Section 1. Findings. The Board of Supervisors ("Board") of the City hereby finds and declares as follows:

a. On June 5, 2018, the voters of the City and County of San Francisco ("City") approved Proposition A ("Proposition A"), which, among other things, amended prior City Charter Section 8B language to provide that the San Francisco Public Utilities Commission ("Commission") shall have exclusive charge of the construction, management, supervision,

1 maintenance, extension, expansion, operation, use and control of all water, clean water
2 (sewer) and energy supplies and utilities of the City as well as the real, personal and financial
3 assets, that are under the Commission's jurisdiction or assigned to the Commission under
4 City Charter Section 4.132.

5 b. Proposition A authorized the Commission to issue revenue bonds, including
6 notes, commercial paper or other forms of indebtedness, when authorized by ordinance
7 approved by a two-thirds vote of the Board of Supervisors, for the purpose of reconstructing,
8 replacing, expanding, repairing or improving water facilities, clean water (sewer) facilities or
9 power facilities or combinations of water, clean water (sewer) facilities and power facilities
10 under the jurisdiction of the Commission, or for any other lawful purpose of the water, clean
11 water (sewer) and power utilities of the City in furtherance of the purposes provided in
12 Proposition A; and

13 c. The Commission adopted the Indenture dated as of May 1, 2015, as further
14 amended and supplemented from time to time ("Indenture"), between the Commission and
15 U.S. Bank National Association and in connection therewith, has from time to time issued
16 revenue bonds to finance projects benefitting the Power Enterprise; and

17 d. Pursuant to Section 43.5 of the San Francisco Administrative Code ("Article V"),
18 enacted by Ordinance No. 203-98 adopted by the Board on June 8, 1998, and signed by the
19 Mayor of the City on June 19, 1998, as amended by Ordinance No. 270-06, adopted on
20 October 24, 2006 by the Board and signed by the Mayor on October 31, 2006, the Board
21 established a procedure pursuant to which the Commission may issue short-term
22 indebtedness, including the issuance of commercial paper in anticipation of the issuance of its
23 revenue bonds; and
24
25

1 e. Pursuant to Ordinance 269-24, finally passed by the Board of Supervisors on
2 November 19, 2024, and signed by the Mayor on November 25, 2024, and Resolution No. 24-
3 0193, adopted by this Commission on September 10, 2024, the Power Enterprise's
4 commercial paper program ("Power CP Program") was increased to an aggregate principal
5 amount of \$450,000,000 outstanding at one time, and the Commission has caused its Power
6 Enterprise commercial paper to be issued from time to time; and

7 f. By Resolution No. 26-0021, adopted by the Commission on February 10, 2026
8 ("Commission Resolution") the Commission has determined to issue or incur, as applicable,
9 Power Revenue Bonds ("Power Revenue Bonds") and other forms of indebtedness (including
10 without limitation loans by the State of California or a department thereof ("State Loans"),
11 and/or grants issued by the State of California or a department thereof, or other loans from the
12 Water Infrastructure Finance and Innovation Act ("WIFIA") program and/or other federal loans
13 (WIFIA and other federal loans being, "Federal Loans")), as well as interim funding vehicles
14 such as commercial paper, bank liquidity or credit agreements, revolving credit agreements,
15 bond anticipation notes or other forms of notes, which interim funding vehicles will be issued
16 in advance of being paid off by either Power Revenue Bonds and other forms of indebtedness
17 (Power Revenue Bonds and other forms of indebtedness, as well as interim funding vehicles,
18 are collectively referred to as "Commission Indebtedness") to finance the costs of various
19 capital projects benefitting the Power Enterprise (the "Capital Improvement Projects" such
20 projects being more fully described in the Commission Resolution), pursuant to Proposition A,
21 and the Commission has formally requested this Board to authorize the issuance and sale or
22 incurrence of Commission Indebtedness for such purposes, such Commission Resolution
23 being on file with the Clerk of the Board in File No. 260475; and
24
25

1 g. In order to finance the costs of the Capital Improvement Projects, the Board now
2 desires to authorize the issuance and sale or incurrence, as applicable, of Commission
3 Indebtedness, as described above, for such purposes; and

4 h. The Commission has paid, beginning no earlier than 60 days prior to the
5 adoption of this Ordinance and will pay, on and after the date hereof, certain expenditures
6 ("Expenditures") in connection with the acquisition, construction and/or equipping of the
7 Capital Improvement Projects; and

8 i. This Board is concurrently considering with this Ordinance, related supplemental
9 appropriation ordinances for Fiscal Years ("FY") 2026-27 and 2027-28, including expenditures
10 of the proceeds of Commission Indebtedness; and

11 j. This Board, on behalf of the Commission, adopts this Ordinance as official
12 action of the Commission in order to comply with Treasury Regulation §1.150-2 and any other
13 regulations of the Internal Revenue Service relating to the qualification for reimbursement of
14 Commission expenditures incurred prior to the date of issue or incurrence of the Commission
15 Indebtedness.

16 Section 2. Authorization to Issue or Incur Commission Indebtedness. The Board
17 hereby authorizes the issuance and sale or incurrence, as applicable, of taxable or tax-
18 exempt Commission Indebtedness from time to time by the Commission pursuant to
19 Proposition A and in accordance with the Commission Resolution, in an aggregate principal
20 amount not to exceed \$138,164,937 (inclusive of financing costs), bearing a maximum rate or
21 rates of interest of not to exceed twelve percent (12%) per annum, to finance a portion of the
22 costs of the design, acquisition and construction of the Capital Improvement Projects . The
23 Commission is hereby further authorized to determine the timing, amount, series or subseries,
24 other terms and conditions, and manner of sale (i.e., competitive or negotiated) of, or
25 borrowing under, the Commission Indebtedness pursuant to this authorization; provided

1 however, the Commission's authorization to issue or incur Commission Indebtedness, is
2 subject to approval by the Commission of the form of substantially final offering document
3 related to such obligations (if any) and the approval of any related agreements, financing
4 documents and the filing with its Board and the Clerk of the Board any certifications required
5 by Proposition A prior to the issuance or incurrence of any Commission Indebtedness herein
6 authorized. The Commission shall also file, within 30 days of closing any Commission
7 Indebtedness transactions authorized hereby, with the Clerk of the Board of Supervisors a
8 report showing the results of the transaction, including (i) principal amount sold and method of
9 sale, (ii) true interest cost, (iii) final maturity, (iv) the facilities constructed and/or improved, and
10 (v) a statement about the remaining bonding authorization under this Ordinance ("Bond
11 Report"), provided that the failure to file such Bond Report shall not affect the validity of any
12 debt authorized hereunder.

13 Section 3. Authorization to Issue Power Revenue Refunding Bonds; Commercial
14 Paper Retirement. Notwithstanding Section 2 immediately above, the Board further
15 authorizes and approves the issuance by the Commission of Power Revenue Refunding
16 Bonds ("Refunding Bonds") without limitation as to principal amount, in one or more series on
17 one or more dates, at a maximum interest rate or rates of interest not to exceed twelve
18 percent (12%) per annum, provided that each such Refunding Bond issue is permitted under
19 the applicable policies and procedures of the City and authorized by either Section 9.109 of
20 the Charter (including related ordinances and resolutions of the Board) or Proposition A. The
21 Refunding Bonds may be issued as taxable or tax-exempt obligations, or any combination
22 thereof. Refunding Bonds authorized hereunder shall be subject to the further following
23 conditions, that: (i) three percent (3%) net present value debt service savings or greater is
24 achieved to ensure ratepayer savings (exclusive of any issuance to refund commercial paper,
25 revolving credit notes, or bond anticipation notes); (ii) that the maturity of the refunded bonds

1 is not extended (exclusive of any issuance to refund commercial paper, revolving credit notes,
2 or bond anticipation notes); (iii) this authorization is subject to a 5-year term through June 30,
3 2031, at which time this Board may consider an extension; (iv) principal payments and term
4 may be adjusted, where permitted under federal and state tax law, only if and when the
5 underlying capital asset funded through said refunded bonds has a useful life not in excess of
6 any limit permitted under federal and state tax law than the refunded term; and (v) the
7 Commission shall within 30 days of any executed refunding transaction provide a refunding
8 savings report ("Bond Refunding Savings Report") prepared by its municipal advisors (that
9 reflects at least a three percent (3%) net present value debt service savings) to the Board,
10 together with a copy of the final Official Statement (if any) with respect to such series of
11 Refunding Bonds, provided that the failure to deliver such Bond Refunding Savings Report
12 shall in no way affect the validity of any Refunding Bonds. Notwithstanding the foregoing, the
13 Commission is authorized to issue Refunding Bonds that do not meet all of the foregoing
14 conditions provided that the Commission makes a finding, by resolution, that significant non-
15 economic factors exist that justify the waiver of the three percent (3%) net present value debt
16 service savings test and other conditions set forth above. Such non-economic factors may
17 include, by way of illustration and not limitation, eliminating onerous covenants and obsolete
18 provisions contained in the Commission's indenture or other security documents, or
19 restructuring a series of bonds in response to then-current market conditions. In furtherance
20 of the purpose of managing the Commission's outstanding indebtedness, the General
21 Manager is hereby authorized to use Available Power Enterprise Revenues and other funds
22 as appropriate to retire outstanding Power Enterprise commercial paper and other forms of
23 indebtedness at such times and in such amounts advantageous to the Commission.

24 Section 4. Declaration of Official Intent. The Board, on behalf of the Commission,
25 hereby declares the official intent of the Commission to reimburse the Commission with

1 proceeds of Commission Indebtedness for the Expenditures with respect to the Capital
2 Improvement Projects made on and after a date that is no more than 60 days prior to the
3 adoption of this Ordinance. The Commission reasonably expects on the date hereof that it
4 will reimburse the Expenditures with proceeds of Commission Indebtedness. Each said
5 Expenditure was and will be either (A) of a type properly chargeable to a capital account
6 under general federal income tax principles (determined in each case as of the date of the
7 Expenditure), (B) a cost of issuance with respect to such obligations, (C) a nonrecurring item
8 that is not customarily payable from current revenues, or (D) a grant to pay a party that is not
9 related to or an agent of the issuer so long as such grant does not impose any obligation or
10 condition (directly or indirectly) to repay any amount to or for the benefit of the Commission.
11 The Commission will make a reimbursement allocation, which is a written allocation by the
12 Issuer that evidences the Commission's use of proceeds of Commission Indebtedness to
13 reimburse an Expenditure, no later than 18 months after the later of the date on which the
14 Expenditure is paid or the component of the Capital Improvement Projects is placed in service
15 or abandoned, but in no event more than three years after the date on which the Expenditure
16 is paid. The Commission recognizes that exceptions are available for certain "preliminary
17 expenditures," costs of issuance, certain de minimis amounts, expenditures by "small issuers"
18 (based on the year of issuance and not the year of expenditure) and expenditures for
19 construction projects of at least 5 years.

20 Section 5. General Authority. The Controller of the City (the "Controller"), Treasurer
21 of the City (the "Treasurer"), the City Attorney and other officers of the City, including the
22 Director of the Office of Public Finance, and their duly authorized deputies and agents are
23 hereby authorized and directed, jointly and severally, to take such actions and to execute and
24 deliver such certificates, agreements, requests or other documents, as they may deem
25 necessary or desirable to facilitate the issuance, sale and delivery or incurrence of

1 Commission Indebtedness or Refunding Bonds, and to obtain bond insurance or other credit
2 or liquidity enhancements with respect to any such obligations, and otherwise to carry out the
3 provisions of this Ordinance. The Commission is hereby directed to provide the final form to
4 the Clerk of the Board of any disclosure document prepared in connection with the execution
5 of any Commission Indebtedness or Refunding Bonds, and the final executed Installment Sale
6 Agreement, loan agreement or other document reflecting the incurrence of a State Loan or
7 Federal Loan within 30 days of the closing of such transactions provided that the failure to
8 deliver such document shall not affect the validity of the obligations authorized hereunder.
9 The Commission is further directed as a part of the two-year budget review to provide to this
10 Board of Supervisors a written report about Power Revenue Bonds authorized hereunder,
11 detailing the total amount authorized, the total amount sold, the remaining authorized but
12 unissued amount, and the bond authorization no longer necessary due to changes in projects
13 and project financing.

14 Section 6. Ratification of Prior Actions. All actions authorized and directed by this
15 Ordinance in connection with the issuance or incurrence of Commission Indebtedness or
16 Refunding Bonds, and heretofore taken are hereby ratified, approved and confirmed by this
17 Board.
