5           RESOLVED, That the Board of Supervisors declares as follows:

6           Section 1. Pursuant to the 1994 Act and Article 15, the Board of Supervisors declares  
7 its intention to renew and expand the Downtown Community Benefit District, for a period of  
8 ten and one half (10 1/2) years, and to levy and collect assessments against all parcels of real  
9 property in the Renewed and Expanded District for ten (10) of those years commencing with  
10 fiscal year ("FY") 2026-2027, subject to approval by a majority of the property owners in the  
11 Renewed and Expanded District who cast assessment ballots, which ballots shall be weighted  
12 according to the proportional financial obligations of the affected properties. The Renewed  
13 and Expanded District's operations are expected to commence on or about January 1, 2027,  
14 following collection of the assessments for FY2026-2027 and disbursement of the assessment  
15 proceeds to the nonprofit owners' association that will administer the property-related  
16 services, activities and improvements in the Renewed and Expanded District pursuant to  
17 Section 36651 of the 1994 Act and a written agreement with the City. No bonds will be  
18 issued.

19           Section 2. It is the intent of the Board of Supervisors that the Renewed and Expanded  
20 District, once established, will supersede the establishment of the District as set forth in  
21 Resolution No. 327-19. Upon establishment of the Renewed and Expanded District, the City  
22 will cease collecting assessments to fund activities as described in Resolution No. 327-19,  
23 and instead will levy assessments to fund activities across the Renewed and Expanded  
24 District. Any remaining revenues derived from the levy of assessments under Resolution  
25 No. 327-19, or any revenues derived from the sale of assets acquired with those revenues,

1 may be spent to benefit only the parcels or businesses in the original District that paid those  
2 assessments.

3 Section 3. Nonpayment of assessments will have the same lien priority and delinquent  
4 payment penalties and be subject to the same enforcement procedures and remedies as the  
5 ad valorem property tax. All delinquent payment of assessments will be subject to interest  
6 and penalties. The City Treasurer and Tax Collector will enforce imposition of interest and  
7 penalties and collection of assessments pursuant to the 1994 Act, Article 15 and the San  
8 Francisco Business and Tax Regulation Code Article 6, as each may be amended from time  
9 to time.

10 Section 4. The Board of Supervisors hereby approves the Renewed and Expanded  
11 District's Management District Plan and Engineer's Report, including the estimates of the  
12 costs of the property-related services, activities and improvements set forth in the plan, and  
13 the assessment of said costs on the properties that will specially benefit from such services,  
14 activities and improvements. The Clerk of the Board shall make the Renewed and Expanded  
15 District's Management District Plan, Engineer's Report and other documents related to the  
16 District and included in the record before the Board of Supervisors available to the public for  
17 review during normal business hours, Monday through Friday 8:00 a.m. through 5:00 p.m.,  
18 excluding legal holidays.

17 the district, assessments, and boundaries of the proposed Renewed and Expanded District,  
18 including testimony from all interested persons for or against the renewal and expansion of  
19 the district, the extent of the Renewed and Expanded District, the levy of the assessments,

21 other matters related to the Renewed and Expanded District. The Board of Supervisors may  
22 waive any irregularity in the form or content of any written protest, and at the public hearing  
23 may correct minor defects in the proceedings. All protests submitted by affected property  
24 owners and received prior to the conclusion of the public testimony portion of the public  
25 hearing shall be tabulated to determine whether a majority protest exists.

24 City currently provides a baseline level of services similar to other areas of the City. It is the  
25 intent of the Board of Supervisors to continue to provide the area encompassed by the

1 Renewed and Expanded District a baseline level of services; formation of the Renewed and  
2 Expanded District will not affect the City's policy to continue to provide service to the areas  
3 encompassed by the Renewed and Expanded District as it provides to other similar areas of  
4 the City during the term of the Renewed and Expanded District.

5 Section 10. The annual total assessments proposed to be levied and collected for the  
6 first year of the Renewed and Expanded District (FY2026-2027) is estimated to

8 The amount of the total annual assessments to be levied and collected for years two  
9 through ten (FYs 2027-2028 through 2035-2036) may be increased from one year to the next  
10 to address changes in the cost of providing services. Assessments may also increase based  
11 on development in the Renewed and Expanded District, or if the Park Overlay is implemented  
12 following completion of the contemplated Embarcadero Park project. The determination of  
13 annual adjustments in assessment rates will be subject to the approval of the Downtown  
14 Community Benefit District Owners' Association. Assessment rates may not increase more  
15 than 5%.
