developer Reimbursement for Transit Priority Project**

The EIFD is not intended to finance any potential costs that may be incurred by reimbursing a developer of a project that is both located entirely within the boundaries of the EIFD and qualifies for the Transit Priority Project Program, pursuant to California Government Code Section 65470. The Project does not qualify as a Transit Priority Project.

## **E. REMOVAL OF DWELLING UNITS AND REPLACEMENT HOUSING PLAN**

Because no dwelling units exist within the territory of the EIFD as of the date of adoption of this IFP by the PFA, the EIFD Law does not require this IFP to include a plan for the replacement of dwelling units or the relocation of persons or families.

## **F. GOALS OF THE EIFD**

The City's goal in proposing establishment of the EIFD was to help address a shortfall in financing for the provision of Facilities of communitywide significance that provide significant benefits and promote economic development and the construction of housing (including affordable housing) within the boundaries of the EIFD or the surrounding community.

## **G. FUTURE AMENDMENTS OF THIS INFRASTRUCTURE FINANCING PLAN**

### **1. *Amendments related to the Development Agreement and the Financing Plan.***

The provisions of the Development Agreement, the Development Agreement Financing Plan and the EIFD Acquisition and Financing Agreement, as they may be amended from time to time, are incorporated in this IFP as if fully set forth herein, and any such amendments of the Development Agreement, the Development Agreement Financing Plan and the EIFD Acquisition and Financing Agreement shall not require an amendment of this IFP. Nothing in this IFP shall prevent any amendment to the Development Agreement, the Development Agreement Financing Plan and the EIFD Acquisition and Financing Agreement.

### **2. *Amendments of Project Area Boundaries Related to Subdivision of Project Area A and Project Area B.***

See Section A for a discussion of future amendments of the boundaries of the EIFD and Project Areas related to subdivision of the parcels constituting Project Area A and Project Area B.

### **3. *Amendments of Project Area Boundaries Related to Tax Rate Areas.***

See Section A for a discussion of future amendments of the boundaries of the EIFD and Project Areas for purposes of coordinating tax rate areas.

### **4. *Amendments of Project Area Boundaries Related to Annexation.***

Subject to approval by the Board of Supervisors at the time of such annexation, the City and the PFA will, at the written request of the Developer, authorize the amendment of the EIFD to annex in additional property that is (i) owned by, or under the control of, the Developer or its Affiliates, (ii) subject to the Development Agreement and (iii) located in the near vicinity of the EIFD. For purposes of clarity, the Brave Church Property is considered in the near vicinity of the EIFD.

### **5. *Approval by the City and the Developer.***

Other than amendments described in 1-5, inclusive, above, any amendment of this IFP shall require written approval by (i) the Board of Supervisors of the City and (ii) the Developer.

## **H. DEFAULTS AND REMEDIES**

In the event that the EIFD defaults under its obligations under the EIFD Acquisition and Financing Agreement, and an Event of Default (as defined in the EIFD Acquisition and Financing Agreement) occurs, the City and the Developer may exercise all legal and equitable remedies available, including but not limited to, filing proceedings to obtain injunctive relief or compel specific performance of the IFP and the EIFD Acquisition and Financing Agreement; provided however, the City, the Developer and the EIFD have determined that, to the extent permitted under applicable law, the exclusive remedy should be an action for injunctive relief or specific performance of the IFP and the EIFD Acquisition and Financing Agreement. The EIFD acknowledges and agrees that a failure of the EIFD to timely perform any duty, obligation, or covenant under the IFP, including the application of the Allocated Tax Revenue and Conditional Tax Revenue in accordance with the IFP and the application of such Allocated Tax Revenue to fund the Facilities in accordance with the EIFD Acquisition and Financing Agreement, will cause irreparable harm to the Developer that cannot be fully compensated by monetary damages and shall entitle the Developer to seek injunctive relief or specific performance. In addition, the City shall also be entitled to all legal and equitable remedies, including, but not limited to, injunctive relief to compel the EIFD to perform its duties, obligations, or covenants under the IFP and the EIFD Acquisition and Financing Agreement.

Due to the unique nature of the IFP and the Project and because time is of the essence in the performance of obligations under the IFP, the City and the EIFD have waived in the EIFD Acquisition and Financing Agreement the procedural protections of the Government Claims Act, California Government Code Section 810 et seq, in connection with any dispute related to or arising out of the IFP or the EIFD Acquisition and Financing Agreement, including those procedures requiring the filing of an administrative claim within the applicable statute of limitation.

Except as expressly limited by this IFP or the EIFD Acquisition and Financing Agreement, the rights and remedies of the parties to the EIFD Acquisition and Financing Agreement regarding the enforcement of the IFP shall be cumulative, and the exercise by any party of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other remedies contained in the EIFD Acquisition and Financing Agreement for the same breach by the applicable party. The City and Developer may pursue remedies simultaneously on the same matter. In addition, the remedies provided in the EIFD Acquisition and Financing Agreement regarding the enforcement of the IFP do not limit the remedies provided in other agreements (such as the Development Agreement).

**Exhibit A - Legal Description**

**Exhibit B – Site Map**

## Exhibit C -Facilities Eligible for Financing by the EIFD

### DESCRIPTION OF FACILITIES

Subject to any limitations in this IFP and the EIFD Acquisition and Financing Agreement, the EIFD shall be authorized to finance all or a portion of the costs of the purchase, site preparation, construction, expansion, improvement, seismic retrofit or rehabilitation of the public capital facilities or other projects ([whether publicly- or privately-owned](#)) of communitywide significance that are both (i) authorized by Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code, commencing with Section 53398.50 ("EIFD Law"), and (ii) required or permitted by the Development Agreement, [the Plan Documents](#), or the Approvals (as defined in the Development Agreement) ("Facilities"), including, but not limited to, the actual costs of those Facilities described below and those costs described below.

The Facilities may be owned by a public agency (including, but not limited to, the City) or privately-owned as permitted by the EIFD Law.

Facilities may be physically located within or outside the boundaries of the EIFD; any Facilities that are located outside the boundaries of the EIFD must have a tangible connection to the work of the EIFD. Section C of this IFP ("Finding of Communitywide Significance") includes a finding that any Facilities financed by the EIFD that are located outside the boundaries of the EIFD, including, but not limited to, any affordable housing, will have a tangible connection to the work of the EIFD.

Capitalized terms used herein but not defined herein have the meanings given them in the EIFD Acquisition and Financing Agreement.

For the avoidance of doubt, whenever the IFP refers to the EIFD financing fees it means that the EIFD funds in a corresponding amount will be applied to pay the actual costs of eligible Facilities and the Developer will be provided with a corresponding credit against its obligation to pay such fees. The EIFD Acquisition and Financing Agreement provides further detail about the financing of fees.

The Facilities include, but are not limited to, the following:

1. Infrastructure, as defined in the Development Agreement, constructed or caused to be constructed by Developer, including but not limited to Private Utility Infrastructure and Public Utility Infrastructure, each as defined in the Development Agreement. For the avoidance of doubt, stand-alone parking structures and the relocated central utility plant do not constitute Facilities.
2. Public Improvements, as defined in the Development Agreement, constructed or caused to be constructed by Developer.
3. The Privately-Owned Community Improvements (excluding Project Open Spaces, which are not eligible to be financed by the EIFD), as defined in the

Development Agreement, including streets, streetscapes, utilities, the Senior Center improvements and the Child Care Facilities, that were constructed or caused to be constructed by Developer.

4. Affordable Housing. The acquisition, construction, or rehabilitation of housing for persons of very low, low, and moderate income, as defined in Sections 50105 and 50093 of the California Health and Safety Code, for rent or purchase. The EIFD shall require, by recorded covenants or restrictions, that housing units built with financial assistance from the EIFD shall remain available at affordable housing costs to, and occupied by, persons and families of very low, low, or moderate income for the longest feasible time, but for not less than 55 years for rental units and 45 years for owner-occupied units and that any in-lieu fees paid for off-site housing shall have similar covenants and restrictions.
5. Transportation Demand Management measures set forth in the Transportation Exhibit of the Development Agreement.
6. Subject to the provisions of the EIFD Acquisition and Financing Agreement, Stonestown Affordable Housing In-Lieu Fees used to construct housing units in accordance with this IFP and the EIFD Law. The EIFD shall require, by recorded covenants or restrictions that housing units built with financial assistance from the EIFD shall remain available at affordable housing costs to, and occupied by, persons and families of very low, low, or moderate income for the longest feasible time, but for not less than 55 years for rental units and 45 years for owner-occupied units.
7. To the extent they are used to pay Actual Costs of Facilities, and subject to the provisions of the EIFD Acquisition and Financing Agreement, (a) the RNP Cash Contribution; (b) the Emergency Firefighting In Lieu Payment ~~and~~; (c) fees imposed by the City on the Stonestown Project after EIFD formation and (d) and fees imposed by the City on the Stonestown Project prior to EIFD formation that are modified by the City after EIFD formation.
8. Child Care Facility as defined in Exhibit Q to the Development Agreement.
9. Senior Center as defined in Exhibit Q to the Development Agreement.

In the event of a conflict or ambiguity between this Exhibit C and Exhibit A of the Resolution of Intention, this Exhibit C shall control.

#### OTHER EXPENSES

The EIFD may also finance any of the following:

1. Costs described in Government Code Sections 53398.53, 53398.56, 53398.57 and 53398.58, including, but not limited to, the reimbursement for any costs advanced to file and

prosecute an action or proceeding pursuant Government Code Sections 53398.57 and 53398.58.

2. Costs incurred in connection with the division of taxes pursuant to Government Code Section 53398.75.

3. Expenses related to bonds and other debt of the EIFD, including underwriters' discount, reserve fund, capitalized interest, letter of credit fees and expenses, bond and disclosure counsel fees and expenses, bond remarketing costs, and all other incidental expenses.

4. Administrative fees of the City, the EIFD and the bond trustee or fiscal agent related to the bonds and other debt of the EIFD.

5. Reimbursement of costs related to the formation of the EIFD (and any Project Areas) advanced by the City, the landowner(s) in the EIFD, or any party related to any of the foregoing, as well as reimbursement of any costs advanced by the City, the landowner(s) in the EIFD or any party related to any of the foregoing, for Facilities, fees or other purposes or costs of the EIFD.

6. Costs otherwise incurred in order to carry out the authorized purposes of the EIFD; and any other expenses incidental (including administrative and legal costs) to the EIFD and to the construction, expansion, improvement, seismic retrofit, rehabilitation, completion, inspection, or acquisition of the Facilities.

## Exhibit D - Annual Estimates of Tax Increment to be Allocated to the EIFD

### Exhibit D-1

#### Project Area 1: Projected Annual Incremental Assessed Property Value and Tax Revenues Allocated to EIFD

Fiscal Year	Estimated Incremental Assessed Value (\$000)	Gross Tax Increment (1% Incremental Assessed Value) (\$000)	City Share of Increment (64.588206%) (\$000)	Tax Revenue Allocated to Project (58.252419% of City Share of Increment), Conditioned on City Share of Increment Exceeding \$100,000 (\$000)	Conditional Tax Revenue Available for Bond DS If Necessary (41.747581% of City Share of Increment) (\$000)
