Section 1. Findings.

(a) Environmental and Land Use Findings.

(1) The Planning Department has determined that the Planning Code amendment proposed in this ordinance is subject to a Categorical Exemption from the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq., hereinafter "CEQA") pursuant to Section 15308 of California Code of Regulations, Title 14, Sections 15000 et seq., the Guidelines for implementation of the statute, for actions by regulatory agencies for protection of the environment (in this case, landmark designation).

1 Said determination is on file with the Clerk of the Board of Supervisors in File No. 260589 and
2 is incorporated herein by reference. The Board of Supervisors affirms this determination.

3 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that
4 the proposed landmark designation of the Tietz-Beneke House will serve the public necessity,
5 convenience, and welfare for the reasons set forth in Historic Preservation Commission
6 Resolution No. 1586, recommending approval of the proposed designation, which is
7 incorporated herein by reference.

8 (3) The Board of Supervisors finds that the proposed landmark designation of
9 the Tietz-Beneke House is consistent with the General Plan and with Planning Code
10 Section 101.1(b) for the reasons set forth in Historic Preservation Commission Resolution
11 No. 1586, which is incorporated herein by reference.

12 (b) General Findings.

13 (1) On March 3, 2026, the Board of Supervisors adopted Resolution
14 No. 116-26, initiating landmark designation of the Tietz-Beneke House as a San Francisco
15 landmark pursuant to Section 1004.1 of the Planning Code. On March 6, 2026, the Mayor
16 approved the resolution. Said resolution is on file with the Clerk of the Board of Supervisors in
17 File No. 260071.

18 (2) Pursuant to Charter Section 4.135, the Historic Preservation Commission
19 has authority "to recommend approval, disapproval, or modification of landmark designations
20 and historic district designations under the Planning Code to the Board of Supervisors."

21 (3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared
22 by Planning Department Preservation staff. All preparers meet the Secretary of the Interior's
23 Professional Qualification Standards for historic preservation program staff, as set forth in
24 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for
25 accuracy and conformance with the purposes and standards of Article 10 of the Planning

1 Code. A copy of the Landmark Designation Fact Sheet is on file with the Clerk of the Board of
2 Supervisors in File No. 260589 and is incorporated herein by reference.

3 (4) The Historic Preservation Commission, at its regular meeting of
4 May 20, 2026, reviewed Planning Department staff's analysis of the historical significance of
5 the Tietz-Beneke House set forth in the Landmark Designation Fact Sheet.

6 (5) On May 20, 2026, after holding a public hearing on the proposed
7 designation and having considered the specialized analyses prepared by Planning
8 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation
9 Commission recommended designation of the Tietz-Beneke House as a landmark consistent
10 with the standards set forth in Section 1004 of the Planning Code, by Resolution No. 1586.
11 Said resolution is on file with the Clerk of the Board in File No. 260589.

12 (6) The Board of Supervisors hereby finds that the Tietz-Beneke House has a
13 special character and special historical, cultural, architectural, and aesthetic interest and
14 value, and that its designation as a landmark will further the purposes of and conform to the
15 standards set forth in Article 10 of the Planning Code. In doing so, the Board hereby
16 incorporates by reference the findings of the Landmark Designation Fact Sheet.

17
18 Section 2. Designation.

19 Pursuant to Section 1004.3 of the Planning Code, the Tietz-Beneke House, located
20 at 657 Chenery Street, Assessor's Parcel Block No. 6742, Lot No. 030, is hereby designated
21 as a San Francisco landmark consistent with the standards set forth in Section 1004.
22 Appendix A to Article 10 of the Planning Code is hereby amended to include this property.

23
24 Section 3. Required Data.
25

1 (a) The description, location, and boundary of the landmark site consists of the
2 footprint of the Tietz-Beneke House, located on Assessor's Parcel Block No. 6742, Lot
3 No. 030, on the south side of Chenery Street between Carrie Street and Diamond Street in
4 San Francisco's Glen Park neighborhood, as shown in the Landmark Designation Fact Sheet.

5 (b) The characteristics of the landmark that justify its designation are described and
6 shown in the Landmark Designation Fact Sheet and other supporting materials contained in
7 Planning Department Record Docket No. 2026-002412DES. In brief, the Tietz-Beneke House,
8 located at 657 Chenery Street, is eligible for local designation as Glen Park's oldest extant
9 property and a rare example of Folk Victorian architecture. The home was built in 1872 and
10 originally served by its own well for water. The home predates the streets in the area, but was
11 built along the local segment of the El Camino Real. Folk Victorian architecture was a more
12 affordable, vernacular alternative to other styles associated with the Victorian movement and
13 extant examples in San Francisco are rare.

14 (c) The particular features that should be preserved, or replaced in kind as determined
15 necessary, are those generally shown in photographs and described in the Landmark
16 Designation Fact Sheet, which can be found in Planning Department Record Docket
17 No. 2026-002412DES, and which are incorporated in this designation by reference as though
18 fully set forth herein. This designation does not identify any interior character-defining
19 features. Specifically, the features that are character-defining and shall be preserved or
20 replaced in kind are the exterior elevations, form, massing, structure, rooflines, architectural
21 ornament, and materials of the property, identified as:

- 22 (1) Location of the property with front and side setbacks;
- 23 (2) Rectangular plan;
- 24 (3) Double-story height;
- 25 (4) Simple gabled roof with shingles;

- (5) Side entry;
- (6) Modest detailing;
- (7) Wood windows; and
- (8) Wood frame.

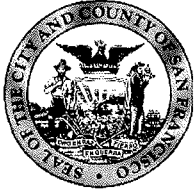

Section 4. Effective Date.

This ordinance shall become effective on the 31st day after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.
