18
19 WHEREAS, Pacific Gas and Electric Company ("PG&E" or "Seller") is the fee owner of
20 Assessor's Parcel Block No. 4629A, Lot No. 012, located at 5000 Hunters Point Boulevard in
21 the City and County of San Francisco ("City") containing approximately 14,345 square feet of
22 improved land area (collectively, the "Property"); and

23 WHEREAS, The City, through the San Francisco Recreation and Parks Department
24 ("REC") and the Real Estate Division ("RED"), in consultation with the Office of the City
25 Attorney, has negotiated a Purchase and Sale Agreement (the "Purchase Agreement") to

1 acquire the Property from the Seller for up to \$575,000 ("Purchase Price"), substantially in the
2 form approved by the Director of Property and the General Manager of REC and on file with
3 the Clerk of the Board of Supervisors in File No. 260717, incorporated herein by reference;
4 and

5 WHEREAS, The Director of Property obtained an appraisal of the Property and a
6 review appraisal as required under Chapter 23.3 of the Administrative Code, finding the fair
7 market value of the Property to be \$190,000; and

8 WHEREAS, REC wishes to acquire the Property for future development of a
9 neighborhood park by REC, a purpose that required the demolition and removal of Seller's
10 transition tower and other existing improvements ("Removal Work"), with the exception of its
11 subsurface utilities which will be accommodated by the reserved easement; and

12 WHEREAS, Seller agreed to conduct the Removal Work in advance of sale of the
13 Property as a part of a negotiated purchase price of \$575,000 and REC determined that in the
14 alternative of conducting the Removal Work on its own to make the Property usable for its
15 intended purposes, its costs would far exceed the delta between the appraised fair market
16 value of the Property and the negotiated purchase price because of the need to hire
17 engineering and permitting experts, along with the extensive coordination required with Seller
18 for review, approval, and clearances, which would create long timelines and additional costs
19 and would contribute further to the overall cost, which SFRPD estimates to be in the millions
20 of dollars; and

21 WHEREAS, On March 24, 2026, Seller confirmed, and REC verified, that the Removal
22 Work was completed to REC's plans and specification; and

23 WHEREAS, REC has confirmed that the purchase price (inclusive of the easement) is
24 equal to or less than the fair market value of the Property combined with the additional value
25 to REC of Seller's Removal Work; and

1 WHEREAS, This acquisition will further REC's mission, as articulated in the REC
2 Strategic Plan, Objective 1.1 ("Develop more open space and improve access to existing
3 facilities to address population growth in high-need and emerging neighborhoods."), by
4 providing an opportunity to create a future park in a neighborhood that is in need of additional
5 parks and open spaces; and

6 WHEREAS, This acquisition is necessary for related improvements to the India Basin
7 Waterfront Park development project ("Project"); and

8 WHEREAS, On August 15, 2024, the Recreation and Parks Commission unanimously
9 approved Resolution No. 2408-008 affirming the purchase of the Property and urging the
10 Board of Supervisors to take steps necessary to purchase the Property with monies from the
11 Project budget subject to Seller reserving an underground electric easement under the
12 property in connection with the Project; and

13 WHEREAS, The public interest or necessity will not be inconvenienced by the
14 acquisition of the Property in accordance with the Purchase Agreement, and such acquisition
15 will further a proper public recreational purpose; and

16 WHEREAS, City staff and the Seller have agreed to an easement reservation in the
17 proposed grant deed included with the Purchase Agreement for the Property describing the
18 rights and obligations of both parties which allows the Seller to keep its existing subterranean
19 utility elements in place within the Property and adjacent public right-of-way that REC is
20 currently seeking to vacate for inclusion in its Project area; and

21 WHEREAS, The Seller, in accordance with the requirements of the California Public
22 Utilities Commission's Land Disposition Policy adopted December 5, 2019, titled, "Investor-
23 Owned Utility Real Property-Land Disposition – First Right of Refusal for Disposition of Real
24 Property Within the Ancestral Territories of California Native American Tribes" ("Tribal Land
25 Policy"), provided notification on February 2, 2024, and issued a follow-up notice on March 4,

1 2024, and did not receive any notifications of Tribal interest in acquiring the Property; and

2 WHEREAS, The Planning Department, by Note To File letter dated August 15, 2024,
3 found that the acquisition of the Property and associated Seller easement is consistent with
4 the Project's previously issued General Plan Referral (Case No. 2014-002541GPR-02) letter
5 dated May 1, 2019, and, on balance, consistent with the General Plan and Planning Code,
6 Section 101.1, which is on file with the Clerk of the Board in File No. 260717, and
7 incorporated herein by this reference; and

8 WHEREAS, The Planning Department, by Note To File letter dated August 15, 2024,
9 found that the environmental findings of the May 1, 2019, General Plan Referral (Case No.
10 2014-002541GPR-02), including Certification of the Final Environmental Impact Report
11 (Motion No. 20247) and adopted CEQA Findings including a statement of overriding
12 considerations (Motion No. 20248) apply to the Property acquisition and reserved Seller
13 easement; now, therefore, be it

14 RESOLVED, That this Board affirms the Planning Department's determination under
15 CEQA and finds that the proposed acquisition of, and easement on, the Property is consistent
16 with the General Plan, and eight priority policies of Planning Code, Section 101.1 for the
17 reasons set forth in the Planning Department Note To File letter dated August 15, 2024; and,
18 be it

19 FURTHER RESOLVED, That the Board of Supervisors finds that the public interest or
20 necessity demands, or will not be inconvenienced by the transactions contemplated in the
21 Purchase Agreement; competitive bidding is impractical or impossible given that the Purchase
22 Agreement is establishing property rights in connection with mutually shared development
23 goals, REC's development of the Project upon the Property and the Seller's Removal Work
24 and construction of a new transition tower on a separate parcel to the north of the Property,
25

1 outside the Project area; the Purchase Agreement will further a proper public purpose by
2 ensuring the Property is developed into a new waterfront park; and, be it

3 FURTHER RESOLVED, That in accordance with the recommendation of the General
4 Manager of REC, the Director of Property, and in consultation with the City Attorney, the
5 Board of Supervisors approves the Purchase Agreement in substantially the form presented
6 to the Board, and authorizes the Director of Property to take all actions necessary or
7 appropriate to acquire the Property and reserve the easement; and, be it

8 FURTHER RESOLVED, That the Property shall be placed under REC's jurisdiction for
9 the Property's inclusion in its Project; and, be it

10 FURTHER RESOLVED, That the Board of Supervisors authorizes the Director of
11 Property in consultation with the General Manager of REC and the City Attorney to enter into
12 any additions, amendments or other modifications to the Purchase Agreement and any other
13 documents or instruments necessary in connection therewith (including but not limited to the
14 exhibits and ancillary agreements) that are in the best interest of the City, do not otherwise
15 materially increase the obligations or liabilities of the City, are necessary or advisable to
16 effectuate the purposes of the agreements and this resolution and are in compliance with all
17 applicable laws, including City's Charter; and, be it

18 FURTHER RESOLVED, That the Director of Property is hereby authorized to accept
19 the deed to the Property from the Seller upon the closing in accordance with the terms and
20 conditions of the Purchase Agreement, and to take any and all steps (including, but not limited
21 to, the execution and delivery of any and all certificates, agreements, notices, consents,
22 escrow instructions, closing documents and other instruments or documents) as the Director
23 of Property deems necessary or appropriate in order to acquire the Property pursuant to the
24 Purchase Agreement, or to otherwise effectuate the purpose and intent of this Resolution,
25

1 such determination to be conclusively evidenced by the execution and delivery by the Director
2 of Property of any such documents; and, be it

3 FURTHER RESOLVED, That the Director of Property shall provide the Clerk of the
4 Board of Supervisors a fully executed copy of the Purchase Agreement within thirty (30) days
5 after execution.
