Be it ordained by the People of the City and County of San Francisco:

Section 1. Environmental and Land Use Findings.

(a) ~~The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. ____ and is incorporated herein by reference. The Board of Supervisors affirms this determination.~~ On December 10, 2025, the Planning Department published a Preliminary Mitigated Negative Declaration ("PMND"), for the 2245-2255 Post Street project ("Project"). The PMND found that although the Project could have potentially significant impacts on the environment, such impacts will be reduced to a less than significant level because the project sponsor will implement all mitigation measures identified in the

1 PMND. The Planning Department prepared and publicized the PMND in compliance with the
2 provisions of the California Environmental Quality Act (California Public Resources Code
3 Sections 21000 et seq., "CEQA"), the State CEQA Guidelines (California Code of Regulations
4 Title 14 Sections 15000 et seq.), and Chapter 31 of the San Francisco Administrative Code
5 ("Chapter 31").

6 (b) On January 26, 2026, following the required notice and appeal period, the Planning
7 Department published a Final Mitigated Negative Declaration ("FMND") for the Project, a copy
8 of which is on file with the Clerk of the Board of Supervisors in File No. 251144 and is
9 incorporated herein by reference.

10 (c) At its hearing on January 29, 2026, and prior to recommending the proposed
11 Planning Code and Zoning Map amendments for approval, by Resolution No. 21884, the
12 Planning Commission adopted findings under CEQA, including a Mitigation Monitoring and
13 Reporting Program ("MMRP") as required by State and local law (collectively, "CEQA
14 Findings"). The Board of Supervisors hereby adopts and incorporates by reference the CEQA
15 Findings. In so doing, the Board of Supervisors approves and endorses the MMRP for
16 implementation by City departments. Copies of the CEQA Findings and the MMRP are on file
17 with the Clerk of the Board of Supervisors in File No. 251144 and are incorporated herein by
18 reference.

19 (d) The Board of Supervisors finds that the actions taken in this ordinance are within
20 the scope of the Project analyzed in the FMND and subject to the CEQA Findings. The Board
21 of Supervisors further finds that (1) no substantial changes are proposed in the Project and no
22 substantial changes have occurred with respect to the circumstances under which this Project
23 will be undertaken that would cause new significant environmental effects or a substantial
24 increase in the severity of previously identified effects, and (2) there is no new information of
25 substantial importance showing that the Project would have any significant effects not

1 discussed in the FMND, that significant effects would be substantially more severe, or that
2 new or different mitigation measures or alternatives would substantially reduce one or more
3 significant effects of the Project.

4 (be) On January 29, 2026, the Planning Commission, in Resolution No. 21884,
5 adopted findings that the actions contemplated in this ordinance are consistent, on balance,
6 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The
7 Board of Supervisors adopts these findings as its own. A copy of said Resolution is on file with
8 the Clerk of the Board of Supervisors in File No. 251144, and is incorporated herein by
9 reference.

10 (ef) Pursuant to Planning Code Section 302, this Board of Supervisors finds that this
11 ordinance will serve the public necessity, convenience, and welfare for the reasons set forth in
12 Planning Commission Resolution No. 21884, and incorporates such reasons by this reference
13 thereto.

14
15 Section 2. General Findings.

16 (a) The Jewish Family and Children's Services Holocaust Center ("Holocaust Center"),
17 founded in 1979, has operated for more than four decades as one of California's leading
18 resources for Holocaust and genocide education. The Holocaust Center is currently located at
19 2245 Post Street, but conducts most of its programs off-site at schools and conference
20 centers throughout the State. To support the long-term viability of the Holocaust Center and
21 its ability to continue serving San Francisco and the broader region, a modern, purpose-built
22 facility that can accommodate expanded cultural, educational, and archival programming is
23 desired.

24 (b) The 2245 Post Street Special Use District would facilitate the construction of a four-
25 story building with a welcoming lobby, exhibition galleries, a multi-purpose lecture and film

1 hall, various sizes of educational and conference spaces for visiting groups, a library, and a
2 small café. The facility also will include administrative offices and a lower-level archive with an
3 anteroom designed for student visitors. Together, these spaces will allow the Holocaust
4 Center to host school groups, educators, and the public on-site, and will strengthen its ability
5 to deliver robust programming, permanent and temporary exhibitions, and vital community
6 resources.

7 (c) The proposed Planning Code and Zoning Map amendments in this ordinance will
8 enable the continued growth of a longstanding cultural and educational institution. This
9 Special Use District will support the Holocaust Center's efforts to expand its mission of
10 remembrance and education, preserve historical memory, and strengthen San Francisco's
11 role as a leader in advancing tolerance and combating antisemitism and all forms of hate. The
12 continuation and expansion of this use is important to the civic and cultural life of San
13 Francisco and will benefit students, educators, residents, visitors, and the broader community.

14
